### SCHOOL PERFORMANCE FACT SHEET

2011 & 2012 Calendar Years

#### Court Reporting – Certificate (3 years/Days, 4 years/Nights\*)

\*Because of the difference in skill attainment standards between the South Coast College AAS degree (NCRA standard - 225 wpm) and the California Certified Shorthand Reporters Board (less than NCRA - 200 wpm), many court reporting students enrolled in the AAS degree who pass the state examination because they have attained the 200 wpm requirement will leave South Coast College with a Certificate upon attaining the 200 wpm skill level. All of certificate program students were AAS program students.

#### On-Time Completion Rates (includes data for the two calendar years prior to reporting)

2011	10	10	10	10	100%	2	7

<sup>1</sup>“Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup>“Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

<sup>3</sup>“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates Unavailable for Employment” means the graduates who, after graduation, die or become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>4</sup>“Graduates Employed in the Field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment shall begin within six months of the announcement of the examination results for the first examination available after a student complete an applicable educational program.

<sup>5</sup>“Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

A list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates is available at each Program Director’s Office.

### SCHOOL PERFORMANCE FACT SHEET

2011 & 2012 Calendar Years

Court Reporting – Certificate (3 years/Days, 4 years/Nights\*)

Note that to work using stenography skills, it is not necessary to pass the Certified Reporter Examination. The examination is required only for state court or deposition work. Hearing reporters, CART reporters, captionists, and federal court reporters do not have to be licensed.

\*Because of the difference in skill attainment standards between the South Coast College AAS degree (NCRA standard--225 wpm) and the California Certified Shorthand Reporters Board (less than NCRA—200 wpm), many court reporting students enrolled in the AAS degree who pass the state examination because they have attained the 200 wpm requirement will leave South Coast College with a Certificate upon attaining the 200 wpm skill level.

#### Examination Passage Rates (continuously administered examinations)

Calendar Year	Number of Students Taking Exam <sup>1</sup>	Number Who Passed First Exam Taken <sup>2</sup>	Number Who Failed First Exam Taken	Passage Rate <sup>3</sup>
2012	8	8	1	87.5%
2011	15	6	9	40%

License examination passage data is not available from the state agency administering the examination. We collected data from 2011 and 2012 graduates.

<sup>1</sup>"Number of Students Taking Exam" is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

<sup>2</sup>"Number Who Passed First Exam Taken" is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

<sup>3</sup>"Passage Rate" is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program.

<sup>1</sup>"Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup>"Number of Graduates" is the number of students who have completed the program within 100% of the published program length.

<sup>3</sup>"Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates Unavailable for Employment" means the graduates who, after graduation, die or become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>4</sup>"Graduates Employed in the Field" means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment shall begin within six months of the announcement of the examination results for the first examination available after a student complete an applicable educational program.

<sup>5</sup>"Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

A list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates is available at each Program Director's Office.

<sup>1</sup>"Graduates available for Employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>2</sup>"Graduates employed in the field" means graduates who are gainfully employed within six months or graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

<sup>3</sup>Salary is as reported by the student. Not all graduates reported salary.

Students may obtain a list of the objective sources of information used to substantiate the salary disclosure at the Program Director's Office.
