Master of Science in Psychology (2 years)

On Time Completion Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students Who Began Program ¹	Students Available for Graduation ²	Graduates ³	Completion Rate ⁴
2011	22	22	2	9%
2012	32	32	0	0

Students Completing After Published Program Length (101-150% Completion Rate)

Calendar Year	Number of Students Who Began Program ¹	Students Available for Graduation ²	150% Graduates ⁵	150% Completion Rate ⁶
2011	22	22	10	46%
2012	32	32	13	40%

¹“Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²“Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

³“Graduates” is the number of students who completed the program within 100% of the published program length.

⁴“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

⁵“150% Graduates” is the number of students who completed the program within 101-150% of the published program length.

⁶“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

California Southern University offers flexible alternatives for program completion which may be accomplished at different rates. Students who are taking longer than 150% of the time to complete their program and those who are no longer enrolled are considered “not graduated”.

¹“Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²“Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴“Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment shall begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.

⁵“Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
