Placement Rates (includes data for the two calendar years prior to reporting)
 Audio Technology Program (900 clock hours)

Calendar Year	Number of Students Who Began Program ¹	Number of Graduates ²	Graduates Available for Employment ³	Graduates Employed in the Field ⁴	Placement Rate Employed in the Field ⁵	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2011	71	57	46	29	63%	N/A	N/A
2012	135	104	85	62	73%	N/A	N/A

¹“Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²“Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴“Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵“Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

** Note—The list of employment positions obtained by SAE graduates within the field for which they received education and training is available upon request from the Career Services Advisor.*
