NOTE: Information is derived from the school's most recent Annual Report to the Bureau for Private Postsecondary Education. Which may be accessed for review on the school website:

[Website de Riverside Training Center](#) under the Information tab; - click "to view the most recent Annual Report" Link.

<sup>1</sup>"Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup>"Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have dies, been incarcerated, or called to active military duty

<sup>3</sup>"Graduates" is the number of students who completed the program within 100% of the published program length.

<sup>4</sup>"Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

<sup>5</sup>"150% Graduates" is the number of students who completed the program within 101-150% of the published program length.

<sup>6</sup>"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

<sup>1</sup> "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution. <sup>2</sup> "Graduates employed in the field" means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position. <sup>3</sup> Salary is as reported by the student. Not all graduates reported salary.

The Following may be obtained upon request from the School Director as required by subdivision (b): \* A list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates. \*A list of the objective sources of information used to substantiate the salary disclosure

<sup>6</sup>"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

<sup>1</sup> "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution. <sup>2</sup> "Graduates employed in the field" means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position. <sup>3</sup> Salary is as reported by the student. Not all graduates reported salary.

The Following may be obtained upon request from the School Director as required by subdivision (b): \* A list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates. \*A list of the objective sources of information used to substantiate the salary disclosure

NOTE: Information is derived from the school's most recent Annual Report to the Bureau for Private Postsecondary Education. Which may be accessed for review on the school website:

[Website de Riverside Training Center](#) under the Information tab; - click "to view the most recent Annual Report" Link.

<sup>1</sup>"Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup>"Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have dies, been incarcerated, or called to active military duty

<sup>3</sup>"Graduates" is the number of students who completed the program within 100% of the published program length.

<sup>4</sup>"Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

<sup>5</sup>"150% Graduates" is the number of students who completed the program within 101-150% of the published program length.

<sup>6</sup>"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

<sup>1</sup> "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution. <sup>2</sup> "Graduates employed in the field" means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position. <sup>3</sup> Salary is as reported by the student. Not all graduates reported salary.

The Following may be obtained upon request from the School Director as required by subdivision (b): \* A list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates. \*A list of the objective sources of information used to substantiate the salary disclosure

NOTICE "Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at:

NOTE: Information is derived from the school's most recent Annual Report to the Bureau for Private Postsecondary Education. Which may be accessed for review on the school website:

[Website de Riverside Training Center](#) under the Information tab; - click "to view the most recent Annual Report" Link.

<sup>1</sup>"Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup>"Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have dies, been incarcerated, or called to active military duty

<sup>3</sup>"Graduates" is the number of students who completed the program within 100% of the published program length.

<sup>4</sup>"Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

<sup>5</sup>"150% Graduates" is the number of students who completed the program within 101-150% of the published program length.

<sup>6</sup>"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

<sup>1</sup> "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution. <sup>2</sup> "Graduates employed in the field" means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position. <sup>3</sup> Salary is as reported by the student. Not all graduates reported salary.

The Following may be obtained upon request from the School Director as required by subdivision (b): \* A list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates. \*A list of the objective sources of information used to substantiate the salary disclosure

NOTE: Information is derived from the school's most recent Annual Report to the Bureau for Private Postsecondary Education. Which may be accessed for review on the school website:

[Website de Riverside Training Center](#) under the Information tab; - click "to view the most recent Annual Report" Link.

<sup>1</sup>"Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup>"Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have dies, been incarcerated, or called to active military duty

<sup>3</sup>"Graduates" is the number of students who completed the program within 100% of the published program length.

<sup>4</sup>"Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

<sup>5</sup>"150% Graduates" is the number of students who completed the program within 101-150% of the published program length.

<sup>6</sup>"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

<sup>1</sup> "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution. <sup>2</sup> "Graduates employed in the field" means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position. <sup>3</sup> Salary is as reported by the student. Not all graduates reported salary.

The Following may be obtained upon request from the School Director as required by subdivision (b): \* A list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates. \*A list of the objective sources of information used to substantiate the salary disclosure

NOTE: Information is derived from the school's most recent Annual Report to the Bureau for Private Postsecondary Education. Which may be accessed for review on the school website:

[Website de Riverside Training Center](#) under the Information tab; - click "to view the most recent Annual Report" Link.

<sup>1</sup>"Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup>"Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have dies, been incarcerated, or called to active military duty

<sup>3</sup>"Graduates" is the number of students who completed the program within 100% of the published program length.

<sup>4</sup>"Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

<sup>5</sup>"150% Graduates" is the number of students who completed the program within 101-150% of the published program length.

<sup>6</sup>"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

<sup>1</sup> "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution. <sup>2</sup> "Graduates employed in the field" means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position. <sup>3</sup> Salary is as reported by the student. Not all graduates reported salary.

The Following may be obtained upon request from the School Director as required by subdivision (b): \* A list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates. \*A list of the objective sources of information used to substantiate the salary disclosure

NOTICE "Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at:
