### Cosmetology (1600Hours)

Calendar Year	Number of Students Who Began Program <sup>1</sup>	Students Available for Graduation <sup>2</sup>	Graduates <sup>3</sup>	Completion Rate <sup>4</sup>
2011	64	64	56	21%
2012	55	55	21	38%

(1) "Number of Students Who Began Program" means the number of students who began a program who are scheduled to complete the program within 100% of the published program length within the reporting calendar year, and includes all the students who remained enrolled after their cancellation period.

(2) "Number of Graduates" means the number of students who completed the program within 100% of the published program length within the reporting calendar year.

(3) "Graduates Employed in the Field" means those graduates who meet the definition of section 94928(e) of the Code, who have reported their employment to the institution.

(c) Reporting periods:

(d) Completion Rates. Reporting of completion rates for an institution's Annual Report and Performance Fact Sheet shall include, for each educational program, the number of students who began program as defined in subdivision (b), the number of students available for graduation, number of graduates, and completion rate(s). An optional column may be added to include completion rate data for students completing within 101-150% of the published program length. For an institution reporting completion data pursuant to section 94929(b) of the Code, completion data shall be separately reported for each program. The Performance Fact Sheet shall disclose, if true, that the completion data is being reported for students completing within 150% of the published program length, and that data is not being separately reported for students completing the program within 100% of the published program length.

### Students Completing After Published Program Length - 150% Completion Rate

#### Cosmetology 1600Hours

Calendar Year	Number of Students Who Began Program <sup>1</sup>	Students Available for Graduation <sup>2</sup>	Graduates <sup>5</sup>	Completion Rate <sup>6</sup>
2011	64	64	44	69%
2012	55	21	34	41%

<sup>1</sup> "Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup> "Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.

<sup>3</sup> "Graduates" is the number of students who completed the program within 100% of the published program length.

<sup>4</sup> "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

<sup>5</sup> "150% Graduates" is the number of students who completed the program within 101-150% of the published program length.

<sup>6</sup> "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

(e) **Placement Rates.**

(2) Placement is measured **six months from the graduation** date of each student. Reporting of placement rates shall include for each educational program: the number of students who began the program, the number of graduates as defined in subdivision (b), graduates available for employment, graduates employed in the field and placement rate(s).

(3) Placement rate shall be calculated as follows: the number of graduates employed in the field as defined in subsection 74112(b)(3) divided by the number of graduates available for employment as defined in section 94928(d) of the Code.

(4) Graduates employed in the field shall be reported for those graduates employed in the field in a single position that averages under 32 hours per week and those employed in the field in a single position that averages at least 32 hours per week. References to the Code are to the California Education Code where the California Private Postsecondary Education Act of 2009 is located.

Placement rates shall be included in the Performance Fact Sheet in a format substantially similar to the chart below, including the footnoted information below (dates, numbers, and other data shown are for example only):

Placement Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students Who Began Program <sup>1</sup>	Number of Graduates <sup>2</sup>	Graduates Available for Employment <sup>3</sup>	Graduates Employed in the Field <sup>4</sup>	Placement Rate % Employed in the Field <sup>5</sup>	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2011	64	13	13	12	92%	Unknown	Unknown
2012	55	21	21	18	86%	11	7

<sup>1</sup> "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup> "Number of Graduates" is the number of students who have completed the program within 100% of the published program length.

<sup>3</sup> "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>4</sup> "Graduates employed in the field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

<sup>5</sup> Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

(f) **License Examination Passage Rates.** If license examination passage rates are not available from the appropriate state agency, an institution shall collect the information directly from its graduates. If an institution demonstrates that, after reasonable efforts, it is unable to obtain the examination passage information from its graduates, the institution shall report the number of students it could not contact and note in a font the same size as the majority of the data on the Performance Fact Sheet, "License examination passage data is not available from the state agency administering the examination. We were unable to collect data from [enter the number] graduates."

Reporting of license examination passage rates for the Annual Report and the Performance Fact Sheet shall include, for each educational program: the number of students completing the program within 150% of published program length in the reported year, the number of documented graduates who passed the first examination, number of documented graduates who failed the first examination, the number of graduates for whom data is not available. An optional column may be added to separately report licensing examination data for students who take and pass the exam after failing initially. The Annual Report shall also include a description of the processes for attempting to contact those students.

For licensing examinations that are not continuously administered, license examination passage rates shall be included in the Performance Fact Sheet in a format substantially similar to the chart below, including the footnoted information below (dates, numbers, and other data shown are for example only):

Examination Passage Rates (includes data for the two calendar years prior to reporting)
