6. Number of Degrees or Diplomas Awarded? (Indicate the number of students receiving a degree or diploma for this program during the reporting year.) 10

7. Total Charges for this program? (Indicate the total charges for a student to complete the program within 100% of the program length. If the total charges fluctuated during the reporting year, indicate the highest amount charged for this program during the reporting year. Total charges include all amounts paid for the program. It includes books, uniforms or other charges if those charges are for costs that are required for participation in the educational program.)
\$2895

8. Number of Students Who Began the Program? (Indicate the number of students who began the program who are scheduled to complete the program in the year being reported, 5 CCR §74112(b)(1). If the institution has a main campus with branches and/or satellites, add the number of students who began the program who are scheduled to complete the program in the year being reported for all locations offering this particular program and report the combined number.) 13

9. Students Available for Graduation? (Indicate the number of students available for graduation for the program being reported. This number should be the number of students who began the program (#8 above) minus the number of students who have died, been incarcerated or been called to active military duty (CEC §94928(f) & (g).) 10

10. Graduates? (Of the students available for graduation (#9 above), indicate the number of students who completed the program within 100% of the published program period within the calendar year being reported (5 CCR §74112(b)(2).) 10

11. Completion Rate? (Indicate the number of graduates (from #10 above) divided by the number of students available for graduation (#9 above). A "rate" is a percentage and should

never be more than 100% (CEC §94929(a), 94928(f) & (g), and 5 CCR §74112(d).)
100%

12. 150% Completion Rate? (If the institution tracks 150% completion, indicate the number of students who completed the program after 100% of the published program length, but less than 151% of the published program length, divided by the number of students available for graduation (#9 above) **A "rate" is a mathematical calculation and should never be more than 100** (5 CCR §74112(d).) 100%

13. Is the above data taken from the data that was reported to and calculated by the Integrated Postsecondary Education Data System (IPEDS) of the United States Department of Education? (Indicate "yes" if the information was taken from the data that was reported to IPEDS; Indicate "no" if it was not. If this institution does not participate in Title IV financial aid programs it most likely does not report to IPEDS.) Yes No

CEC § 94929.5 requires institution report placement data for every program that is designed or advertised to lead to a particular career, or advertised or promoted with any claim regarding job placement.

14. Graduates Available for Employment? (Indicate the number that is the remainder of the number of graduates (#10 above) minus the number of graduates that either died, became incarcerated, were called in to active military duty, were international students that left the United States or did not have a visa allowing employment in the United States or, are continuing their education in an accredited or bureau-approved postsecondary institution (CEC §94928(d) & (f), and 5 CCR §74112(b)(2).) 9

15. Graduates Employed in the Field? (Number of graduates, (#14 above) who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment shall begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program (CEC §94928(e), 5 CCR §74112(b)(3).) 5

16. Placement Rate? (Indicate the number of graduates employed in the field (#15 above) divided by the number of graduates available for employment (#14 above.) **A "rate" is a mathematical calculation and should never be more than 100** (5 CCR §74112(e)(3).) 55%

17. Graduates employed in the field of an average of less than 32 hours per week? (Indicate the number graduates employed an average of less than 32 hours per week.) 0

18. Graduates employed in the field an average of 32 or more hours per week? (Indicate the number of graduates employed an average of 32 or more hours per week.) 5

The total of #17 and #18 should not equal more than the answer for #15.

Exam Passage Rate

CEC §94929.5(b) requires the institution to report two years of exam passage data for graduates taking the exam for the first time that the examination is available after completion of the educational program. The exam passage data should be as reported by the appropriate state agency.
