

SCHOOL PERFORMANCE FACT SHEET
CALENDAR YEARS 2011 & 2012

Completion Rates (includes data for the two calendar years prior to reporting)

Program Title – Program Length – Accounting Assistant 720 hours

Calendar Year	Number of Students Who Began Program ¹	Students Available for Graduation ²	Graduates ³	Completion Rate ⁴
2011	13	13	11	85%
2012	8	8	7	88%

Students Completing After Published Program Length – 150% Completion Rate

Program Title – Program Length-- Accounting Assistant 720 hours

Calendar Year	Number of Students Who Began Program ¹	Students Available for Graduation ²	150% Graduates ⁵	150% Completion Rate ⁶
2011	13	13	0	0%
2012	8	8	0	0

If applicable: *This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

¹“Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²“Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those who have died, been incarcerated, or called to active military duty.

³“Graduates is the number of students who completed the program within 100% of the published program length.

⁴“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

⁵“150% Graduation” is the number of students who completed the program within 101-150% of the published program length.

⁶“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

Initials: _____-Date: _____----I have read and understand the above completion rates

Placement Rates (includes data for the two calendar years prior to reporting)

Program Title – Program Length-- Accounting Assistant 720 hours

Calendar Year	Number of Students Who Began Program ¹	Number of Graduates ²	Graduates Available for Employment ³	Graduates Employed in the Field ⁴	Placement Rate Employed in the Field ⁵	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2011	13	11	10	6	60%		
2012	8	7	7	5	71%		

If applicable: *This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are known at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

¹“Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²“Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die becomes incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴“Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵“Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Initials: _____ Date _____ -I have read and understand the above placement information

Licensure Rates

License Examination Passage Rates (not continually administered tests)

Based on students completing the program within 150% of the published program length in the report year.

Program Title – Program Length

Exam Date ²	# Taking Exam ¹	# Who Passed Exam	# Who Failed Exam	Passage Rate ³
Not Applicable				
Not Applicable				

If applicable: License examination passage data is not available from the state agency administering the examination. We were unable to collect data from (enter the number) graduates.

If applicable: *This program is new. Therefore, the number of students who graduate, the number of students who are placed, of the starting salary you can earn after finishing the educational program are known at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

¹Number of Students Taking Exam is the number of students who completed the program within 150% of published program length and for whom the reported exam is the first exam that was available after their completion of the program.

²Exam Date is the date for the first available exam after the students completed the program.

³Passage Rate is calculated by dividing the number of students who pass the exam by the number of graduates who take the reported licensing exam.

Initials: _____ Date _____ -I have read and understand the above license examination rates.

License Examination Passage Rates (continually administered tests)

Based on students completing the program within 150% of the published program length in the report year.

Program Title – Program Length

Calendar Year	# Taking Exam ¹	#Who Passed First Exam ²	Who Failed First Exam	Passage Rates ³
2011	Not Applicable			
2012	Not Applicable			

If applicable: License examination passage data is not available from the state agency administering the examination. We were unable to collect data from (enter the number) graduates.

If applicable: *This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

¹Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

²Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

³Passage Rate is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program.

Initials: _____ Date _____ --I have read and understand the above license examination rates.

Salary and Wage Information

Program Title – Program Length -- Accounting Assistant 720 hours

Calendar Year	Grads Avail for Employment ¹	Grads Employed in Field ²	Annual Salary and Wages Reported Graduates Employed in the Field ³				Students not Reporting Salary
			Under \$20,000	\$20,001 to \$25,000	\$25,001 to \$30,000	Over \$30,000	
2011	11	6	3	1	1		1
2012	8	5	1	1			3

If applicable: *This program is new.
