Wagner Training Institute, Inc.

Welcome to Wagner Training Institute, Inc. for your Phlebotomy Training Program. We have successfully provided professional training to the medical community for over 15 years. Our mission is to provide you with *“the best possible phlebotomy education with the least financial burden and to expose the students to an exciting career in laboratory services”*

You will be instructed and encouraged by our patient, friendly and caring staff. All of our staff are licensed and experienced Certified Phlebotomy Technicians (CPT-1) with many years of experience in hospitals, laboratories, and clinics. Our Program Director is an experienced Physician Assistant and CPT-1.

Wagner Training Institute, Inc. provides students with a complete 80 hour course of instruction in the field of phlebotomy: 20 hours of basic didactic education, 20 hours of advanced didactic education, and 40 hours of clinical externship, in accordance with California State requirements. We also offer a testing location for the national phlebotomy certification exam, required for both National Certification and State Licensure. The course will include the following: Phlebotomy Simplified Handbook, lectures throughout the course, state of the art audio visual presentations of various topics, including a presentation of Arterial Blood Gases. Students will receive one on one demonstration with the syringe, evacuated tube system, butterfly and capillary punctures. Students will be expected to perform live punctures in a controlled setting. Our qualified staff will teach professionalism, build self-confidence and encourage each individual student at his/her own pace.

Wagner Training Institute, Inc. will provide a convenient 40 hour clinical externship. Students will be placed in area hospitals, clinical laboratories or clinics to complete the requirements. Demonstration of competency is required prior to extern placement. In addition, scheduled time for review and practice will be available in the office during the week, by appointment only.

Wagner Training Institute, Inc. is a private institution which has been approved by the Bureau for Private Postsecondary Education and by the Department of Health-Laboratory Field Services to provide the 80 hour course of phlebotomy study to obtain your state license. We are also approved by the California Board of Registered Nurse's #11135, EMS CE #62-2021 for RN's, EMT-P's, and EMT's-1 to provide hours of continuing education units.

3. **Class hours:** Saturday & Sunday 8-5. On the 2nd Sunday the Basic hours are 8 am -12 noon - Advanced hours are 1 pm -5 pm.
 4. In the event the student is unable to complete any given day, make-up hours will be provided with prior notification.
 5. Classes are instructed by licensed medical professionals, with experience in phlebotomy, and approved by the State of California.
 6. Continuing Education Units will be included for Board certified Nurses, EMT's and Certified Medical Assistants.
 7. There is a \$25 service charge for all returned checks and \$25 replacement fee for copies of certificates.
 8. **Withdrawal Policy/Refund Policy/STUDENTS RIGHT TO CANCEL:** Registered students may cancel and obtain a refund of charges paid through the attendance at the first class session, or the seventh day after enrollment, whichever is later. A full refund, less the registration fee (\$150) will be refunded if the student cancels this agreement in writing at least 24 hours prior to the start of class. Students who withdraw after starting class are eligible for a 50% refund if they cancel and withdraw before the conclusion of the first day. No refund will be given if a student has completed the first day of class. In the event that Wagner Training Institute, Inc. cancels the class for any reason, the student is entitled to a full refund of all charges. All refunds are payable within 90 days. All notices of cancellations or withdrawal must be presented in writing direct to: Wagner Training Institute, Inc. 1740 Plum Lane, Suite "B" Redlands, CA 92374.
 9. Wagner Training Institute, Inc. does not participate in Federal and State financial aid programs. If the student has received Federal student financial aid funds, the student is entitled to a refund of moneys not paid from Federal student financial aid program funds.
 10. If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. Further, if the student defaults on a Federal or State loan, both the following may occur:
 - The Federal or State government or a loan guarantee agency may take action against the student, including garnishing an income tax refund; and
 - The student may not be eligible for any other government financial assistance at another institution until the loan is repaid.
 11. **NONREFUNDABLE CHARGES:** Registration fee of \$150, which will include a **nonrefundable charge for the STUDENT TUITION RECOVERY FUND**.
 12. **Probation and dismissal Policies:** Students who miss full or partial days are required to make up the missed hours during a subsequent month prior to advancing to the next segment of the program. If a student does not make up the missed hours during the subsequent month, the student will be on probation and will have 12 months to complete missed hours at no charge. After 12 months the student will be dismissed for the current program. If the student wishes to complete the program after 12 months, then he/she must re-enroll into a new program and will be subject to additional fees.
 13. Disclosure: "We are approved and registered with the State of California. Registration/approved means we have met certain minimum standards imposed by the state for registered schools on the basis of our written application to the state. Registration does not mean we have met all of the more extensive standards required by the state for

schools that are approved to operate or licensed or that the state has verified the information we submitted with our registration form."

14. Children and pets are not allowed to attend the classes. Students are required to be attentive and participate. Cell phones and electronic devices are to be turned off and recording devices are not allowed.
15. **Attendance Policies:** Students shall be required to attend the full duration of the course in accordance with California state laws and regulations. This consists of a full 20 hours of Basic Didactic instruction, 20 hours of Advanced Didactic instruction, and 40 hours of Practical Training in a clinical setting. Upon completing both the Basic and Advanced Didactic training, students are eligible to enroll in the Practical Training arm of the program. Upon completion of all three segments of the program, students are given a certificate of completion and are eligible to sit for the National Certifying Examination and apply for State Licensure. Students, who have greater than 1040 hours of previous on-the-job experience in phlebotomy, as described by State guidelines, are required to attend on the Advanced Didactic portion of the program, provided they can produce accurate documentation of said experience. Students are required to document attendance at each class by signing in on an attendance tracking sheet each day of class. Students shall sign in on the same line in each of three columns representing the three days in each didactic segment. Attendance is monitored throughout the duration of the class and sign-in sheets are kept on file at the School's main office in Redlands, Ca. Students who miss full or partial days are required to make up the missed hours during a subsequent month prior to advancing to the next segment of the program. If a student does not make up the missed hours during the subsequent month, the student will have 12 months to complete missed hours at no charge. Any student who wishes to repeat a segment of the class is allowed to watch a video at no charge other than a nominal fee to cover any applicable use of supplies.
16. **Grading Policy/Standard for student achievement:** Grading of student performance is on a Pass/Fail basis. Quizzes and exams are graded on a 70% passing standard, consistent with the National Certifying exam. Students who do not answer test questions at 70% or greater accuracy are required to repeat the course segment until they are able to do so.
17. **Leave of absence Policies:** Students must complete the required number of hours within 12 months of registration to be eligible to graduate and subsequently apply to the Laboratory Field Services to be certified as a Certified Phlebotomist Technician 1.
18. Students can be expelled from the program without refund for the following reasons: Any student using profanity, inappropriate/unprofessional behavior, or any student dismissed from the phlebotomy program for just cause.
