## SCHOOL PERFORMANCE FACT SHEET CALENDAR YEARS 2010 & 2011

### Completion Rates (includes data for the two calendar years prior to reporting)

#### Doctorate of Business Administration – 75 Quarter Units

Students completing within the published program length

Calendar Year	Start Year (100%) <sup>1</sup>	Number of Students Who Enrolled <sup>2</sup>	Students Available for Graduation <sup>3</sup>	Graduates <sup>4</sup>	Completion Rate <sup>5</sup>
2011	2007	3	3	3	100%
2012 <sup>8</sup>	2008	3	3	2	66%

Students that did not complete on schedule (100%) yet finished within 150% of the published program length

Calendar Year	Start Year (150%) <sup>6</sup>	Number of Students Enrolled <sup>2</sup>	Students Available for Graduation <sup>7</sup>	Graduates <sup>4</sup>	Completion Rate <sup>5</sup>
2011	2005	2	1	1	50%
2012	2006	0	0	0	NA

<sup>1</sup> "Start Year" is the year that is 3 years before the calendar year that performance facts are reported about. California Pacific University programs are self-paced and can be started at any time during the year.

<sup>2</sup> "Number of Students Who Began Program" is the number of students who began the program during the Start Year and who were scheduled to complete the program within the published program length.

<sup>3</sup> "Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.

<sup>4</sup> "Graduates" is the number of students who completed the program within the reporting calendar year.

<sup>5</sup> "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

<sup>6</sup> "Start Year" is the year that is 4 years before the calendar year. The numbers can include some students that enrolled in the program in the fall quarter 5 years before the calendar year.

<sup>7</sup> "Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have graduated on schedule, died, been incarcerated, or called to active military duty.

<sup>8</sup> During the time frame of this reporting period there was a change in ownership and a relocation of California Pacific University's main office; hence some of the programs were limited or on hiatus during this reporting period.

### Placement Rates (includes data for the two calendar years prior to reporting) – Not applicable.

Neither the institution nor representatives of the institution do not express or claim that the program is designed to prepare students for, a particular career, occupation, vocation, job, or job title and does not offer any placement services. (Reference: 94910 (b) Placement rates, as calculated pursuant to Article 16 (commencing with Section 94928), if the educational program is designed to lead to, or the institution makes any express or implied claim related to preparing students for, a particular career, occupation, vocation, job, or job title.)

### Licensure Rates – Not applicable

## Salary and Wage Information

Neither the institution nor representatives of the institution collect or track the salary of the graduates outside of what students volunteer to the institution.

Calendar Year	Grads Avail for Employment <sup>1</sup>	Grads Employed in Field <sup>2</sup>	Annual Salary and Wages Reported by Graduates Employed in the Field <sup>3</sup>				
			\$20,001 to \$25,000	\$25,001 to \$30,000	\$30,001 to \$35,000	\$35,001 to \$40,000	Students not Reporting Salary
2011	4	Unknown	0	0	0	0	4
2012	2	Unknown	0	0	0	0	2

<sup>1</sup> "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>2</sup> "Graduates employed in the field", means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

<sup>3</sup> Salary is as reported by the student. Not all graduates reported salary.

If you have any questions about how the data reflected on the above charts was gathered or if you want a list of employment positions determined to be within the field for any specific program for which statistics are reported above, please speak with an Admissions Representative.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

## SCHOOL PERFORMANCE FACT SHEET CALENDAR YEARS 2010 & 2011

### Completion Rates (includes data for the two calendar years prior to reporting)

#### **Masters of Arts in Management and Human Behavior – 50 Quarter Units**

Students completing within the published program length

Calendar Year	Start Year (100%) <sup>1</sup>	Number of Students Who Enrolled <sup>2</sup>	Students Available for Graduation <sup>3</sup>	Graduates <sup>4</sup>	Completion Rate <sup>5</sup>
2011	2008	2	2	2	100%
2012 <sup>8</sup>	2009	0	0	0	NA

Students that did not complete on schedule (100%) yet finished within 150% of the published program length

Calendar Year	Start Year (150%) <sup>6</sup>	Number of Students Enrolled <sup>2</sup>	Students Available for Graduation <sup>7</sup>	Graduates <sup>4</sup>	Completion Rate <sup>5</sup>
2011	2007	0	0	0	NA
2012	2008	0	0	0	NA

<sup>1</sup> "Start Year" is the year that is 3 years before the calendar year that performance facts are reported about. California Pacific University programs are self-paced and can be started at any time during the year.

<sup>2</sup> "Number of Students Who Began Program" is the number of students who began the program during the Start Year and who were scheduled to complete the program within the published program length.

<sup>3</sup> "Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.

<sup>4</sup> "Graduates" is the number of students who completed the program within the reporting calendar year.

<sup>5</sup> "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

<sup>6</sup> "Start Year" is the year that is 4 years before the calendar year. The numbers can include some students that enrolled in the program in the fall quarter 5 years before the calendar year.

<sup>7</sup> "Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have graduated on schedule, died, been incarcerated, or called to active military duty.

<sup>8</sup> During the time frame of this reporting period there was a change in ownership and a relocation of California Pacific University's main office; hence some of the programs were limited or on hiatus during this reporting period.

### **Placement Rates (includes data for the two calendar years prior to reporting) – Not applicable.**

Neither the institution nor representatives of the institution do not express or claim that the program is designed to prepare students for, a particular career, occupation, vocation, job, or job title and does not offer any placement services. (Reference: 94910 (b) Placement rates, as calculated pursuant to Article 16 (commencing with Section 94928), if the educational program is designed to lead to, or the institution makes any express or implied claim related to preparing students for, a particular career, occupation, vocation, job, or job title.)

### **Licensure Rates – Not applicable**

## Salary and Wage Information

Neither the institution nor representatives of the institution collect or track the salary of the graduates outside of what students volunteer to the institution.

Calendar Year	Grads Avail for Employment <sup>1</sup>	Grads Employed in Field <sup>2</sup>	Annual Salary and Wages Reported by Graduates Employed in the Field <sup>3</sup>				
			\$20,001 to \$25,000	\$25,001 to \$30,000	\$30,001 to \$35,000	\$35,001 to \$40,000	Students not Reporting Salary
2011	2	Unknown	0	0	0	0	2
2012	0	Unknown	0	0	0	0	0

<sup>1</sup> "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>2</sup> "Graduates employed in the field", means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

<sup>3</sup> Salary is as reported by the student. Not all graduates reported salary.

If you have any questions about how the data reflected on the above charts was gathered or if you want a list of employment positions determined to be within the field for any specific program for which statistics are reported above, please speak with an Admissions Representative.
