California College San Diego Examination Pass Rates

Calendar Year	Number of Students taking Exam ¹	Number who passed first time taken ²	Number who failed first time taken	Pass Rate ³
2011	129	75	54	58.1%
2012	140	83	57	59.3%

¹ Number of students who completed the program within 150% of the published length and who took the exam in the reported calendar year for the first time. ² Number of students who took and passed the licensing exam in the reported calendar year on the first attempt. ³ Pass rate is calculated by dividing the number of graduates who pass the exam the first time by the number of graduates who took the exam for the first time after completion of the program.

* This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time.
