2011	245	244	14	6%
2012	202	202	36	18%

¹“Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²“Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, have been incarcerated, or have been called to active military duty.

³“Graduates” is the number of students who completed the program within 100% of the published program length.

⁴“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

⁵“150% Graduates” is the number of students who completed the program within 101-150% of the published program length.

⁶“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

Initials: _____ Date: _____ I have read and understand the above completion rates.

2. Placement Rates (includes data for the two calendar years before reporting)

Placement Rate for Students Completing within 100% of the Published Program Length

Calendar Year	Number of Students Who Began Program ¹	Number of Graduates ²	Graduates Available for Employment ³	Graduates Employed in the Field ⁴	Placement Rate Employed in the Field ⁵	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week

Calendar Year	Number of Students Who Began Program ¹	Number of Graduates ²	Graduates Available for Employment ³	Graduates Employed in the Field ⁴	Placement Rate Employed in the Field ⁵	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2011	245	14	14	7	50%	5	2
2012	202	36	36	20	56%	13	7

¹“Number of Students Who Began Program” means the number of students who began a program who are scheduled to complete the program within the reporting calendar year.

²“Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students who leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴“Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program.

⁵Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

⁶150% Placement Rate is the rate calculated for students who completed the program within 101-150% of published program length.

This program is not represented to lead to any one particular outcome, including that specified in the program title. The placement rates calculated above are based on students finding employment in the multiple occupations or job titles listed for this program in the school catalog, or which, in the College’s judgment, meet the criteria discussed above. For further information regarding how the school calculated graduation or placement rates, or to obtain a list of employment positions determined to be within the field for which a student received education and training, see the Director of Career Services.

Initials: _____ Date: _____ I have read and understand the above placement information.

3. License Examination Passage Rates (includes data for the two calendar years before reporting) – NCLEX-PN

¹“Number of Students Taking Exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

²“Number Who Passed First Exam Taken” is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

³“Passage Rate” is calculated by dividing the number of graduates who pass the exam the first time they take it by the number of graduates who took the licensing exam for the first time after completion of the program.

Initials: _____ Date: _____ I have read and understand the above license examination rates.

4. Salary and Wage Information

Students may find a list of employment positions that the College has determined to be within the field for which they were trained in the school catalog. Kaplan College attempts to obtain salary information directly from its students in writing, by having them sign a placement verification form in person or via email. If the College cannot obtain salary information in writing, the campus will obtain it verbally from the graduate or employer.
