STUDENT INITIALS _____ Date _____

Placement Rate:

68% of the students that graduated by August 2010 went to work. Source: UEWM Student Records.

STUDENT INITIALS _____ Date _____

Certain cities have a Licensing Examination and some cities do not. You need to check which cities require an examination before applying for a license. Most cities require a varying number of hours of certified instruction with a state requirement of 250 hours of instruction.

STUDENT INITIALS _____ Date _____

Salary and Wage Rate: Using the first quarter of 2011 for Santa Clara County, EDD projected the hourly mean wage to be \$22.43. They have the 25th percentile hourly wage to be \$ 15.24, the Median Percentile to be \$19.46 and the 75th percentile to be \$31.29. They expect there to be on average 28 openings in Santa Clara County each year based on the first quarter of 2008. They expect employers in the Personal Care Services to grow by 20.3% and in the offices of other health practitioners to grow by 7.3% in Santa Clara County.

This Salary and Wage Rate Data came directly from the EDD web site and their Occupation Profile, California Labor Market Information System, which is available to you at www.edd.ca.gov and clicking on Labor Market Info on the tab at the top, then Choosing "California Occupational Guides" and using Keyword Search and putting in 1. "Massage Therapist" 2. Choosing "Santa Clara County" and 3. Choosing "View the Guide."

Objective wage/salary disclosures for massage therapists can be obtained from the above EDD web site by following the steps listed above. A reliable list of possible employment positions can be also found on the EDD web site above by following the steps above and then under "Job Openings from JobCentral National Labor Exchange" entering your zip code in the space provided and selecting a radius of miles you are willing to travel; then clicking on "Search Jobs."
