

SCHOOL PERFORMANCE FACT SHEET

Tractor - Trailer Operator Course - Calendar years 2011 and 2012

The California Private Postsecondary Education Act (CPPEA) of 2009, which was effective January 1, 2010, requires under section 94910 of CPPEA that a school provide information for each program offered in regards to, completion rates, placement rates, licensure exam passage rates, and salary/wage information. The following information is data compiled from January 1, 2010 to December 31, 2011.

Completion Rate

Year	Number of students who began program ¹	Students available for graduation ²	100% Graduates ³	Completion Rate ⁴
2011	61	56	51	91%
2012	65	54	50	92%

Students Completing After Published Program Length - 150%

Year	Number of students who began program	Students available for graduation	150% Graduates ⁵	150% Completion Rate ⁶
2011	61	56	50	89%
2012	65	54	50	92%

¹ "Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² "Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.

³ "Graduates" is the number of students who completed the program within 100% of the published program length.

⁴ "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

⁵ "150% Graduates" is the number of students who completed the program within 101-150% of the published program length.

⁶ "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

(Student Initial) _____ I have read and understand the information presented above. (Date) _____

Placement Rates :

Placement rates for those students who reported working information Calendar year	Number of students who began program ¹	Number of Graduates ²	Graduates available for employment ³	Graduates employed in the field ⁴	Placement rate % employed in the field ⁵	Graduates employed in the field an average of less than 32 hours per week	Graduates employed in the field at least 32 hours per week
2011	61	51	41	28	68%	*	28
2012	65	50	50	35	70%	8	35

¹ "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² "Number of Graduates" is the number of students who have completed the program within 100% of the published program length.

³ "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴ "Graduates Employed in the Field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵ Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

* Graduates did not report any data on working less than 32 hours per week.

(Student Initial) _____ I have read and understand the information presented above. (Date) _____

Examination Passage Rate :

Calendar Year	No. of students taking exam ¹	No. who passed first exam taken ²	No. who failed first exam taken ³	Passage Rate ⁴
2011	56	50	06	89%
2012	50	48	02	96%

¹ Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

² Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

³ Passage Rate is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program.
