* "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

** "Students available for graduation" equals the number of students who began the program minus the number of "Students unavailable for graduation," which means students who have died, been incarcerated, or called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited bureau-approved postsecondary institution.

*** "Graduates" is the number of students who have completed the program within 100% of the published program length.

**** Completion Rate is calculated by dividing the Number of Graduates by the Number of Students Available for Graduation.

***** 150% Completion Rate means the number of students completing the program within 101-150% of the published program length.

You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the completion rates shown in this School Performance Fact Sheet.

Completion Rates (Table 1)

Calendar Year	# of Student Who Began Program	Students Available for Graduation	Graduates	Completion Rate	150% Completion Rate
2011	18	18	18	100%	0
2012	49	49	49	100%	0

* "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

** "Students available for graduation" equals the number of students who began the program minus the number of "Students unavailable for graduation," which means students who have died, been incarcerated, or called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited bureau-approved postsecondary institution.

*** "Graduates" is the number of students who have completed the program within 100% of the published program length.

**** Completion Rate is calculated by dividing the Number of Graduates by the Number of Students Available for Graduation.

***** 150% Completion Rate means the number of students completing the program within 101-150% of the published program length.

You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the completion rates shown in this School Performance Fact Sheet.
