

San Francisco School of Digital Filmmaking BPPE - 2012 Performance Fact Sheet

Digital Filmmaking Program

100% of the students enrolled completed the program.

The completion rate was obtained by dividing the number of students who graduated by the number of students enrolled.

91% of the students were placed in the field of filmmaking.

The placement rate was determined by dividing the number of students employed in filmmaking by the number of available for employment.

**The salary earned by the graduates ranged from
\$10,000 to \$50,000.**

There is no express or implied claim about the salary that may be earned after the completion of the educational program. However this type of career often leads to self employment and or contract work.

The information on salary disclosure is obtainable from the admissions office.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.
