Section #2 – Information for Each Educational Program Offered at the Institution

This section is to be filled out for each educational program offered at the institution. Complete one of these sections for each educational program offered at the institution (make copies as necessary.) If an institution offers the same program at the main location and a branch location, add the data together and submit one number for the program being reported.

1. Report for Year 2013

2. Institution Code? (Indicate the Institution Code (If an institution has branch locations the institution code is the school code for the main location.) 3301391

3. Degree/Program Level? (Indicate the level of degree for the program you are entering, (e.g., Doctorate, Masters, Bachelor, Associate, diploma) if the program is not a degree Indicate "diploma".) Diploma Certificate

4. Degree/Program Title? (Indicate the title of the degree for the program you are entering e.g., Ph.D., Master of Science, Bachelor of Arts, Occupational Associate. If the program is not a degree, indicate the name of the certificate/diploma program.)

Diploma Certificate

5. Name of Program? (Indicate the name of the program e.g., Business Administration, Cosmetology, Medical Assisting.)

Paralegal

6. Number of Degrees or Diplomas Awarded? (Indicate the number of students receiving a degree or diploma for this program during the reporting year.) 24

7. Total Charges for this program? (Indicate the total charges for a student to complete the program within 100% of the program length. If the total charges fluctuated during the reporting year, indicate the highest amount charged for this program during the reporting year. Total charges include all amounts paid for the program. It includes books, uniforms or other charges if those charges are for costs that are required for participation in the educational program.)

\$ \$20,475

8. Number of Students Who Began the Program? (Indicate the number of students who began the program who are scheduled to complete the program in the year being reported, 5 CCR §74112(b)(1). If the institution has a main campus with branches and/or satellites, add the number of students who began the program who are scheduled to complete the program in the year being reported for all locations offering this particular program and report the combined number.) 43

9. Students Available for Graduation? (Indicate the number of students available for graduation for the program being reported. This number should be the number of students who began the program (#8 above) minus the number of students who have died, been incarcerated or been called to active military duty (CEC §94928(f) & (g).) 43

10. Graduates? (Of the students available for graduation (#9 above), indicate the number of students who completed the program within 100% of the published program period within the calendar year being reported (5 CCR §74112(b)(2).) 24

11. Completion Rate? (Indicate the number of graduates (from #10 above) divided by the number of students available for graduation (#9 above). **A "rate" is a percentage and should**

never be more than 100% (CEC §94929(a), 94928(f) & (g), and 5 CCR §74112(d).)

56%

12. 150% Completion Rate? (If the institution tracks 150% completion, indicate the number of students who completed the program after 100% of the published program length, but less than 151% of the published program length, divided by the number of students available for graduation (#9 above) **A “rate” is a mathematical calculation and should never be more than 100** (5 CCR §74112(d).) _____

13. Is the above data taken from the data that was reported to and calculated by the Integrated Postsecondary Education Data System (IPEDS) of the United States Department of Education? (Indicate “yes” if the information was taken from the data that was reported to IPEDS; Indicate “no” if it was not. If this institution does not participate in Title IV financial aid programs it most likely does not report to IPEDS.) Yes _____ No
