PHILOSOPHY

Northern California Nursing Academy directs students to succeed in their education and future career through our focus on teaching the values of the healthcare profession. Healthcare is about caring for people. Caring encompasses empathy for and connection with people. It is about upholding human dignity, integrity, autonomy, altruism, and social justice.

NCNA believes that we are the starting point of future health professionals who play a vital role in shaping the healthcare system of our nation. In the same way, we believe that every successful healthcare professional began with excellent education and training.

Northern California Nursing Academy is driven by our passion to teach and educate students. We ensure that every student is treated as an individual, who we prepare to be the best in the field and achieve their full potential.

MISSION AND VISION

Mission

Northern California Nursing Academy aims to provide high quality education that will prepare students to obtain a successful and stable career in the healthcare industry. We will utilize an honest and focused approach in our method of instruction as well as how we perform as an institution.

We will strive to make our students well equipped in passing certification examinations and obtain employment after completion of their program.

We will continuously develop our programs to reflect current information and with rules and regulations mandated by government agencies.

We will uphold our passion for educating students as we share our knowledge and success from our experiences as professionals in the healthcare industry.

Vision

Northern California Nursing Academy aims to be recognized as the premier provider of quality healthcare education in the State of California and in the Western Region. This will be achieved by expansion of healthcare programs and establishing school sites in various cities in California and the surrounding States.

We aspire to be identified as a source of talent by hospitals, long term care facilities, assisted living sites and private organizations. We will partner with institutions that will provide invaluable experience to our students, consequently making them highly proficient in their positions.

We want to be the best on what we do while we do what is best for our students.
PROSPECTIVE STUDENTS

NORTHERN CALIFORNIA NURSING ACADEMY
ACADEMIC POLICIES

Attendance Policy

Attendance is monitored and recorded daily. It is the responsibility of the student to notify the school in advance if they will be absent or late.

Elements of Satisfactory Attendance:

Absenteeism:
Students are expected to maintain a minimum of 90% of attendance throughout the enrollment period. *Excessive (more than 3 consecutive UNEXCUSED absences) will be subject to the probation and dismissal policy of NCNA.*

Excused Absences:
An EXCUSED absence is considered only when the student notifies the school on the day, or prior to the day of the absence. The student must notify the office or the instructor. The absence will be recorded as excused however, excused absences are included in the calculation to determine the minimum attendance requirement.

Examples would be extended illness, hospitalization, court appearances, death, verified accidents or military assignments.

The following circumstances are NOT considered excused absences:

- Vacation
- “No Call – No show”
- Cutting Classes
- Returning late after a scheduled break

Students with two (2) weeks consecutive EXCUSED absences without an approved request for leave of absence will be subject to the probation and dismissal policy of NCNA.

Tardiness: For the purpose of satisfactory attendance, students arriving more than 15 minutes late without a legitimate reason or excuse will be deducted one-hour of the total attendance scheduled for that day. Three (3) unexcused tardiness will constitute one (1) day of missed attendance.

Students arriving more than thirty (30) minutes after the scheduled start time of a classroom or clinical session may be sent home and not allowed into the class. Any student with excessive tardiness of six (6) times in a month can be terminated from the program, and will be subject to the probation and dismissal policy of NCNA.

Absences and/or tardiness within a program shall impact as student’s Progress Report and Evaluation.
The Administrator must verify completion of all clock hours to qualify the student to sit on the Licensing Exam and obtain Certification in their field.

**Make Up Class**

Making up a class/clinical/lab is not always an option. It is NCNA’s discretion to offer make up classes depending on the availability of instructions. If make up time is required in a program, a project or a written assignment may be given.

**Leave of Absence**

Leave of Absence (LOA) may be granted to students for serious illness, death in the family, or other emergency circumstances. Leave of Absence requests must be submitted in writing to the administration. Only one written request for a Leave of Absence will be considered during an enrollment period. The maximum time granted for a LOA is thirty (30) calendar days. Failure to report to class as scheduled ending the LOA period will result in automatic withdrawal from the program. Any students making regularly scheduled tuition payments to the school remain under that financial obligation during a LOA.

LOA request is NOT allowed for the following short-term programs:

1. Nursing Assistant
2. Home Health Aide
3. Acute Care Nursing Assistant
4. EKG Technician
5. In Home Support Service Provider/ Caregiving

**Standards for Achievement**

STUDENTS’ RIGHTS

Cancellation Policy

Students have the right to cancel enrollment in a program of instruction including any equipment such as books, materials and supplies or any other goods related the instruction offered, through attendance at the first class session, or the seventh day after enrollment, whichever is later.

Cancellation shall occur when you give written notice of cancellation at the address of the school. Students can cancel by mail or hand delivery. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid.

If the School has given any equipment, including books or other materials, students shall return it to the School within 5 days following the date of the notice of cancellation. If the student fails to return this equipment, including books, or other materials, in good condition within the 5-day period, the school may deduct its documented cost for the equipment from any refund that may be due. Once the student pays for the equipment, it is for students to keep without further obligation.

Rejection: An applicant rejected by the school is entitled to a refund of all monies paid.

Cancellation: An applicant who provides written notice of cancellation 3 days after enrollment and/or before the first class session is entitled to a full refund, excluding the $75 non-refundable registration fee and $25 processing fee.

Other Cancellations: An application requesting cancellation more than the allowed time period and after making an initial payment, will be entitled to a refund calculated by the number of hours attended.

Withdrawal Policy

After the end of the cancellation period, students have the right to drop the program and have the right to receive a pro rata refund IF the student has ONLY completed forty percent (40%) or less of a program.

The amount of the refund is to be pro-rated according to the portion that has not been completed less the cost of any equipment returned in good condition (good condition does not include equipment that a seal is broken, log-on occurred, or is marked or damaged in any way) and the registration fee. See Appendix B for Refund Calculation.

Withdrawal from a program may occur when the student provides a written notice to the school’s address. This can be done by mail or by hand delivery. The written notice of withdrawal, if sent by mail, will be effective upon receipt by the administrative office. It is strongly advice to send via registered mail when mailing.
**Withdrawal Procedure:**

A. A student choosing to withdraw from the school after the commencement of classes is to provide a written notice to the Administrator of the School. The notice must include the expected last date of attendance and be signed and dated by the student.

B. If special circumstances arise, a student may request, in writing, a leave of absence, which should include the date the student anticipates the leave beginning and ending. The withdrawal date will be the date the student is scheduled to return to from the leave of absence but fails to do so.

C. A student will be determined to be withdrawn from the institution if the student misses three (3) consecutive instructional days and all of the days are unexcused.

D. All refund must be submitted within 15 days of the determination of the withdrawal date.

**Grievance Policy**

Northern California Nursing Academy designates the Administrator to receive and resolve all student complaints. She/he shall be accessible for reasonable periods of time before or after class sessions and during the range of time in which students are scheduled to attend the program.

A student may submit a complaint in writing/orally to any school official who is responsible in reporting complaints to Administrator for resolution. Within 10 days upon receipt of a written complaint, a summary of the investigation and disposition will be provided and if applicable, the reasons for rejection. The disposition of the student’s complaint shall not limit or waive any of the student’s rights or remedies.

The Administrator shall:

1. Investigate the complaint thoroughly, including conducting interviews with people involved and reviewing all documents relating or may potentially relate to the complaint.
2. Reject the complaint if, after investigation, was deemed unfounded or to compromise or resolve the complaint in any reasonable manner, including the payment of a refund.
3. Record a summary of the complaint, its disposition and reasons: place a copy of the summary, along with any other documents, in the student’s file, and make an appropriate entry in the log of student complaints.
4. If complaint is valid, involves violation of law and is not resolved within 30 days after it was first made by the student, notify the Bureau, the State Agency, the accrediting association, and law enforcement authorities of the complaint, investigation and resolution. The School Administrator is not required to disclose any matter to the extent of his privilege.

5. If the complaint is valid, determine what other students, if any, may have been affected by the same or similar circumstances and provide an appropriate remedy for those students.

6. Implement reasonable policies or procedures to avoid similar complaints in the future.

7. Communicate directly to any person in control regarding complaints, their investigation and resolution or lack thereof.

**STUDENT SERVICES**

ADMINISTRATIVE POLICIES

School Property
No NCNA employee engaged in outside remunerative activities shall use, in connection therewith, the official stationery, supplies, equipment, or personnel services of the school. Further, no employee shall accept pay from private persons or corporations for tests, essay, lab analysis, computer, programming, or other work of a routine character which involves the use of property owned by the school.

The school’s property, including equipment and furnishings is for the primary use of NCNA community including recognized student, faculty, and staff organizations.

Use of computer, phone and internet of NCNA should be restricted to academic use unless for emergency purposes.

Drugs, Alcohol and Tobacco Use
It is the policy of Northern California Nursing Academy to provide a safe and healthy environment for all members of the school. Each member is entitled to work, study, and play in an environment free from involuntary exposure to health and safety hazards.

The use of drugs, alcohol and tobacco indoors and outdoors are strictly prohibited.

Non-Discrimination
No student of Northern California Nursing Academy shall, on the grounds of race, color, national origin, religion, sex, age, or disability, be excluded from participation in, be denied the benefits of or be subjected to discrimination under any NCNA program or activity.

If a student feels that he/she has been discriminated against on the basis of any of the conditions listed above, he/she may file a complaint with the Administrator.

Sexual Harassment
Northern California Nursing Academy is committed to creating and maintaining a community where all persons who participate in the programs and activities can work and learn together in an atmosphere free of all forms of harassment, exploitation, intimidation, or discrimination.

NCNA will respond promptly and effectively to reports of sexual harassment and take appropriate action to prevent, correct, and if necessary, impose discipline for behavior that violates this policy. Retaliation against a person who reports sexual harassment, helps someone with a report of sexual harassment, or takes any part in an investigation or resolution of a sexual harassment report is prohibited.

Gifts and Gratuities
To avoid the appearance of favoritism, no officer, faculty or employee of NCNA should accept any gift or gratuity from students during the course of the program. Students are limited to give gifts
after completion of the program. NCNA does not allow officers and faculty to receive cash. Any item that is valued over $100 must be reported to the Administrator.

**Copyright**

Faculty or staff in charge of a program or project involving copying or exercise of any other copyrights are responsible for assuring, to the best of their ability, that the activities are in compliance with the requirements of federal and state law.

Northern California Nursing Academy reserves the right to receive a free, nonexclusive, worldwide, and irrevocable license to use any copyright-protected material produced by a school employee in connection with his or her employment, whether or not NCNA resources were used for its development.

**Privacy of Student Records**

Students’ rights of privacy are guaranteed by the California State Constitution, the California Information Practices Act (IPA), the California Public Records Act (PRA), Family Educational Rights and Privacy Act (FERPA) and this policy.

1. Confidential personally identifiable information from student records may not be disclosed without the student's prior consent.
2. Directory information may be released without a student's prior consent unless the student notifies the campus in writing that either his/her address and phone number, or all categories of information about the student, may not be disclosed.
3. Grades may not be posted and graded papers or examinations may not be distributed in public locations via methods that disclose confidential information unless the students give prior written consent.

**Emergency Policy**

During an emergency, the school’s priorities are to save lives, protect property, continue critical business functions necessary to continue its mission until the emergency has abated, and return to normal operations as soon as possible.

All campus resources may be made available for response and recovery actions during a declared emergency.

The Administrator may declare a school-wide state of emergency when the following conditions exist: Emergency conditions on or within the vicinity as a result of a natural or man-made disaster, a civil disorder which poses the threat of serious injury to persons or damage to property, or based on other seriously disruptive events.

Notification of a declaration of a state of emergency will be made as soon as possible to the community, including the local, county and other emergency services.

**DISQUALIFYING PENAL CODE SECTIONS**

If you have been convicted of any of the penal codes listed, CNA/HHA applicants will be automatically denied certification or ICF/DD, DDH, or DDN applicants will be denied employment.

All CNA/HHA applicants should review this list carefully to avoid wasting their time, effort and money by training, testing and submission of fingerprints since they cannot receive the required criminal background clearance if they have been convicted of any of these violations.

Certification of applicants with convictions on this list MAY be reconsidered by ATCS only if misdemeanor actions have been dismissed by a court of law or a Certificate of Rehabilitation has been obtained for felony convictions. Any other convictions, other than minor traffic violations, must also be reviewed by ATCS.

I have received, reviewed and understood the Disqualifying Penal Code Sections. Automatic disqualification or denial of issuance of certificate shall occur if a criminal conviction under the Penal Code Section has not been disclosed. In cases wherein a criminal record was not under the disqualifying list of Penal codes, the Department of Health still reserves the right to deny issuance of certificate.

HYPOTHETICAL REFUND EXAMPLE

Assume that a student, upon enrollment in a 400-hour course, pays $2,000.00 for tuition, $75.00 for registration and $150.00, documented cost to school for equipment as specified in the enrollment agreement and withdraws after completing 100 hours without returning the equipment he/she obtained. The pro rata refund to the student would be $1,500.00 based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the school shall refund the charge for the equipment paid by the student.

\[
\begin{align*}
$1,225 & \text{ total paid} - $75 \text{ registration fee} = $2,150 \text{ (Amount the school may retain)} \\
$2,150 - $150 \text{ (documented cost of unreturned equipment)} & = $2,000 \text{ total refundable amount} \\
$2,000 \div 400 \text{ hours in the program} & = $5.00 \text{ hourly charge for the program} \\
$5.00 \times 100 \text{ hours of instruction attended} & = $500 \text{ owed by the student for instruction received} \\
$2,000 - $500 & = $1,500 \text{ total refund amount*} \\
\end{align*}
\]

*If the student returns the equipment in good condition, allowing for reasonable wear and tear, the actual refund to the student would be $1650 ($1500 + $150)

For the purpose of determining the amount you owe for the time you attended, you shall be deemed to have withdrawn from the course when any of the following occurs:

1. You notify the school of your withdrawal or the actual date of withdrawal.
2. The school terminates your enrollment.
3. You fail to attend classes for a three day period. In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.
Appendix C

STUDENT TUITION RECOVERY FUND

You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you:

1. You are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all of part of your tuition either by cash, guaranteed student loans, or personal loans, and
2. Your total charges are not paid by any third-party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment if either of the following applies:

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in educational programs who are California residents, or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary Education.

You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid STRF assessment, and suffered an economic loss as a result of any of the following:

1. The school closed before the course of instruction was completed.
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

The school’s failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.

3. The school’s failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
4. There was a material failure to comply with the Act or the Division within 30-days before the school closed or, if the material failure began earlier than 30-days prior to closure, the period determined by the Bureau.
5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act."

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

It is important that enrollees keep a copy of any enrollment agreement, contract, or application to document enrollment, tuition receipts, or canceled checks. They are encouraged to document the total amount of tuition paid and records that will show the percentage of the course which has been completed. Such records would substantiate a claim for reimbursement from the STRF, which, to be considered, must be filed within sixty (60) days following school closure.

**STRF fees are $0.50 per $1,000 of tuition**
