The California Private Postsecondary Education Act (CPPEA) of 2009 states that each institution that offers an educational program designed to lead to a particular career, occupation, vocation, trade, job, or job title shall disclose the wage and salary data for the particular career, occupation, trade, job or job title, as provided by the Employment Development Department's Occupational Employment Statistics, if that data is available. Statistics are not available for employment wage information as they pertain to an academic credential such as, Bachelor of Business Administration, Masters of Business Administration and Doctor of Business Administration.

To obtain a description of the manner the above statistics were gathered, or to obtain a list of employment positions determined to be within the field with regards to job placement of graduates, please contact the enrollment representative. Wage and salary data will be gathered using: the graduate employment statistic, when available, the Employment Development Department's Occupational Employment Statistics, and thee U.S. Bureau for Labor Statics.

The fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any question a student may have regarding this fact sheet that have not been satisfactory answered by the institution, may be directed to the Bureau for Private Postsecondary Education at: P.O. Box 980818, Sacramento, CA 95798-0818, www.bppe.ca.gov, Ph: 916-574-47720.

I have read and understand this School Performance Fact Sheet. The School Performance Fact Sheet was reviewed and discussed with the school official prior to signing an enrollment agreement.
