Adverse decisions are those such as probation, dismissal or suspension. The appeal must file in writing. The institution's director will review the decision and notify the student within 10 days of any decision on the appeal. All appeal decisions are final. If the student disagrees with the appeal decision, the student has a right to file a complaint with the BPPVE as stated above.

STUDENT TUITION RECOVERY FUND

The Student Tuition Recovery Fund (STRF) was established by the Legislature to protect any California resident who attends a private Postsecondary institution from losing money if you prepaid tuition and suffered a financial loss as a result of the school closing, failing to live up to its enrollment agreement, or refusing to pay a court judgment.

To be eligible for STRF, you must be a "California resident" and reside in California at the time the enrollment agreement is signed or when you receive lessons at a California mailing address from an approved institution offering correspondence instruction. Students who are temporarily residing in California for the sole purpose of pursuing an education, specifically those who hold student visas, are not considered a "California resident."

To qualify for STRF reimbursement you must file a STRF application within one year of receiving notice from the Council that the school is closed. If you do not receive notice from the Council, you have 4 years from the date of closure to file a STRF application. If a judgment is obtained you must file a STRF application within two years of the final judgment.

It is important that you keep copies of the enrollment agreement, financial aid papers, receipts or any other information that documents the Money paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary and Vocational Education, 2535 Capitol Oaks Drive, Suite #400, Sacramento, CA 95833 P.O.
