SCHOOL PERFORMANCE FACT SHEET
Calendar Years 2012 & 2013

Completion Rates *(includes data for the two calendar years prior to reporting)*

Microsoft Office Specialist (MOS) Program – 15 Weeks

Calendar Year	Number of Students Who Began Program[1]	Students Available for Graduation[2]	Graduates[3]	Completion Rate[4]
2013	2	2	2	100%
2014	5	5	5	100%

Students Completing After Published Program Length – 150% Completion Rate

Microsoft Office Specialist (MOS) Program – 15 Weeks

Calendar Year	Number of Students Who Began Program[1]	Students Available for Graduation[2]	150% Graduates[5]	150% Completion Rate[6]
2013	2	2	0	0%
2014	5	5	0	0%

[1] "Number of Students Who Began Program" means the number of students who began a program who are scheduled to complete the program within 100% of the published program length within the reporting calendar year, and includes all the students who remained enrolled after their cancellation period.

[2] "Students Available for Graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.

[3] "Graduates" is the number of students who completed the program within 100% of the published program length.

[4] "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

[5] "150% Graduates" is the number of students who completed the program within 101-150% of the published program length.

[6] "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

Initials: _____ **Date**: _____ I have read and understand the above completion rates.

<u>**Placement Rates**</u> *(includes data for the two calendar years prior to reporting)*

Microsoft Office Specialist (MOS) Program – 15 Weeks

Calendar Year	Number of Students Who Began Program[1]	Number of Graduates[2]	Graduates Available for Employment[3]	Graduates Employed in the Field[4]	Placement Rate % Employed in the Field[5]	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2013	2	2	2	2	100%	0	0
2014	5	5	5	4	80%	0	4

[1] "Number of Students Who Began Program" means the number of students who began a program who are scheduled to complete the program within the reporting calendar year.

[2] "Number of Graduates" means the number of students who have completed the program within 100% of the published program length.

[3] "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

[4] "Graduates Employed in the Field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

[5] Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Initials: _____ **Date**: _____ I have read and understand the above placement information.

Licensure Rates

License Examination Passage Rates (not continually administered tests)

Based on students completing the program within 150% of the published program length in the report year.

Microsoft Office Specialist (MOS) Program – 15 Weeks

Exam Date[2]	# Taking Exam[1]	# Who Passed Exam	# Who Failed Exam	Passage Rate[3]
0	0	0	0	0

If applicable: License examination passage data is not available from the state agency administering the examination. We were unable to collect data from graduates.

[1] "# Taking Exam" is the number of students who completed the program within 150% of published program length and for whom the reported exam is the first exam that was available after their completion of the program.

[2] "Exam Date" is the date for the first available exam after the students completed the program.

[3] "Passage Rate" is calculated by dividing the number of students who pass the exam by the number of graduates who take the reported licensing exam.

Initials: _____ **Date**: _____ I have read and understand the above license examination rates.

License Examination Passage Rates (continually administered tests)

Based on students completing the program within 150% of the published program length in the report year.

Microsoft Office Specialist (MOS) Program – 15 Weeks

Calendar Year	# Taking Exam[1]	# Who Passed First Exam[2]	# Who Failed Exam	Passage Rate[3]
2013	0	0	0	0
2014	0	0	0	0

If applicable: License examination passage data is not available from the state agency administering the examination. We were unable to collect data from graduates.

[1] "# Taking Exam" is the number of students who completed the program within 150% of published program length and for whom the reported exam is the first exam that was available after their completion of the program.

[2] "# Who Passed First Exam" is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

[3] "Passage Rate" is calculated by dividing the number of students who pass the exam by the number of graduates who take the reported licensing exam.

Initials: _____ **Date**: _____ I have read and understand the above license examination rates.

Salary and Wage Information

Microsoft Office Specialist (MOS) Program – 15 Weeks

Annual Salary and Wages Reported Graduates Employed in the Field[3]

Calendar Year	Graduates Available for Employment[1]	Graduates Employed in the Field[2]	$15,000 - $24,999	$25,000 - $34,999	$35,000 - $44,999	$45,000 - Above	Students not Reporting Salary
2013	2	2	0	0	0	0	2
2013	5	4	0	0	0	0	4

Students are entitled to a list of objective sources of information used to substantiate the salary disclosure. To obtain this list, please contact a school representative.

Initials: _____ Date: _____ I have read and understand the above salary and wage information.

[1] "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States of do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
[2] "Graduates Employed in Field" means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.
[3] Salary is reported by the student. Not all graduates reported salary.

Salary and Wage Information – Not Applicable

The institution nor representatives of the institution make any expressed or implied claim about the salary that may be earned after completing the educational program.

Initials: _____ **Date**: _____ I have read and understand the above salary and wage information.

If you have any questions about how the data reflected on the above charts was gathered or if you want a list of employment positions determined to be within the field for any specific program for which statistics are reported above, please speak with an Educational Consultant.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, www.bppe.ca.gov, Phone: (916) 574-7720, Fax: (916) 574-8648.

SCHOOL PERFORMANCE FACT SHEET
Calendar Years 2012 & 2013

Completion Rates *(includes data for the two calendar years prior to reporting)*

Security Technician Program – 20 Weeks

Calendar Year	Number of Students Who Began Program[1]	Students Available for Graduation[2]	Graduates[3]	Completion Rate[4]
2013	1	0	0	0%
2014	1	1	1	100%

Students Completing After Published Program Length – 150% Completion Rate

Security Technician Program – 20 Weeks

Calendar Year	Number of Students Who Began Program[1]	Students Available for Graduation[2]	150% Graduates[5]	150% Completion Rate[6]
2013	1	0	0	0
2014	1	1	0	0

[1] "Number of Students Who Began Program" means the number of students who began a program who are scheduled to complete the program within 100% of the published program length within the reporting calendar year, and includes all the students who remained enrolled after their cancellation period.

[2] "Students Available for Graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.

[3] "Graduates" is the number of students who completed the program within 100% of the published program length.

[4] "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

[5] "150% Graduates" is the number of students who completed the program within 101-150% of the published program length.

[6] "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

Initials: _____ **Date**: _____ I have read and understand the above completion rates.

Placement Rates *(includes data for the two calendar years prior to reporting)*

Security Technician Program – 20 Weeks

Calendar Year	Number of Students Who Began Program[1]	Number of Graduates[2]	Graduates Available for Employ-ment[3]	Graduates Employed in the Field[4]	Place-ment Rate % Employed in the Field[5]	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2013	1	0	0	0	0	0	0
2014	1	1	1	1	100%	0	1

[1] "Number of Students Who Began Program" means the number of students who began a program who are scheduled to complete the program within the reporting calendar year.

[2] "Number of Graduates" means the number of students who have completed the program within 100% of the published program length.

[3] "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

[4] "Graduates Employed in the Field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

[5] Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Initials: _____ **Date**: _____ I have read and understand the above placement information.

Licensure Rates

License Examination Passage Rates (not continually administered tests)
Based on students completing the program within 150% of the published program length in the report year.

Security Technician Program – 20 Weeks

Exam Date[2]	# Taking Exam[1]	# Who Passed Exam	# Who Failed Exam	Passage Rate[3]
0	0	0	0	0

License examination passage data is not available from the state agency administering the examination. We were unable to collect data from graduates.

[1] "# Taking Exam" is the number of students who completed the program within 150% of published program length and for whom the reported exam is the first exam that was available after their completion of the program.
[2] "Exam Date" is the date for the first available exam after the students completed the program.
[3] "Passage Rate" is calculated by dividing the number of students who pass the exam by the number of graduates who take the reported licensing exam.

Initials: _____ **Date**: _____ I have read and understand the above license examination rates.

License Examination Passage Rates (continually administered tests)
Based on students completing the program within 150% of the published program length in the report year.

Security Technician Program – 20 Weeks

Calendar Year	# Taking Exam[1]	# Who Passed First Exam[2]	# Who Failed Exam	Passage Rate[3]
2013	0	0	0	0
2014	0	0	0	0

If applicable: License examination passage data is not available from the state agency administering the examination. We were unable to collect data from graduates.

[1] "# Taking Exam" is the number of students who completed the program within 150% of published program length and for whom the reported exam is the first exam that was available after their completion of the program.
[2] "# Who Passed First Exam" is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.
[3] "Passage Rate" is calculated by dividing the number of students who pass the exam by the number of graduates who take the reported licensing exam.

Initials: _____ **Date**: _____ I have read and understand the above license examination rates.

Placement Rates *(includes data for the two calendar years prior to reporting)*

Database Administrator Program – 28 Weeks

Calendar Year	Number of Students Who Began Program[1]	Number of Graduates[2]	Graduates Available for Employment[3]	Graduates Employed in the Field[4]	Placement Rate % Employed in the Field[5]	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2013	1	1	1	0	0	0	0
2014	0	0	0	0	0	0	0

[1] "Number of Students Who Began Program" means the number of students who began a program who are scheduled to complete the program within the reporting calendar year.

[2] "Number of Graduates" means the number of students who have completed the program within 100% of the published program length.

[3] "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

[4] "Graduates Employed in the Field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

[5] Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Initials: _____ **Date**: _____ I have read and understand the above placement information.

Licensure Rates

License Examination Passage Rates (not continually administered tests)
Based on students completing the program within 150% of the published program length in the report year.

SCHOOL PERFORMANCE FACT SHEET
Calendar Years 2012 & 2013

Completion Rates *(includes data for the two calendar years prior to reporting)*

20417 Upgrading your Skills to MCSA Windows Server 2012 – 5 Weeks

Calendar Year	Number of Students Who Began Program[1]	Students Available for Graduation[2]	Graduates[3]	Completion Rate[4]
2013	0	0	0	0
2014	0	0	0	0

Students Completing After Published Program Length – 150% Completion Rate

20417 Upgrading your Skills to MCSA Windows Server 2012 – 5 Weeks

Calendar Year	Number of Students Who Began Program[1]	Students Available for Graduation[2]	150% Graduates[5]	150% Completion Rate[6]
2013	0	0	0	0
2014	0	0	0	0

[1] "Number of Students Who Began Program" means the number of students who began a program who are scheduled to complete the program within 100% of the published program length within the reporting calendar year, and includes all the students who remained enrolled after their cancellation period.

[2] "Students Available for Graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.

[3] "Graduates" is the number of students who completed the program within 100% of the published program length.

[4] "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

[5] "150% Graduates" is the number of students who completed the program within 101-150% of the published program length.

[6] "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

Initials: _____ **Date**: _____ I have read and understand the above completion rates.

Placement Rates *(includes data for the two calendar years prior to reporting)*

20417 Upgrading your Skills to MCSA Windows Server 2012 – 5 Weeks

Calendar Year	Number of Students Who Began Program[1]	Number of Graduates[2]	Graduates Available for Employ-ment[3]	Graduates Employed in the Field[4]	Place-ment Rate % Employed in the Field[5]	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2013	0	0	0	0	0	0	0
2014	0	0	0	0	0	0	0

[1] "Number of Students Who Began Program" means the number of students who began a program who are scheduled to complete the program within the reporting calendar year.

[2] "Number of Graduates" means the number of students who have completed the program within 100% of the published program length.

[3] "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

[4] "Graduates Employed in the Field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

[5] Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Initials: _____ **Date**: _____ I have read and understand the above placement information.

Licensure Rates

License Examination Passage Rates (not continually administered tests)
Based on students completing the program within 150% of the published program length in the report year.

20417 Upgrading your Skills to MCSA Windows Server 2012 – 5 Weeks

Exam Date[2]	# Taking Exam[1]	# Who Passed Exam	# Who Failed Exam	Passage Rate[3]
0	0	0	0	0

If applicable: License examination passage data is not available from the state agency administering the examination. We were unable to collect data from graduates.

If applicable: *This program is new. Therefore, the number of students who graduate, the number of student who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

[1] "# Taking Exam" is the number of students who completed the program within 150% of published program length and for whom the reported exam is the first exam that was available after their completion of the program.
[2] "Exam Date" is the date for the first available exam after the students completed the program.
[3] "Passage Rate" is calculated by dividing the number of students who pass the exam by the number of graduates who take the reported licensing exam.

Initials: _____ **Date**: _____ I have read and understand the above license examination rates.

License Examination Passage Rates (continually administered tests)
Based on students completing the program within 150% of the published program length in the report year.

20417 Upgrading your Skills to MCSA Windows Server 2012 – 5 Weeks

Initials: _____ Date: _____ I have read and understand the above salary and wage information.

[1] "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States of do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
[2] "Graduates Employed in Field" means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.
[3] Salary is reported by the student. Not all graduates reported salary.

<u>**Salary and Wage Information – Not Applicable**</u>

The institution nor representatives of the institution make any expressed or implied claim about the salary that may be earned after completing the educational program.

Initials: _____ **Date**: _____ I have read and understand the above salary and wage information.

If you have any questions about how the data reflected on the above charts was gathered or if you want a list of employment positions determined to be within the field for any specific program for which statistics are reported above, please speak with an Educational Consultant.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Enrolled - Number of students who began a given program.

Withdrawn - Number of students who DROPPED or did not successfully complete the given program.

Completed - Number of students who completed the program and earned a certificate during the calendar year of 2013.

Completion Rates - Are based upon the number and percentage of students who began a given program and suceesfully completed the entire program. The number is based upon completion certificates divided by the number of students that entered the given program.

Placed in Field - Means graduates who completed their programs in 2014 and report that they are gainfully employed within 6 months of graduation in a position for which the skills obtained through the education and training provided by the institution provided a significant advantage to the graduate in obtaining the position.

Supporting documentation including description of the manner in which the figures described in this document have been calculated, actual completion, salary and employment statistics to include a list of employment positions or actual employers is available from New Horizons Career Services department.
