BEFORE THE
DEPARTMENT OF CONSUMER AFFAIRS
FOR THE BUREAU FOR PRIVATE POSTSECONDARY EDUCATION
STATE OF CALIFORNIA

In the Matter of the Statement of Issues
Against:
SAFEWAY TRUCK DRIVING SCHOOL;
BALWINDER KAUR, owner
AMENDED STATEMENT OF ISSUES
Respondent.

Complainant alleges:

PARTIES
1. Joanne Wenzel (Complainant) brings this Statement of Issues solely in her official
capacity as the Chief of the Bureau for Private Postsecondary Education ("Bureau"), Department
of Consumer Affairs.

2. On or about March 2, 2012, the Bureau received an Application for Renewal of
Approval to Operate and Offer Educational Programs for Non-Accredited Institutions (#24501)
from Balwinder Kaur, owner (Respondent). On or about February 29, 2012, Respondent certified
under penalty of perjury to the truthfulness of all statements, answers, and representations in the
application. On or about March 20, 2012, the Bureau mailed a deficiency to Respondent.

Subsequently, Respondent submitted addendums or additional documentation to address the
deficiencies. Five subsequent deficiency notices were sent to Respondent. Each time Respondent attempted to modify the deficient items on the application. The Bureau denied application #24501 on October 12, 2012.

15. California Code of Regulations, title 5, division 7.5, section 71770, subdivision (b) states:
"(b) The institution shall specify the maximum credit it will transfer from another
institution for each educational program, and the basis upon which the transferred credit will be

combination of any or both of the following:

(A) Units earned at institutions approved by the Bureau, public or private institutions of
higher learning accredited by an accrediting association recognized by the U. S. Department of
Education, or any institution of higher learning, including foreign institutions, if the institution
offering the undergraduate program documents that the institution of higher learning at which the
units were earned offers degree programs equivalent to degree programs approved by the Bureau

(B) Challenge examinations and standardized tests such as the College Level
Placement Tests (CLEP) for specific academic disciplines.

institution may be credited toward a doctoral degree. This subdivision does not apply to graduate
programs that lead to a profession or an occupation requiring state licensure where the licensing
agency has a regulation permitting a different standard."

16. California Code of Regulations, title 5, division 7.5, section 71800 provides the
minimal information required within the enrollment agreement in addition to the requirements of
section 94911 and states:

"In addition to the requirements of section 94911 of the Code, an institution shall provide to
each student an enrollment agreement that contains at least the following information:

(a) The name and address of the institution and the addresses where instruction will be
provided."
(b) Period covered by the enrollment agreement.
(c) Program start date and scheduled completion date.

to section 94921 of the Code.
(e) Itemization of all institutional charges and fees including, as applicable:
   (1) tuition;
   (2) registration fee (non-refundable);

   (6) uniforms or other special protective clothing;
   (7) in-resident housing;
   (8) tutoring;
   (9) assessment fees for transfer of credits;
   (10) fees to transfer credits;
   (11) Student Tuition Recovery Fund fee (non-refundable);
   (12) any other institutional charge or fee,
(f) Charges paid to an entity other than an institution that is specifically required for
   participation in the educational program."

17. California Code of Regulations, title 5, division 7.5, section 71810 provides minimum
content requirements for the school's catalog pursuant to Education Code section 94909 and
states in pertinent part:
   "(b) The catalog shall contain the information prescribed by Section 94909 of the Code and
all of the following:
   (2) A statement of the institution's missions and purposes and the objectives underlying
each of its educational programs;"

***
(13) Housing information including all of the following:
(A) Whether the institution has dormitory facilities under its control;
(B) The availability of housing located reasonably near the institution’s facilities and an estimation of the approximate cost or range of cost of the housing; and
(C) If the institution has no responsibility to find or assist a student in finding housing, a clear and conspicuous statement so indicating. A statement that the program is "non-residential" does not satisfy this subparagraph.

18. California Code of Regulations, title 5, division 7.5, section 76120 provides:
   (a) Each qualifying institution shall collect an assessment of fifty cents ($ .50) per one thousand dollars ($1,000) of institutional charges, rounded to the nearest thousand dollars, from each student in an educational program who is a California resident or is enrolled in a residency program. For institutional charges of one thousand dollars ($1,000) or less, the assessment is fifty cents ($ .50).
   (b) Unless a student has a separate agreement to repay the third party, a student whose costs are paid to the institution by third-party payer shall not pay the STRF assessment to the qualifying institution.
   (c) Except when an institution provides a 100% refund pursuant to section 94919(d) or section 94920(b) of the Code, the assessment is non-refundable.

CAUSES FOR DENIAL OF APPLICATION
(Incomplete Application)

19. Respondent’s application is subject to denial under Business and Professions Code sections 480, subdivision (a)(3)(A), Education Code section 94887 and California Code of Regulations, title 5, division 7.5, section 71100, subdivisions (a) – (c), in that on or about March 20, 2012, and prior to said point in time, Respondent submitted an incomplete application to the Bureau, each ground is a sole and separate cause for denial. The grounds are as follows:
   a. Application Deficiencies. Respondent’s financial statements do not demonstrate compliance. The ratio of current total assets to total current liabilities is .60 to 1.00. The institution resubmitted the financial reports on December 19, 2012; the table of contents indicates
the report should consist of 11 pages; however pages 5, 6, 10 and 11 are not included. In review of the incomplete financial statements, the difference between the previously submitted and the most recently submitted financials lies within the total current liabilities; the older set of financials indicates the total current liabilities total $60,940.41 and the new set indicate that same as $23,621.00. The new set of financials separates accounts payable and "Current Portion-Long Term debt". The Statement of Cash Flows also differs in that the older set of financials indicates accounts payable in the amount of $89,893.35 and the new set of financials indicates the same in the amount of $56,126.35. Also in the statement of cash flows section, the older financials do not include an amount for "Owner's Draw" in the "Cash Flows from Financing Activities"; the new set of financials list this category in the amount of $39,967.00. Page 8 of the Notes to Financial Statements (note 6) indicates on the old set of financials that the institution has no long term debt. However the new set of financial statements indicates $3,200 for "Current Portion of Long Term Debt" and $39,319 for "Long Term Portion of Long Term Debt". The institution resubmitted financial statements on March 20, 2013. The statements are for the nine months ended September 30, 2012. The table of contents indicates that the Independent Accountants Report is included, along with balance sheets on pages 1 and 2, Statement of Income on page 3, Statement of Cash Flows on page 4 and Notes to Financial Statements on pages 5 – 11. The discrepancies are that the Statement of Cash Flows is listed as page 1, and pages 10 and 11 of the Notes to Financial Statements have not been included. The foregoing acts and omissions constitute violations of California Code of Regulations, title 5, division 7.5, section 71745(a)(6).

b. **Catalog Deficiencies.** Respondent failed to provide a catalog that contains admission policies regarding the ability-to-benefit exam for students, violating Education Code section 94909, subd. (a)(8)(A) and California Code of Regulations, title 5, division 7.5, section 71770, subdivision (b)(1-3).

c. **Catalog Deficiencies.** Respondent failed to provide a catalog that contains Housing information to include all of the following: (B) The availability of housing located reasonably near the institution's facilities and an estimation of the approximate cost or range of cost of the housing, violating California Code of Regulations, title 5, division 7.5, section 71810,
d. **Catalog Deficiencies.** Respondent failed to provide a catalog that requires the following specific language: "Any questions a student may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, www.bppe.ca.gov, toll-free telephone number (888) 370-7589 or by fax (916) 263-1897." This disclosure appears twice; once on page 1 (which is stated correctly) and again on page 8. Page 8 mistakenly makes reference to questions regarding the enrollment agreement instead of the catalog and is in violation of Education Code section 94909(a)(3)(A).

e. **Catalog Deficiencies.** Respondent's schedule of fees on page 9 of its catalog includes a statement indicating the Student Tuition Recovery Fund (STRF) assessment is based on tuition, which is incorrect. The assessment is based on total institutional charges, not tuition. Also, due to regulatory changes that took effect after the submission of the application the STRF assessment is currently $.50 per each $1,000 of institutional charges. The foregoing acts or omissions are in violation of California Code of Regulations, title 5, division 7.5, section 76120.

f. **Catalog Deficiencies.** The statement in Respondent's catalog that the institution is a private institution and that it is approved to operate by the Bureau does not include the meaning of approval as is required by Education Code section 94897(l).

g. **Catalog Deficiencies.** California Code of Regulations, title 5, division 7.5, sections 71810(b)(2), 70000(q) and 70000(r) require that the catalog shall contain a statement of the institution's missions and purposes and the objectives underlying each of its educational programs. "Mission" means an institution's stated educational reasons to exist. A mission statement contains all of the following characteristics: (1) The mission includes the institution's broad expectations concerning the education that students will receive, including the acquisition of the body of knowledge presented in the educational program, the development of intellectual, analytical, and critical abilities, and the fostering of values such as a commitment to pursue lifelong learning (2) The mission relates to the educational expectations of the institution's students, faculty and community that the institution serves. (r) "Objectives" are the goals and
methods by which the institution fulfills its mission and transforms it into measurable student
learning outcomes for each educational program. Respondent's catalog stated mission of the
institution does not include the above required elements. The institutions objectives have not been
included in the catalog.

h. **Catalog Deficiencies** Respondent's catalog did not contain: Cancellation,
withdrawal and refund policies, including an explanation that the student has the right to cancel
the enrollment agreement and obtain a refund of charges paid through attendance at the first class
session, or the seventh day after enrollment, whichever is later, in violation of Education Code
section 94911(a)(8).

i. **Enrollment Agreement Deficiencies.** Respondent failed to provide an enrollment
agreement that includes a schedule of total charges, including a list of nonrefundable charges and
the student's obligation to the STRF, clearly identified as a nonrefundable charge, violating
Education Code section 94911, subd. (b). Respondent's statement within this section that
indicates non-resident students are not eligible for STRF is incorrect. Further, Respondent's
statement indicating STRF assessment is $2.50 per $1,000 of tuition is incorrect since the
assessment is based on total institutional charges, not solely tuition. Due to regulatory changes,
the STRF assessment is currently $.50 per each $1,000 of institutional charges.

j. **Enrollment Agreement Deficiencies.** Respondent failed to provide an enrollment
agreement that includes the specific required statements and a line for the student to initial,
violating Education Code section 94911(i)(1-2).

k. **Enrollment Agreement Deficiencies.** Respondent provided an enrollment agreement
that while in compliance with California Code of Regulations, title 5, division 7.5, section 71800,
subdivisions (a-f), makes the following incorrect statements: that non-resident students are not
eligible for STRF; and that the STRF assessment is $2.50 per $1,000 of tuition, when in fact the
assessment is based on total institutional charges, not solely tuition. Due to regulatory changes
the STRF assessment is currently $.50 per each $1,000 of institutional charges.
