24. Respondents operated cosmetology schools in various locations and accepted tuition from students for completion of a cosmetology program that would prepare them to take the Board of Barbering and Cosmetology licensing examination.

25. On January 17, 2012, the National Accrediting Commission of Career Arts and Sciences notified the Bureau that the Corona Branch (School Code No. 18431265) located at 1303 West 6th Street in Corona closed on December 31, 2011. On January 18, 2012, the Corona Branch location opened at 782. N. Main Street.

26. On February 3, 2012, inspectors from the Bureau visited the Corona Branch location (School Code No. 18431265). The inspectors entered the school and introduced themselves to the students who led them to N.C., an instructor. N.C. stated that she did not know the school's status and that she was not being informed by the management about the school's status. N.C. explained that she and a night instructor, J.K., were working at the school as volunteers because all of the staff and instructors, including N.C. and J.K., had been laid off. N.C. stated that she and J.K. came to this location in Corona on January 18, 2012, after the location on West 6th Street closed. During their visit, the Bureau inspectors interviewed students. As of their interview on February 3, 2012, the students interviewed at the Corona Branch had not been advised of the school's closing. Similarly, when the Corona Branch's original location on West 6th Street closed, the students were not given prior notice of the closing. The West 6th Street location closed during the holiday break and when the students returned on January 3, 2012, they were locked out of the building. The students of the Corona Branch were advised that a new location was going to open. After a delay of a few weeks, students resumed instruction at the Corona Branch's new location at 782 N. Main Street on or about January 18, 2012. As of their interview

1 on February 3, 2012, the students of the Corona Branch (School Code No. 18431265) had not

4 the school's closing.

5 27. During the site visit, inspectors observed that the physical condition of the Corona
6 Branch location (School Code No. 18431265) was in different stages of completion. Several

8 missing floor tiles.

10 location (School Code No. 18431265). Student files were observed in the Financial Aid Office,

27 its intention to close the Main Campus or any of its Branch Locations and did not provide the
28 Bureau with a closure plan that includes the following:

- 1 a. the exact date and reason for closure;
- 2 b. the last date of instruction of each educational program;
- 3 c. a list of students enrolled at any time during the 60 days prior to closure;
- 4 d. a plan for providing teach-outs of educational programs or transfers or if no teach-out
5 is contemplated, arrangements for student refunds and/or refunds of federal student aid funds;

2 **(Failure to Provide Records to Bureau Prior to Closing)**

3 36. Respondents are subject to disciplinary action under Education Code section 94937(a)
4 for violation of Code section 94927.5 in that Respondents failed to provide the Bureau with
5 student records, including transcripts, or a plan for the retention of records and transcripts that
6 provides information as to how a student may obtain a transcript or any other information about
7 the student's coursework and degrees completed, as more fully set forth in paragraphs 24-31
8 above and incorporated by this reference as though set forth in full herein.

9 **FOURTH CAUSE FOR DISCIPLINE**

10 **(Insufficient Equipment to Support Educational Objectives)**

11 37. Respondents are subject to disciplinary action under Education Code section 94937(a)
12 for violation of title 5, California Code of Regulations, section 71735(a), in that Respondents
13 failed to have sufficient equipment to support the institution's objective in that students were not

17 forth in paragraphs 27, 32-33 above and incorporated by this reference as though set forth in full
18 herein.

19 **FIFTH CAUSE FOR DISCIPLINE**

20 **(Facility Not Well Maintained)**

21 38. Respondents are subject to disciplinary action under Code section 94937(a) for
22 violation of title 5, California Code of Regulations, section 71735(b), as follows:

23 a. Respondents' Corona Branch Location (School Code No. 18431265) was not well-
24 maintained as there were missing ceiling tiles, an exposed electrical panel and electrical cables,
25 and missing floor tiles, as more fully set forth in paragraphs 27 above and incorporated by this
26 reference as though set forth in full herein; and,

27 b. Respondents' Fullerton Branch Location (School Code No. 3013941) failed to have

1 disinfecting after use by each patron, failed to keep soiled towels in a closed receptacle, failed to
2 label spray bottles and liquid containers with their contents and failed to have hot running water
3 available, as more fully set forth in paragraph 33, subdivisions (f) – (i), above and incorporated by

5 **SIXTH CAUSE FOR DISCIPLINE**

6 **(Failure to Produce Student's Records)**

7 39. Respondents are subject to disciplinary action under Code section 94937(a) for
8 violation of title 5, California Code of Regulations, sections 71930(a) and (c)(4), in conjunction
9 with title 5, California Code of Regulations, section 71920, for failing to produce the student
10 records of A.V., a student, upon his request. The circumstances are as follows.

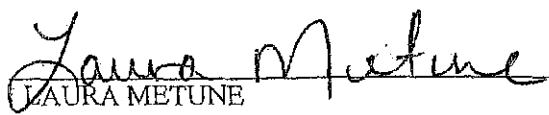

11 40. A.V. was a student at Respondents' Rancho Cucamonga Branch location (School
12 Code No. 74722232). He briefly transferred to the Corona Branch location (School Code No.
13 18431265), which at that time was located at 495 East Rincon, but then returned to the Rancho
14 Cucamonga Branch location. A.V. was concerned that the total hours paid by federal student aid
15 did not equal the actual hours he completed. His last day of attendance at Respondents'
16 institution was on or about October 21, 2011. On this day, he requested an accounting of his
17 completed training hours or proof of training. On October 28, 2011, A.V. was advised by
18 Respondents' Corporate Institution Representative, D.L., that A.V.'s request for records was too
19 late because "after 7 days from when a student drop[s], legally the institution does not have to
20 give proof of training and any time cards." A.V. was denied access to his student file and was not
21 provided with an accounting of his completed training hours. D.L. stated that A.V. owed
22 Respondents \$1,600 because his student loans did not cover all of his completed hours, however
23 despite A.V.'s requests, Respondents did not provide any documentation of funds owed and
24 training hours completed.
