///
SECOND CAUSE FOR DENIAL OF APPLICATION

(Discrepancies Involving Organizational Chart)

26. Respondent’s application is subject to denial under Education Code sections 94887 and 94891, subdivision (b) and title 5, CCR, section 71475, subdivision (j), in that there are discrepancies between the organizational chart and the job descriptions of Respondent’s Chief Academic Officer and Admissions Officer. In addition, there is a discrepancy in the individual identified as the Admissions Officer. The circumstances are as follows.

27. In Respondent’s organizational chart, the Chief Academic Officer reports to the Chief Executive Officer. However, the job description of the Chief Academic Officer states that the Chief Academic Officer reports to the Chief Operations Officer. In Respondent’s organizational chart, the Admissions Officer reports to the Chief Operations Officer. THIRD CAUSE FOR DENIAL OF APPLICATION

(Job Description of Chief Academic Officer)

29. Respondent’s application is subject to denial under Education Code sections 94887 and 94891, subdivision (b) and title 5, CCR, section 71475, subdivision (j), in that the job duties and responsibilities of Respondent’s Chief Academic Officer as described do not appear to be related to Rosston School of Hair Design. 5. Works collaboratively with other departments to achieve the institution’s vision and goals.

31. The reference to “Recording Radio Film Connection” and the existence of other departments indicates that the aforementioned duties and responsibilities of the Chief Academic Officer do not relate to Respondent. The job description of the Chief Academic Officer does not demonstrate that Respondent has the capacity to meet the minimum operating standards.

FOURTH CAUSE FOR DENIAL OF APPLICATION
(Insufficient Documentation to Support Qualifications of Chief Executive Officer)

32. Respondent’s application is subject to denial under Education Code sections 94887 and 94891, subdivision (b) and title 5, CCR, section 71475, subdivision (k), in conjunction with title 5, CCR, section 71730, subdivision (f), in that the description of the qualifications of Respondent’s President/Chief Executive Officer, Padmaja Reddy Munagala, does not demonstrate that Padmaja Reddy Munagala has the expertise to ensure that Respondent’s missions and objectives are met and to operate the educational programs. The circumstances are as follows.

33. As defined by title 5, CCR, section 70000, subdivision (d), Chief Executive Officer means “the person primarily responsible for the overall administration of an institution, including the supervision of the chief academic officer and the chief operating officer.” Respondent’s Job Description for the President/Chief Executive Officer states:

are consistently presented in a strong, positive image to relevant stakeholders to include students, graduates, staff members and employers.

In the description of the education, experience and qualifications to perform the duties and responsibilities of President/Chief Executive Officer, no administrative qualifications are provided for Padmaja Reddy Munagala. The description of Padmaja Reddy Munagala’s work experience consisted solely of duties as a cosmetologist. The circumstances are as follows.

*(Enrollment Agreement - Initials of Student)*

38. Respondent’s application is subject to denial under Education Code sections 94887 and 94891, subdivision (b), section 94911, subdivision (i)(2), and title 5, CCR, section 71475, subdivision (o), in that the enrollment agreement exemplar submitted by Respondent failed to
have a line for the student to initial immediately following the statement required by Code section 94911(i)(1) followed by the statement:

"I certify that I have received the catalog, School Performance Fact Sheet, and information regarding completion rates, placement rates, license examination passage rates, salary or wage information and the most recent three-year cohort default rate, if applicable, included in the School Performance Fact Sheet, and have signed, initialed and dated the information provided in the School Performance Fact Sheet."

Respondent used boxes at the end of both paragraphs for initials.

*(Failure to Include Description of Library Services)*

b. The specific language that refers individuals wishing to file a complaint about the institution to the Bureau was not verbatim as required by Code section 94909(a)(3)(C) in that Respondent added the words "toll-free."

c. The catalog does not contain the specific language that addresses transferability of credits and credentials as required by Code section 94909(a)(15).
d. The level of documentation of English proficiency stated in the catalog is not compliant with the requirements of title 5, CCR, 71810(b)(4)(A) since documentation of receipt of prior education is not similar to the Test of English as a Foreign Language.

e. The catalog does not include information regarding the availability of housing located reasonably near the institution nor does the catalog contain a clear and conspicuous statement indicating that the institution has no responsibility to find or assist a student in finding housing, which statements are required by title 5, CCR, section 71810(b)(13)(B) and (C).

(Absence Policy)

41. Respondent’s application is subject to denial under Education Code sections 94887 and 94891, subdivision (b), in that the school’s absence policy is inconsistent between the enrollment agreement and the school catalog, which does not demonstrate that Respondent has the capacity to meet the minimum operating standards. The circumstances are as follows.

42. The absence policy as stated in the enrollment agreement states, “For the purpose of determining when the refund must be paid, the student shall be deemed to have withdrawn as the end of 14 consecutive days.” The absence policy as stated in the school catalog states, “All absences are tracked and any student absent for 21 days consecutive calendar days will be withdrawn from the program.”

subdivision (b)(1), in that the qualifications of faculty member, L.B., described in the school
catalog shows that he does not possess the required three years of experience, education and
training the subject area he is teaching. Respondent failed to document the qualifications
possessed by this faculty member that are equivalent to the minimum qualifications.

TWELFTH CAUSE FOR DENIAL OF APPLICATION

(Operational Discrepancies)

44. Respondent’s application is subject to denial under Education Code sections 94887
and 94891, subdivision (b), in that there are discrepancies between the school catalog and the
recordkeeping policies that indicate operational discrepancies exist. These discrepancies do not
demonstrate that Respondent has the capacity to meet the minimum operating standards. The
circumstances are as follows.

a. The catalog states that Respondent does not admit “ability-to-benefit” students.
However, Respondent’s recordkeeping policy entitled, “Recordkeeping – Students” states:
