CAUSES FOR DENIAL OF APPLICATION
(Incomplete Application)

15. Respondent's application is subject to denial under Business and Professions Code
sections 480, subdivision (a)(3)(A), Education Code section 94887 and California Code of
Regulations, title 5, division 7.5, section 71100, subdivisions (a) – (c), in that on or about March
2, 2013, Respondent submitted an incomplete application to the Bureau, each ground is a sole and
separate cause for denial. The grounds are as follows:
a. Catalog Deficiencies. Respondent failed to provide a catalog that contains a notice
and a list of the requirements for eligibility for licensure, where the educational program is
designed to lead to positions in a profession, occupation, trade, or career field requiring licensure
in this state, violating Educational Code sec. 94909, subd. (a)(6).

b. **Catalog Deficiencies.** Respondent failed to provide a catalog that contains admission
policies, including the policies regarding acceptance of credits earned at other institutions or
through challenge examinations and achievement tests, requirements for ability-to-benefit
students, and a list describing any transfer or articulation agreements between the institution and
any other college or university that provides for the transfer of credits earned in the program of
instruction. If the institution has not entered into an articulation or transfer agreement with any
other college or university, the institution shall disclose that fact, violating Education Code
section 94909, subd. (a)(8)(A) and California Code of Regulations, title 5, division 7.5, section
71770, subdivision (b)(1-3).

c. **Catalog Deficiencies.** Respondent failed to provide a catalog that contains Housing
information to include all of the following: (A) whether the institution has dormitory facilities
under its control; (B) The availability of housing located reasonably near the institution's
facilities and an estimation of the approximate cost or range of cost of the housing; and (C) If the
institution has no responsibility to find or assist a student in finding housing, a clear and
conspicuous statement so indicating, violating California Code of Regulations, title 5, division
7.5, section 71810, subdivisions (b)(13) (A-C).

d. **Enrollment Agreement Deficiencies.** Respondent failed to provide an enrollment
agreement that includes a schedule of total charges, including a list of nonrefundable charges and
the student's obligation to the Student Tuition Recovery Fund (STRF), clearly identified as a
nonrefundable charge, violating Education Code section 94911, subd. (b). Respondent's
statement within this section that indicates non-resident students are not eligible for STRF is
incorrect. Further, Respondent's statement indicating STRF assessment is $2.50 per $1,000 of
tuition is incorrect since the assessment is based on total institutional charges, not solely tuition.
e. Enrollment Agreement Deficiencies. Respondent failed to provide an enrollment agreement that includes the specific required statements and a line for the student to initial, violating Education Code section 94911, subdivisions (i)(1-2).

f. Enrollment Agreement Deficiencies. Respondent provided an enrollment agreement that while in compliance with California Code of Regulations, title 5, division 7.5, section 71800, subdivisions (a-f), makes the following incorrect statements: that non-resident students are not eligible for STRF; and that the STRF assessment is $2.50 per $1,000 of tuition, when in fact the assessment is based on total institutional charges, not solely tuition.
