FIRST CAUSE FOR DENIAL OF APPLICATION

(Failure to Provide Proper Financial Statements)

23. Respondent's application for renewal of approval to operate failed to include financial statements that met the statutory and regulatory requirements, subjecting its application to denial under Section 94885 for failing to operate the institution in compliance with the California Private Postsecondary Education Act of 2009, under Section 94887 for failing to present sufficient evidence to the Bureau that Respondent had the capacity to satisfy the minimum operating standards, under Section 94891 for failing to demonstrate its continued capacity to meet the minimum operating standards, and under California Code of Regulations title 5, section 71475 subdivision (kk) for submitting an incomplete renewal application.

24. On March 12, 2012, the Bureau received Respondent’s Application for Renewal of Approval to Operate an Institution Non-Accredited. The Bureau assigned it Application Number 24562.

25. On April 27, 2012, the Respondent sent the Bureau more documents.

26. Respondent’s application in April 2012 failed to include financial statements that complied with the requirements of California Code of Regulations title 5 section 74115: Respondent submitted an unaudited, unreviewed, one-page “Statement of Profit and Loss” for the year 2011 that had at least one significant math error.

27. On September 9, 2013, the Bureau wrote Respondent a letter identifying multiple problems with Respondent’s Application, including problems with the financial statements. The Bureau’s letter gave Respondent guidance on how to correct the problems.

28. On November 20, 2013, Respondent resubmitted its Application. This second submittal also lacked a proper financial statement: instead, Respondent submitted an unaudited, unreviewed, one-page “Statement of Profit and Loss” for the year 2012.
29. On November 21, 2013, the Bureau responded with a second letter identifying continuing problems with the resubmitted Application, including problems with the financial statements.

32. When Respondent again resubmitted its license renewal application in December 26, 2013, its financial statements were still incomplete and improper:

<td>The financial statements did not include a cash flow statement.</td>

<td>5 CCR §74115(d)</td>
<td>The financial statements submitted in December 2013 failed to cover five months or more of the year 2013.</td>

33. In June 2014, Respondent belatedly submitted financial statements that were reviewed by a certified public accountant and did include a cash flow statement. But these financial statements were not prepared in accordance with generally accepted accounting principles, in violation of California Code of Regulations Title 5, section 74115 subdivision (b).

SECOND CAUSE FOR DENIAL OF APPLICATION
(Misleading and Incomplete School Performance Fact Sheet)

34. Respondent's application for renewal of approval to operate included a misleading and incomplete School Performance Fact Sheet that did not meet the statutory and regulatory requirements listed below, subjecting its application to denial under Section 94885 for failing to operate the institution in compliance with the Private Postsecondary Education Act, under Section 94887 for failing to present sufficient evidence to the Bureau that it had the capacity to satisfy the minimum operating standards, under Section 94891 for failing to demonstrate its continued...
capacity to meet the minimum operating standards, and under California Code of Regulations title 5, section 71475 subdivision (kk) for submitting an incomplete renewal application.

35. Complainant realleges paragraphs 24 to 31.

36. Respondent submitted School Performance Fact Sheets with its initial application in March 2012, with its November 2013 resubmittal, with its December 2013 resubmittal, and with its April 2014 resubmittal. Each iteration omitted required data and was not in the required format. Furthermore, the data Respondent reported in these fact sheets changed with each submittal.

37. Respondent’s final School Performance Fact Sheet submittal in April 2014 omitted required data and was not in the required format, as follows:

<table>
<thead>
<tr>
<th>Statutes or Regulations Violated</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Section 94910(b) and 5 CCR § 74112(c-d, e, g)</td>
<td>The April 2014 School Performance Fact Sheet completely omitted data on Respondent’s dental technician students, failing to report their completion rates, placement rates, and job and salary data for the previous two calendar years. But in its November 2013 and December 2013 submittals, Respondent had reported that it had 15 dental technicians enrolled in the period 2011 to 2012.</td>
</tr>
<tr>
<td>Section 94910(b-d) and 5 CCR § 74112(d, e, g)</td>
<td>The April 2014 School Performance Fact Sheet did not include the completion rate, job placement, or salary and wage data in tables and footnotes that were “substantially similar” to the charts provided in regulation 74112(d), (e), and (g): each table presented omitted the explanatory footnotes required by the regulation. The Salary and Wage information chart also omitted the data column for students not reporting salary information.</td>
</tr>
</tbody>
</table>

THIRD CAUSE FOR DENIAL OF APPLICATION
(Website Omissions and Misstatements)

38. Respondent’s application for renewal of approval is subject to denial under Section 94885 for failing to operate the institution in compliance with the Private Postsecondary Education Act because its website omits the information required by Section 94913 and makes prohibited assertions regarding Bureau approval.

39. Complainant realleges paragraphs 24 to 31 and 37.
40. In violation of Section 94913(a), Respondent’s website as of September 2013, during which its renewal application was pending, and as of November 2014 omitted its school catalog, School Performance Fact Sheet, student brochures, its most recent annual report submitted to the Bureau, and a link to the Bureau’s website.

41. In violation of section 94897(1), Respondent’s website in September 2013 and for some time preceding that had an entire paragraph touting its approval by the Bureau without “stating clearly and conspicuously that approval to operate means compliance with state standards as set forth in this chapter.” Respondent’s web site stated:

“The Unique Dental Lab College has been approved by California BPPVE. The College is specialized in training dental professionals. The College gets approval for permanent status CERT #9177548. All directors and instructors are holder of CERT, #COAFS-04-375789, main instructor having 37 years of teaching experience. The College contains Dental Technician Program and Dental Assisting Program; Both Programs have been approved by BPPVE.”

42. This statement on Respondent’s web site also violated section 94897(1)(1) because it implied the Bureau either endorsed or recommended Respondent or its Dental Technician and Dental Assisting programs.

FOURTH CAUSE FOR DENIAL OF APPLICATION
( Failure to Comply with School Catalog Requirements)

43. Respondent's application for renewal of approval failed to submit school catalogs that met the statutory and regulatory requirements, subjecting its application to denial under Section 94885 for failing to operate the institution in compliance with the California Private Postsecondary Education Act of 2009, under Section 94887 for failing to present sufficient evidence to the Bureau that Respondent had the capacity to satisfy the minimum operating standards, under Section 94891 for failing to demonstrate its continued capacity to meet the minimum operating standards, and under California Code of Regulations title 5, section 71475 subdivision (kk) for submitting an incomplete renewal application.

44. Complainant realleges paragraphs 24 to 31.

45. Respondent’s resubmitted school catalog did not list its internet web site address in violation of Section 94909(a)(1).
46. Respondent’s resubmitted school catalog stated that instruction would be in Chinese and English, but did not state the level of Chinese proficiency required and the kind of documentation of proficiency, such as the United States Foreign Service Language Rating System, that would be accepted, in violation of California Code of Regulations title 5, section 71810(b)(5).

47. Respondent’s resubmitted school catalog states that in its admissions policies that it will accept applicants without a high school diploma, Certificate of Proficiency, or G.E.D. certificate, so long as the applicant receives a qualifying score on the Combined English Language Skills Assessment Ability to Benefit Test. This test is administered only to those with limited English proficiency. The admissions policies are silent with regards to whether a high school diploma, Certificate of Proficiency, or G.E.D. is required for applicants proficient in English, in violation of Section 94909(a)(8)(A) and California Code of Regulations title 5, section 71770(b).

48. Respondent’s resubmitted school catalog references in its “Notice Concerning Transferability of Credits and Credentials Earned at Our Institution” that a student might earn a “degree, diploma, or certificate” at Unique Dental Lab College, when, in fact, Unique Dental Lab College is not a degree granting institution, in violation of Section 94909(a)(15).

49. Respondent’s resubmitted school catalog’s description of its programs generally describes the courses required to complete its dental technician and dental assisting program, but does not list how many hours each course requires, in violation of Section 94909(a)(5).
