1 “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

2 “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

3 “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

(f) License Examination Passage Rates. If license examination passage rates are not available from the appropriate state agency, an institution shall collect the information directly from its graduates. If an institution demonstrates that, after reasonable efforts, it is unable to obtain the examination passage information from its graduates, the institution shall report the number of students it could not contact and note in a font the same size as the majority of the data on the Performance Fact Sheet, “License examination passage data is not available from the state agency administering the examination. We were unable to collect data from [enter the number] graduates.”

Reporting of license examination passage rates for the Annual Report and the Performance Fact Sheet shall include, for each educational program: the number of students completing the program within 150% of published program length in the reported year, the number of documented graduates who passed the first examination, number of documented graduates who failed the first examination, the number of graduates for whom data is not available. An optional column may be added to separately report licensing examination data for students who take and pass the exam after failing initially. The Annual Report shall also include a description of the processes for attempting to contact those students.

For licensing examinations that are not continuously administered, license examination passage rates shall be included in the Performance Fact Sheet in a format substantially similar to the chart below, including the footnoted information below (dates, numbers, and other data shown are for example only):

1 Number of Students Taking Exam is the number of students who completed the program within 150% of published program length and for whom the reported exam is the first exam that was available after their completion of the program.

2 Exam Date is the date for the first available exam after the students completed the program.

3 Passage Rate is calculated by dividing the number of students who pass the exam by the number of graduates who take the reported licensing exam.

For licensing examinations that are continuously administered, license examination passage rates shall be included in the Performance Fact Sheet in a format substantially similar to the chart below, including the footnoted information below (dates, numbers, and other data shown are for example only):

License examination passage data is not available from the state agency administering the examination. We were unable to collect data from 10 graduates.

1 Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

2 Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.
Passage Rate is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program.

(d) The notice to comply shall inform the person approved to operate the institution that he or she may do either of the following:

(1) Within 30 days from the date of the inspection, sign and return the notice to comply, declaring under penalty of perjury that the violation was corrected and describing how compliance was achieved; or

(b) The Bureau Chief, or his or her designee, or the Director's designee, is authorized to issue citations containing orders of abatement and administrative fines not to exceed $50,000 pursuant to section 94944 of the Code against persons who are without proper approval to operate a private, postsecondary institution. In addition, the citation may
contain an order of abatement pursuant to section 149 of the Business and Professions Code that requires the unapproved person to cease any unlawful advertising and to notify the telephone company furnishing services to the cited person: (1) to disconnect the telephone services furnished to any telephone number contained in the unlawful advertising, and (2) that subsequent calls to that number shall not be referred by the telephone company to any new number obtained by that person. The provisions of section 75040 shall apply to this subsection.

(c) In addition to the requirements of section 94936 of the Code, each citation shall inform the cited institution or person that:

(1) if a hearing pursuant to the Administrative Procedure Act (APA) is not requested, payment of the administrative fine is due 30 days from the date of service, and shall not constitute an admission of the violation charged.

(2) if a hearing pursuant to the APA is conducted and payment of an administrative fine is ordered, the administrative fine is due 30 days from when the order is effective;

(3) if the cited institution or person desires an informal conference to contest the finding of a violation prior to an APA hearing, the informal conference shall be requested by written notice to the Bureau within 30 days from service of the citation;

(4) failure to comply with any order of abatement within the time set forth in the citation, unless the citation is being appealed, may result in disciplinary action being taken by the Bureau; and

(5) the Bureau may enforce the administrative fine as if it were a money judgment pursuant to the California Code of Civil Procedure (beginning with section 680.010).

(d) Each citation shall be served on the cited institution or person, in person, or by certified and regular mail at the address of record on file with the Bureau. Citations served by certified and regular mail shall be deemed “served” on the date of mailing.

(e) The sanction authorized under this section shall be separate from, and in addition to, any civil, criminal, or other administrative remedies.

75030. Assessment of Administrative Fines.

Where citations pursuant to section 94936 of the Code and section 75020, subsection (a) include an assessment of an administrative fine, the fine shall be not less than $50 or exceed $5,000 for each violation. Each violation shall be classified according to the nature of the violation and shall indicate the classification on the face thereof as follows:
(a) A “Class A” violation shall not be less than $2,501 nor more than $5,000. A Class A violation is one that the Bureau has, in its discretion, determined to be more serious in nature, deserving the maximum fine. A Class A violation may, in the Bureau's discretion, be issued to an institution that has committed one or more prior, separate Class B violations.

(b) A “Class B” violation shall not be less than $1,001 nor more than $2,500. A Class B violation is one that the Bureau has, in its discretion, determined to be less serious in nature and may include, but is not limited to, a violation that could have resulted in student harm. Typically some degree of mitigation will exist. A Class B violation may be issued to an institution that has committed one or more prior, separate Class C violations.

(c) A “Class C” violation shall not be less than $501 nor more than $1,000. A Class C violation is one that the Bureau has, in its discretion, determined to be a minor or technical violation, which may be directly or potentially detrimental to students or potentially impacts their education.

(d) A “Class D” violation shall not be less than $50 nor more than $500. A Class D violation is one that the Bureau has, in its discretion, determined to be a minor or technical violation, which is neither directly or potentially detrimental to students nor potentially impacts their education.

75040. Appeal of Citations; Informal Conference.

(a) Pursuant to section 94936(c)(2) of the Code, a cited institution or person may, within 30 days of service of the citation, request a hearing in writing to the Bureau, or it is waived. In addition to contesting a citation by requesting a hearing, the cited institution or person may, within the same 30 days, submit a written request to the Bureau for an informal conference.

(b) The Bureau Chief, or his or her designee, or the Director, or his or her designee, shall within 30 days from the Bureau's receipt of a written request for an informal conference, hold an informal conference with the cited institution or person. The 30-day period may be extended by the Bureau Chief or the Director for good cause. The informal conference may be by telephone.

(c) Following the informal conference, the Bureau Chief, or his or her designee, or the Director, or his or her designee, will affirm, modify, or dismiss the citation, including any fine assessed and/or order of abatement issued. A written order affirming, modifying, or dismissing the original citation shall be served on the cited institution or person within 30 days from the informal conference. If the order affirms or modifies the original citation, said order shall fix a reasonable period of time for abatement of the violation and/or payment of the fine of not more than 30 days.
(d) If the informal conference results in the modification of the findings of violation(s), the amount of the fine and/or the order of abatement, the citation shall be considered modified, but not withdrawn. Unless waived, a cited institution or person is entitled to a hearing to contest the modified citation if the institution or person filed a timely request, but is not entitled to an informal conference to contest an affirmed or modified citation. If a timely request for a hearing was not filed, the decision on the affirmed or modified citation shall be considered final.

(e) If the citation is dismissed after the informal conference, the request for a hearing, if any, shall be deemed withdrawn.

(f) Submission of a written request for a hearing pursuant to section 94936(c)(2) of the Code, or an informal conference as provided in subsection (a), or both, stays the time period in which to pay the fine.

(g) If a written request for a hearing pursuant to section 94936(c)(2) of the Code, or for an informal conference as provided in subsection (a), or both, is not submitted to the Bureau within 30 days from service of the citation, the cited institution or person is deemed to have waived the right to an informal conference and/or administrative hearing.

75050. Compliance with Citations.

(a) If a cited institution or person that or who has been issued an order of abatement is unable to complete the correction within the time set forth in the citation because of conditions beyond the institution's or person's control after the exercise of reasonable diligence, the institution or person may request an extension of time within which to complete the correction. Such a request shall be in writing and shall be made within the time set forth for abatement.

(b) Failure of an applicant or institution issued an approval to operate to abate the violation or to pay the fine within the time allowed is a ground for denial or discipline of an approval to operate.

(c) If an informal conference or hearing is not requested, payment of the fine and/or compliance with any order of abatement shall not constitute an admission of the violation charged and shall be represented as satisfactory resolution of the matter for purposes of public disclosure.

Article 3. Standards Related to Denial, Discipline, and Reinstatement of Approvals to Operate

75060. Substantial Relationship Criteria.

In determining whether any of the grounds for denial set forth in Section 480 of the Business and Professions Code exist, a crime or act shall be considered substantially related to the qualifications, functions, or duties of any owner, corporate director or member of the governing board, officer, or administrator under any of the following circumstances:

4. Proof of the date the student started and ceased attending the institution;

5. A description of the reasons the student ceased attending the institution, or if the student graduated, date of graduation;

6. The student's or borrower's authorization to allow the Bureau to negotiate with any lender, holder, guarantee agency, or the U.S. Department of Education on the student's behalf to reduce the loan obligation;

(14) Whether the course of study or portion completed prepared the student to take a state or national licensure exam; and

(15) If the student transferred to another school, a list of all classes or units transferred.

(b) The application must be fully completed and received by the Bureau, with supporting documents that include, but need not be limited to, the enrollment agreement, promissory notes, if any, and any receipts, within two years from date of the closure notice explaining the student's rights under STRF, whether provided by the institution or the Bureau, or a maximum of four years if the student received no closure notice.

(c) Students whose total charges are paid by a third party payer are not eligible to apply for payment by the Fund.

(d) The Bureau may conduct an investigation to verify whether to grant or deny a claim, and may request any additional information or supporting documentation.

76210. Claims Amount, Payment and Denial.

(a) The Bureau may negotiate with a lender, holder, guarantee agency, or the U.S. Department of Education for the full compromise or write-off of student loan obligations to relieve students of economic loss and, if possible, to reduce the liability of the Fund for the payment of claims.

(b) The Bureau may pay a student's claim directly to the lender, holder, guarantee agency, or U.S. Department of Education.

(c) If the Bureau grants the claim, the amount of the payment is measured by the total amount of the student's economic loss, as defined in Section 76000, less the amount of any refund, reimbursement, indemnification, restitution, compensatory damages, settlement, debt forgiveness, discharge, cancellation, compromise or any other benefit received by, or on behalf of, the student that was related to the economic loss. The amount of the payment is not dependent on, or necessarily limited to, the amount of refund the student would have received from the institution if the student had voluntarily withdrawn. The Bureau cannot pay any claim to a student without a social security number or a taxpayer identification number.
(d) In addition to the reductions in (c) above, the Bureau may reduce the amount of the payment by the value of the benefit, if any, of the education obtained by the student before the closure of the institution.

(e) If a student participated in a teach-out, the following conditions also apply:

1. If the student withdraws from the teach-out institution within the first two weeks of enrollment, the student's economic losses are calculated as though the student never received the teach-out.

2. If the student withdraws from the teach-out institution after the first two weeks of enrollment, the student's economic loss includes only a pro rata portion of charges for the hours of the education service paid for, but not received from, either institution.

3. If the teach-out institution provides all of the remaining instruction that the closed institution had represented it would provide, the student's economic loss shall not include any amount the student paid to the closed institution specifically for instruction.

4. Regardless of participation in a teach-out, a student may recover economic losses other than those specifically related to the instruction.

(f) Upon payment of the claim, all of the student's rights against the institution for that amount of payment shall be deemed assigned to the Bureau.

(g) If the Bureau denies the claim, or reduces the amount of the claim, the Bureau may informally consider a written appeal and modify its decision.

(h) If a written appeal is not received by the Bureau within 30 calendar days from the date of the decision, the Bureau's decision shall be final.

If the Bureau, the Attorney General, or any other law enforcement agency obtains a judgment against an institution on behalf of one or more students pursuant to Section 17200 of the Business and Professions Code or similar authority, that law enforcement agency shall be entitled to payment from the Fund under the following conditions:

(a) The institution was qualified and is now closed;

(b) A remedy cannot be obtained despite diligent efforts to prosecute, prove, and collect a judgment;

(c) A claim is filed within two years after the judgment became final;
(d) A claim indicating the total amount of the judgment allocable to each student is filed; and

(e) The total amount paid to each student does not exceed the amount that the student would have been entitled to receive if the student had obtained a judgment for the amount allocable to the student.

76215. Student Tuition Recovery Fund Disclosures.
