IMPORTANT NOTICE OF CORRECTION

Re: Student Tuition Recovery Fund Assessment Correction

To All Institutions:

The Bureau for Private Postsecondary Education (Bureau) mailed out the First Quarter 2013 Student Tuition Recovery Fund (STRF) Assessment Reporting Forms with their instructions on Friday, April 5, 2013. Unfortunately, due to an internal oversight, these invoices do not reflect the regulatory change to Title 5 of California Regulation Code §76120(a), amending the assessment from \$2.50 to \$.50 per \$1000.00 of institution charges.

Due to this discrepancy, please disregard the first billing notice dated April 5, 2013, and replace it with the enclosed, which is the correct and final version of the STRF Assessment Reporting Form.

If you have already paid your STRF 2013 First Quarters fees with the **correct** amount applied based on the regulatory changes announced earlier this year, please disregard this notice. If you paid the **incorrect** fees, your payment will be returned and you will need to resubmit the correct form with payment in the correct amount. If you paid the **incorrect** fees and your payment has already been processed by the Bureau, you will be receiving a refund of the overpaid amount.

If you have further questions, please call our office at the telephone number indicated above. Thank you and we apologize for any confusion this may have caused.
