Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110
http://www.SVPT.com
Tel: 408-436-3000, Fax: 408-573-0200

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

Tel: 408-436-3000, Fax: 408-573-0200

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110

Tel: 408-436-3000, Fax: 408-573-0200

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110

Tel: 408-436-3000, Fax: 408-573-0200

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

Silicon Valley Polytechnic Institute
Institution Code: 67964704

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110

Tel: 408-436-3000, Fax: 408-573-0200

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program was approved by the Bureau on 12/10/2015. As of 12/10/2017, two full years of data for this program will be available.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program was approved by the Bureau on 12/10/2015. As of 12/10/2017, two full years of data for this program will be available.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

Silicon Valley Polytechnic Institute

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program was approved by the Bureau on 12/10/2015. As of 12/10/2017, two full years of data for this program will be available.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

Silicon Valley Polytechnic Institute
Institution Code: 67964704

San Jose, CA 95110
http://www.SVPT.com
Tel: 408-436-3000, Fax: 408-573-0200

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110

Tel: 408-436-3000, Fax: 408-573-0200

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program was approved by the Bureau on 12/10/2015. As of 12/10/2017, two full years of data for this program will be available.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program was approved by the Bureau on 12/10/2015. As of 12/10/2017, two full years of data for this program will be available.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110
http://www.SVPT.com
Tel: 408-436-3000, Fax: 408-573-0200

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program was approved by the Bureau on 12/10/2015. As of 12/10/2017, two full years of data for this program will be available.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110
http://www.SVPT.com
Tel: 408-436-3000, Fax: 408-573-0200

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Tel: 408-436-3000, Fax: 408-573-0200

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

Silicon Valley Polytechnic Institute
Institution Code: 67964704

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110
http://www.SVPT.com
Tel: 408-436-3000, Fax: 408-573-0200

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

Silicon Valley Polytechnic Institute

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110

Tel: 408-436-3000, Fax: 408-573-0200

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110
http://www.SVPT.com
Tel: 408-436-3000, Fax: 408-573-0200

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110

Tel: 408-436-3000, Fax: 408-573-0200

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

Silicon Valley Polytechnic Institute
Institution Code: 67964704

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program was approved by the Bureau on 11/30/2017. As of 11/30/2019, two full years of data for this program will be available.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

Silicon Valley Polytechnic Institute

Tel: 408-436-3000, Fax: 408-573-0200

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program was approved by the Bureau on 12/10/2015. As of 12/10/2017, two full years of data for this program will be available.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110

Tel: 408-436-3000, Fax: 408-573-0200

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110

Tel: 408-436-3000, Fax: 408-573-0200

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110
http://www.SVPT.com
Tel: 408-436-3000, Fax: 408-573-0200

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110

Tel: 408-436-3000, Fax: 408-573-0200

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program was approved by the Bureau on 11/30/2017. As of 11/30/2019, two full years of data for this program will be available.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110

Tel: 408-436-3000, Fax: 408-573-0200

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

Silicon Valley Polytechnic Institute
Institution Code: 67964704

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program was approved by the Bureau on 11/30/2017. As of 11/30/2019, two full years of data for this program will be available.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

Silicon Valley Polytechnic Institute
Institution Code: 67964704
1762 Technology Drive, Suite 228
San Jose, CA 95110

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

If a student wishes to withdraw from the institution or a course of instruction, the student must notify the school in writing. The request for termination should be send to SVPTI, 1762 Technology Drive, Suite 228, San Jose, CA 95110.

Please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred, if in the estimation of the school and instructor, the student has missed more than 4 training sessions without any excuse and/or notification.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who cancelled as explained above, shall be a pro rata refund.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for tuition multiplied by a fraction, the numerator of which is the number of sessions which you have not received but for which you have paid, and the denominator of which is the total number of sessions of the training program.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within forty-five days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangement to pay. Students whose entire tuition and fees are paid by a third-party organization are not eligible for a refund.
