

## Candidate School Disclosure Statement

The New York State Education Department, Bureau of Proprietary School Supervision, has issued Candidate School Status to the following school and address.

School Name

School's Complete Address

Candidate School Status is restricted to the school name and address listed above. Any change in one or more of these items invalidates Candidate School Status.

The undersigned student must fully understand each of the following:

- ✓ The candidate school listed above is **NOT** licensed by the New York State Education Department.
- ✓ The facilities, instructors, and programs being provided have **NOT** been approved and are **NOT** under the New York State Education Department's jurisdiction during the candidacy period.
- ✓ Students attending candidate schools have **no recourse** through the Department's student complaint process nor have any restitution available from the Tuition Reimbursement Account. The Department's Tuition Reimbursement Account **cannot** be accessed by students of candidate schools. This applies regardless of whether a refund is warranted by the candidate school that it refuses to issue, or even if the candidate school closes without fulfilling its contractual obligations to the student.

In order to continue Candidate School Status, a copy of this signed disclosure must be given to every prospective student of the Candidate School to advise him/her of the limited school oversight and student protection available while a school is in candidacy status.

By my signature below, I attest that I have read, understood, and accept the limitations indicated on this document. I further understand that, if I choose to enroll in this Candidate School, I do so without access to the New York State Tuition Reimbursement Account and the Bureau of Proprietary School Supervision's Student Complaint System.
