

## Your feedback is needed

Participating in this survey will help us determine if a school is providing the required information and documentation to students.

Each private postsecondary school approved to operate in California by the Bureau for Private Postsecondary Education (BPPE) is subject to mandatory inspections to ensure the school is complying with California Education Code and the California Code of Regulations.

Results of the compliance inspections and disciplinary actions against a school are available on the BPPE Web site.

## Student Feedback

What led you to choose this school and program?

What information about this school was the most helpful in making your decision to enroll?

Did you research programs at other schools before enrolling in this school?

Is there information you did not receive that would have been helpful in making an informed decision about enrolling in this school?

Additional Comments

## Student Survey

Please answer each question by checking yes or no (or n/a for not applicable).  
Return the survey to the BPPE Compliance Inspector.

### Admissions

1. Before enrolling, were you given accurate information about the educational program?  
 Yes     No     N/A
