Placement Rates

Student's Initials: _____ Date: _____

Calendar Year	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate Employed in the Field	Graduates Employed in the Field an average of less than 32 hours	Graduates Employed in the Field at least 32 hours per week
2014	15	15	5	33%	1	4
2013	41	37	10	27%	0	10

Number of Graduates is the number of students who have completed the program within 100% of the published program length.

Graduates Available for Employment - The number of graduates minus the number of graduates who died, were incarcerated or were call to active military duty or were international students that left the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau approved postsecondary institution.

Graduates Employed in the Field means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment shall begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.

Placement Rate - Calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Examination Passage Rates

In order to become a Licensed Vocational Nurse in California, VN program graduates must pass the NCLEX-PN exam. This information is taken from the website of the Board of Vocational Nursing and Psychiatric Technicians (BVNPT) and reflects the first time pass rate for ACC graduates who took the exam during the annual period shown. You can access the information at http://www.bvnpt.ca.gov/education/vn_stats.shtml.

Student's Initials: _____ Date: _____

Calendar Year	Number of Students Taking Exam	Number of Students who Passed First Exam Taken	Number of Students who Failed First Exam Taken	Passage Rate
2014	27	16	11	59%
2013	35	28	7	80%

Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and who took the exam in the calendar year.

Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

Passage Rate is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program.
