Definitions

“Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

“Students available for graduation” is the number of students who began program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Graduates” is the number of students who completed the program within 100% of the program length.

“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

“150% Graduates” is the number of students who completed within 101-150% of the program length.

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.
