INTRODUCTION

HISTORY

C.R. England, Inc. is a family owned trucking firm founded by Chester R. England in 1920. In the beginning Chester just hauled milk from farms to dairies in Northern Utah, but over the next three decades he began to concentrate on the transportation of exempt food products and expanded his operation to cover the intermountain states as well as California and Texas. Following World War II, Chester's sons, Gene and Bill, joined him in the business and with their help the company initiated nationwide service and began a gradual expansion that brought the fleet size to nearly 200 tractors in 1980. Gene and Bill continue to preside over the company as the third generation front line leadership. C.R. England's corporate headquarters and primary terminal are located in West Valley City, Utah. C.R. England employs over 4,000 people and powers approximately 3,500 units. Premier Truck Driving School has campuses in four 4 states, Utah, Southern California, Indiana, and Texas.

MISSION AND OBJECTIVES

This institution's mission and objective is to answer the demand of the transportation industry, more specifically, C.R. England's continuing need for new drivers, by providing qualified

student graduate driver trainees to begin their driving career with C.R. England. Our Driver Training Program provides students with basic knowledge and skills in preparation for successfully completing the Commercial Drivers License examination.

The students will work with contemporary equipment under the supervision of qualified, experienced instructors. An individual successfully completing our program should have the ability to safely operate a Commercial vehicle on the nations highways. It could be expected that a graduate of our program would work with an experienced driver for a short period of time (an apprentice driver) to gain specific employer skills.

The goal of the training program at C.R. England is to inspire and promote a positive attitude through education, observation and evaluation based on uniform standards. The entire staff of C.R. England is dedicated to the betterment of drivers through continual education, information, training and support.

TRAINING FACILITIES

The Fontana facility is located at 10691 Poplar Ave. Fontana, CA 92667, situated on approximately 10 acres that provides approximately 7,000 sq. feet of classrooms, offices, a computer lab, student and staff lounges and restroom facilities. The Skills Training facility is located at the same location. Over-the-road experience is accomplished on area roads, highways and freeways. Current facilities and staff can accommodate up to 60 students per session. This area also includes student and employee parking.

Major instructional equipment for classrooms include a video training system with a comprehensive video library, overhead projector, computer lab, and air brake system display. Behind-the-wheel training equipment includes 16 late model diesel tractors and 53' trailers.

HOURS OF OPERATION

Office hours: Monday through Friday, 7:00 a.m. to 4:00 p.m.

You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid STRF assessment and suffered an economic loss as a result of any of the following:

1. The school closed before the course of instruction was completed,
2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.

However, no claim can be paid to any student without a social security number or taxpayer identification number.

STUDENT PROTECTION POLICIES

STUDENT TUITION RECOVERY FUND

California law requires that, upon enrollment, a fee be assessed in relation to the cost of tuition. These fees support the Student Tuition Recovery Fund [STRF], a special fund established by the California Legislature to reimburse students who might otherwise experience a financial loss as a result of untimely school closure. It is important that enrollees keep a copy of any enrollment agreement, contract, or application to document enrollment; tuition receipts or canceled checks to document the total amount of tuition paid; and records which will show the percentage of the course which has been completed. Such records will substantiate a claim for reimbursement from STRF, which, to be considered, must be filed within 60 days following school closure. For further information or instructions, contact: Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400 Sacramento California, 95833 (916) 431-6959

Notice 1: Monies collected in excess of tuition and related educational fees are not reimbursable by the STRF. This includes monies for living expenses deposited at the school for periodic disbursement, fees collected by the school for state exams, and fees charged for forms processing assistance.

Notice 2: **STUDENT TUITION RECOVERY FUND.** If you are not a resident of California, you are not eligible for protection under, and recovery from, the Student Tuition Recovery Fund.

You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you.

1. You are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition either by cash, guaranteed student loans, or personal loans, and
2. Your total charges are not paid by any third party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment if either of the following applies:

- 1: You are not a resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

BUYERS RIGHT TO CANCEL AND REFUND RIGHTS

You have the right to cancel this agreement for educational service, any equipment or other goods and services, as per the cancellation period.

Cancellation period: for programs under 50 days 1 business day for each 10; over days, fifth business day following the first class. Business day means a day on which you were scheduled to attend a class. Cancellation occurs when you give written notice of cancellations at School address shown on the front page of this Agreement. You can do this by mail, in person, by FAX or telegram to the Director of the School listed on front of this agreement.

The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid.

This notice need not take any particular form, it needs only to state you wish to cancel the agreement. You will be given two notice of cancellation forms on the first day of class. If you cancel this agreement, School will refund any money that you paid within 30 days after your notice is received.

If School has given you any equipment, you shall return it to School within 30 days following the date of your notice of cancellation or, if after the cancellation period, your last date of attendance. If you fail to return this equipment in good condition within the 30-day period, School may retain that portion of payment paid by you, and deduct the cost from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation.

You have the right to withdraw from School at any time. If you withdraw from the course of instruction after the cancellation period as in Par 1., School will remit a refund less a registration fee, not to exceed \$250 within 30-days following your withdrawal. You are obligated to pay only for educational services rendered and unreturned equipment. The refund shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction, which you have not received, but for which you have paid, the denominator of which is the total number of hours of instruction for which you have paid. If you obtain equipment, as specified on the front page of this agreement, and return it in good condition

within 30 days following the date of your withdrawal, School shall refund the amount paid by you for equipment. If you fail to return equipment in good condition, with 30 days, School may retain the documented cost of the listed equipment. You are liable for the amount, if any, by which the documented cost for equipment exceeds the refund amount. If the amount you have paid is more than the amount that you owe, then a refund will be made within 30 days of withdrawal. If the amount that you owe is more than the amount that you paid, then you will have to make arrangements to pay it.

REFUND OR TUITION CALCULATION CHART

The following is the amount of refund of the tuition charges a student will receive if he/she terminates enrollment after completing the following amount of training:

Professional Driver Course Tuition: \$4,995.00

| 59% | \$ 2,322.50 |
| 71% | \$ 1,858.00 |

In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.

If any portion of your tuition was paid from loan proceeds, the refund will be sent to the lender or agency that guaranteed the loan. Any remaining refund amount will first be used to repay any student financial aid programs from which you received benefits, to the extent of benefits received. Any remaining amount will be paid to you.
