2014	188 7	145 2	1452	141 8	97.6	0 141 8

1 "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

2 "Number of Graduates" is the number of students who have completed the program within 100% of the published program length.

3 "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

4 "Graduates Employed in the Field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

5 Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

(Student Initial/Date) \_\_\_\_\_ / \_\_\_\_\_ I have read and understand the above placement information.

### License Examination Passage Rates

(Based on students completing the program within 150% of the published program length in the report year)

Calendar Year	# Taking Exam <sup>1</sup>	# Who Passed First Exam <sup>2</sup>	# Who Failed First Exam	Passage Rates <sup>3</sup>
2013	1537	1502	35	98.6
2014	1452	1430	22	98.5

1 Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

2 Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

3 Passage Rate is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program.

(Student Initial/Date) \_\_\_\_\_ / \_\_\_\_\_ I have read and understand the above license examination rates.
