**SCHOOL PERFORMANCE FACT SHEET**

The State of California requires ITT Technical Institute (the "School") to provide each student a School Performance Fact Sheet disclosing the following information with respect to the Associate of Science Degree program in Accounting ("Program"), which is 7 academic quarters in length, at the School:

This Program is new. Therefore, the number of students who graduate, the number of students who are placed or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but it is not equivalent to actual performance data.

**Cohort Default Rate:** Pursuant to Cal. Educ. Code Section 94910, the most recent official three-year cohort default rate ("CDR") reported by the U.S. Department of Education ("ED") for the school is 22.4% for the 2011 federal fiscal year. The school's CDR is the rate at which the school's students default on their federal student loans. The ED calculates an institution's three-year CDR as the rate at which borrowers scheduled to begin repayment on their federal student loans in one federal fiscal year default on those loans by the end of the second succeeding federal fiscal year.

The percentage of the students who attended the school in 2014 who received federal student loans to help pay their cost of education at the school was approximately 80.59% .

A list of Positions considered in the field for this educational program and information used to substantiate salary disclosure can be obtained from the Career Services Department at the School.

1. "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates Unavailable for Employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
2. "Graduates Employed in the Field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.
3. Salary is as reported by the student or employer. Not all graduates and employers report salary. A list of the employers of the Graduates Employed in the Field can be obtained from Career Services Department at the School.

**4. Cohort Default Rate:** Pursuant to Cal. Educ. Code Section 94910, the most recent official three-year cohort default rate (“CDR”) reported by the U.S. Department of Education (“ED”) for the school is 22.4% for the 2011 federal fiscal year. The school’s CDR is the rate at which the school’s students default on their federal student loans. The ED calculates an institution’s three-year CDR as the rate at which borrowers scheduled to begin repayment on their federal student loans in one federal fiscal year default on those loans by the end of the second succeeding federal fiscal year.

The percentage of the students who attended the school in 2014 who received federal student loans to help pay their cost of education at the school was approximately 80.59%.

1. "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.
  2. "Number of Graduates" is the number of students who have completed the program within 100% of the published program length.
  3. "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates Unavailable for Employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
  4. "Graduates Employed in the Field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.
  5. Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

A list of Positions considered in the field for this educational program and information used to substantiate salary disclosure can be obtained from the Career Services Department at the School.

1. "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates Unavailable for Employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
2. "Graduates Employed in the Field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.
3. Salary is as reported by the student or employer. Not all graduates and employers report salary. A list of the employers of the Graduates Employed in the Field can be obtained from Career Services Department at the School.

**4. Cohort Default Rate:** Pursuant to Cal. Educ. Code Section 94910, the most recent official three-year cohort default rate (“CDR”) reported by the U.S. Department of Education (“ED”) for the school is 22.4% for the 2011 federal fiscal year. The school’s CDR is the rate at which the school’s students default on their federal student loans. The ED calculates an institution’s three-year CDR as the rate at which borrowers scheduled to begin repayment on their federal student loans in one federal fiscal year default on those loans by the end of the second succeeding federal fiscal year.

The percentage of the students who attended the school in 2014 who received federal student loans to help pay their cost of education at the school was approximately 80.59%.

**1. Completion Rates:** The completion rates for the Program, as calculated pursuant to Cal. Educ. Code Section 94929(a), are as follows:

<b>Calendar Year</b>	<b>Number of Students Who Began Program<sup>1</sup></b>	<b>Students Available for Graduation<sup>2</sup></b>	<b>Graduates<sup>3</sup></b>	<b>Completion Rate<sup>4</sup></b>
2013	---	---	---	---
2014	20	20	11	55.00%

- 
1. "Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.
  2. "Students Available for Graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.
  3. "Graduates" is the number of students who completed the program within 100% of the published program length.
  4. "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

---

**Student's Initials and Date**

2. **Job Placement Rates:** The job placement rates for the Program, calculated pursuant to Cal. Educ. Code Section 94929.5, are as follows:

Calendar Year	Number of Students Who Began Program <sup>1</sup>	Number of Graduates <sup>2</sup>	Graduates Available for Employment <sup>3</sup>	Graduates Employed in the Field <sup>4</sup>	Placement Rate % of Graduates Employed in the Field <sup>5</sup>	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
