CATALOG CHANGES

Students are expected to become thoroughly familiar with the contents of the Momax Truck driving School Catalog and to comply with the provisions pertaining to them. All statements in that publication are subject to change at any time without prior notice. They are not to be regarded as offers to contract. The Catalog outlines the minimum academic regulations and degree requirements. Momax Truck Driving School may adopt additional and/or more stringent requirements for admission, retention and certificates that take priority over the Catalog's minimum regulations. It is the student's responsibility to become familiar with both the Catalog. The Catalog is updated annually. Policy changes become effective the fall following the approved change. Students will be notified if there are exceptions to the effective date.

CATALOG OF ENTRY

When a student is admitted, the school accepts the responsibility to provide the vocational/academic program in which the student has enrolled. To accomplish this goal, all programs are under constant review for improvement and updating to best meet the demands of the job market.

If any program requirements are changed, students already enrolled will be protected from any hardship resulting from such changes. Consequently, the course and the unit hour requirements stated in the catalog at the time of the student's start date shall determine that student's graduation requirements.

Restarts however, will be required to meet new program requirements.
Catalogs in force at the restart date will become the catalog of entry.

GRADES AND SATISFACTORY PROGRESS

Grades are awarded on a traditional A, B, C, D and F system. The minimum passing grade is a D. The minimum allowable grade to maintain satisfactory progress is a D, or 70.

In calculating a student's grade, the following policy applies:

- | | | |
|------------------------|--------------|---|
| 1. Excellent | 93-100 | A |
| 2. Above Average | 85-92 | B |
| 3. Average | 78-84 | C |

- 4. Below average.....70-77D
- 5. Unsatisfactory69 or belowF

If the student has not completed the coursework and earned a grade at the end of the course, the instructor may issue one of the following grades.

I Incomplete If the course has not been completed, the instructor may grant an I on a two-month extension of the term, at no additional tuition cost, when the student is making satisfactory progress and the instructor believes that an extension of time will permit satisfactory completion. At the end of this period, a final grade must be recorded.

W Withdraw The student may withdraw from any course before the end of the term. At the end of the term, the instructor may withdraw the student from the course and issue a W when the instructor believes the student's progress is insufficient to warrant an extension. A student who withdraws or is administratively withdrawn must retake the course and is responsible for a new tuition payment for that course of study.

SATISFACTORY ACADEMIC PROGRESS

Satisfactory Academic Progress is defined as meeting acceptable standards as defined by pre-determined objectives of the institution. These objectives are directly correlated to the performance standards set by the institution.

The elements of satisfactory progress are as follows:

Satisfactory progress is evaluated at 50% and a 100% point of the program. The student is required to make quantitative progress toward program completion. Students maintaining an average grade of 70% (G.P.A of 2.0) or better meet the quantitative measure of Satisfactory Academic Progress. The student must also meet attendance policy and thereby maintaining an overall attendance rate of 100%.

The student’s academic average is reviewed to determine **qualitative progress**. The minimum required is 70% at the conclusion of each evaluation period. Incomplete grades are not given, and students must repeat any classes in which they earn less than a 70% average. Course work repeated may adversely affect a student's academic progress in terms of the maximum time frame. Students who withdraw from the program will receive a grade of 0 in each class interrupted by the withdrawal. All interrupted classes must be repeated upon readmission to the institution.

MAXIMUM TIME FRAME

Students must complete their programs within 1.5 times the scheduled program length. If the scheduled program length is 8 weeks the maximum time frame is 12 weeks

This may include contacting an institution to which you may seek to transfer after attending Momax Truck Driving School to determine if your certificate(s) will transfer.”

ARTICULATION OR TRANSFER AGREEMENT

This institution has not entered into an articulation or transfer agreement with any other college or university.

STUDENT GRIEVANCE PROCEDURES

This institution is dedicated to fair dealing and professional conduct. Should any student have a complaint, the student is asked to discuss the matter directly with an instructor or administrator. That instructor or administrator will engage in an informal process endeavoring to settle the dispute in good faith. That informal process will involve three steps:

- 1: an effort to define the problem,
- 2: an effort to identify acceptable options for resolution, and
- 3: an attempt to resolve the conflict through the application of one or more of those options for resolution.

The student may thereafter choose to file a written complaint directly with the institution's Chief Academic Officer who will work to resolve the matter. The Chief Academic Officer is the individual designated to resolve student complaints. That individual will investigate all formal (written) complaints, endeavor to resolve all such complaints, and record an entry into the institution's official log. The formal process will involve:

1. The student's submission of a written description of the specific allegations and the desired remedy, accompanied by any available documentary items. The filing deadline is 60 days after the beginning date of the term following that in which the dispute(s) occurred or are alleged to have occurred.
2. The student may terminate the formal process should, in the interim, the informal process produce a satisfactory resolution.
3. The Chief Academic Officer will notify all parties involved of the receipt and nature of the grievance. If a policy is being grieved, the administrator responsible for the policy will be notified.
4. A timeline for resolution will be delivered to the principals by the Chief Academic Officer.
5. Interested parties will communicate with the CAO in order to make recommendations to resolve the grievance.
6. The party responsible for implementing the selected method of resolution will notify the principals of the decision reached. In the event that a student does not agree to the resolution proposed, the student retains the right to file a complaint with the Bureau for Private Postsecondary Education, Sacramento, CA.

LEAVES OF ABSENCE

Should circumstances be such that a leave of absence is to be requested, a student must submit an application for a leave of absence. At the discretion of the Chief Academic Officer, a leave may be granted for a reasonable time, as warranted by the circumstances. If a student repeatedly resorts to the use of a leave of absence, and if such applications show a pattern of delays, or should the issuance of a leave of absence be such that it would significantly interfere with the planned completion of a program of study, the Chief Academic Officer may, in his/her sole discretion, dismiss a student from the program and issue the appropriate refunds as may be required.

ACADEMIC PROBATION AND DISMISSAL POLICY

“The Chief Academic Officer may place a student on academic probation if the student is not making satisfactory academic progress as per this institution's published policy. The student's grade point average will be monitored at the end of each enrollment period when the grades are posted. Should the GPA fall below that required for graduation, a student may be placed on academic probation. This will result in a formal advisory, which will be sent to the student, indicating the reason for the probation. Failure to maintain satisfactory academic progress may result in dismissal from the program.”

STUDENT CONDUCT

Students are expected to behave professionally and respectfully at all times. Students are subject to dismissal for any inappropriate or unethical conduct or for any act of academic dishonesty. Students are expected to dress and act accordingly while attending this institution. At the discretion of the school administration a student may be dismissed from school for reasons including, but not limited to:

- Coming to class in an intoxicated or drugged state.
- Possession of drugs or alcohol on campus.
- Possession of a weapon on campus.
- Behavior creating a safety hazard to other person(s).
- Disobedient or disrespectful behavior

Any students found to have engaged in such conduct will be asked to leave the premises immediately. Disciplinary action will be determined by the Chief Executive Officer of this institution and such determination will be made within 10 days after meeting with both the chair of the department in which the student is enrolled and the student in question.

Comprehension of normal native speech is typically nearly complete. If account is delinquent for over 30 days, the student will be dropped from the program of study. Students who have elected the Payment Plan may pay off the balance in advance.

CANCELLATION

Students may cancel or withdraw from the program. Cancellation or withdrawal may be effectuated by the student's written **NOTICE OF CANCELLATION** or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

Students have the right to cancel the **ENROLLMENT AGREEMENT** that a students' signed for a program of instruction including any equipment, such as books, materials, and supplies, or any other goods and services included in the agreement. Momax Truck Driving School shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit or registration fee not to exceed \$100 if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. §94920(b) Cancellation shall occur when students gives written **NOTICE OF CANCELLATION** at the address of the school shown on the top of the front page of the **ENROLLMENT AGREEMENT**. Students can do this by mail, hand delivery, email, or telegram. The written **NOTICE OF CANCELLATION**, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written **NOTICE OF CANCELLATION** need not take any particular form, and, however expressed, it is effective if it shows that students no longer wish to be bound by students' **ENROLLMENT AGREEMENT**. Students will be given a '**NOTICE OF CANCELLATION**' form when they enroll, but if a student chooses to cancel, the student can use any written notice that the student wishes.

Momax Truck Driving School has a refund policy for the return of unearned institutional charges if the student cancels an **ENROLLMENT AGREEMENT** or withdraws during a period of attendance. The refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund. §92940(d)

If the student has purchased any equipment from the school, including books or other materials, students shall return them to the school within 30 days following the date of student's **NOTICE OF CANCELLATION**. If student fails to return this equipment, including books, or other materials, in good condition within the 30-day period, the school may deduct its documented cost for the equipment including books from any refund that may be due student.

STUDENT DROP POLICY

Students may be dropped by the School from a program for any of the following: unsatisfactory academic performance (below a "C") after given a probationary period; insufficient lesson responses, failure to complete program within the maximum timeframe allowed; medical excuse from physician; failure to adhere to Student Code of Conduct; failure to pay charges when due; breach of the school's **ENROLLMENT AGREEMENT**. Students may be readmitted to their program of study only upon approval of the Director.

ABSENCE

Absence will be considered excused under the following circumstances: illness, death or birth in the immediate family and other valid reasons substantiated in writing and at the discretion of the school director. All other absences will be considered unexcused

TARDINESS

Tardiness is a disruption of a good learning environment and is to be discouraged. Any student who is tardy (more than thirty (30) minutes late without legitimate reason) twice during the same session (course) will receive one unexcused absence.

INTERRUPTION FOR UNSATISFACTORY ATTENDANCE

Students with **THREE** unexcused absences in any class will receive written notification of academic probation. Any unexcused absences during such probationary period will be cause for interruption of the student's training program.

CLASS CUTS

Class cuts will be considered unexcused absences.

MAKEUP WORK

Make up work may be required for any absences. However, hours of makeup work cannot be accepted as hours of class attendance.

LEAVE OF ABSENCE

Written requests for leave of absence will be considered and such leaves may be granted to students at the discretion of the school director.

Students are expected to attend class as scheduled, as they would be expected to be present for work. Absences and tardiness will be recorded.

Students falling to maintain satisfactory attendance will be counseled by administrator. If attendance fails to improve, the school administrator, acting at the direction of the school management may dismiss a student for unsatisfactory attendance. Re-admittance may be permitted if the cause for unsatisfactory attendance has been corrected.

The student must arrange make-up class work with the individual instructor or the Director.

WITHDRAWAL/TERMINATION, APPEAL AND REINSTATEMENT

Should a student find it necessary to discontinue their training, they should arrange to meet with the school Director to discuss their situation and submit written notification of their request. Students shall be terminated for failure to (1) meet minimum standards for academic progress, (2) meet the minimum conduct standards of the school, or (3) fulfill their financial obligations according to their agreement with the school.

Students not maintaining Satisfactory Academic Performance during the first 25% of the stated course period will be placed on academic probation for the next 25% of the course. Such students shall receive a written **ACADEMIC-ATTENDANCE PROBATION** form from the Director of Education outlining the procedure, and a copy will be kept in the student's academic file. Upon completion of the probationary period, students shall be advised in writing and a copy will be kept in the student's academic file.

Whether termination of enrollment is voluntary or involuntary, students should realize that they remain obligated for the amount of tuition and fees due the school based on the refund policy. Students have the right to appeal dismissal decisions made by the school administration by submitting a written request to the school Director describing any mitigating circumstances or

conditions, which warrant special consideration. If the appeal is accepted, the student may be reinstated according to special terms and conditions stipulated by the school Director.

If, at the end of the probationary period, the student has not corrected the progress deficiencies, the students may be subject to withdrawn at the discretion of the school Director, and may be deemed ineligible for graduation.

If the student has corrected the progress deficiencies, then the school Director shall execute a **STUDENT STATUS CHANGE** and send it to the Registrar.

REFUND POLICY

For the purpose of determining the amount you owe for the time you attended, you shall be deemed to have withdrawn from the program when any of the following occurs:

- a. You notify the School in writing of your withdrawal or the actual date of withdrawal.
- b. The School terminates your enrollment.
- c. You have failed to attend classes for a three-week period. The date of your withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining when the refund must be paid. The student shall be deemed to have withdrawn at the end of the three-week period.

If the amount that you have paid is more than the amount that is owed for the time you attended. Then a refund will be made within 45 days of withdrawal. If the amount that you owed is more than the amount that you have already paid, they will have to make arrangements to pay it.

Assume a student enrolls in a 400-hour program, and pays \$5,700.00 for tuition, \$250.00 for registration fee, then withdraws after completing 125 hours of elapsed time without returning the equipment he/she obtained. The pro rata refund to the student would be \$3,918.75 based on the calculation stated below. If the student returns the equipment in good condition within 30 days following his/her withdrawal, the school shall refund the charge for the equipment paid by the student.

SAMPLE REFUND CALCULATION

Based on the preceding example, the refund calculation would be made in the following way:

Amount Paid (Total):	5,950.00
