Information regarding general salary and placement statistics may be available from government sources or from the institution, but not equivalent to actual performance data.

<sup>1</sup>“Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup>“Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

<sup>3</sup>“Graduates” is the number of students who completed the program within 100% of the published program length.

<sup>4</sup>“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

<sup>5</sup>“150% Graduates” is the number of students who completed the program within 101-150% of the published program length.

<sup>6</sup>“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

<sup>1</sup>“Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup>“Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

<sup>3</sup>“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>4</sup>“Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment shall begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.

<sup>5</sup>“Placement Rate is calculated by dividing the number of graduates employed in the field by the number of graduates available for employment.
