²“Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴“Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment shall begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.

⁵“Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

**Pursuant to CEC 94910(f)(2) the fact sheet must include a statement informing the reader where he or she may obtain from the institution a list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates. The document should be a list of the actual positions obtained by graduates that were used to calculate the placement rate.*
