Student Loan Information

The Cohort Default Rate (CDR) represents the percentage of this institution's students that failed to make required payments on their federal loans within three years of when they were required to begin repayment of the loan. The most three year cohort default rate reported by the U.S. Department of Education for this institution is 0%. Instituto Hispano Americano does not participate in federal financial aid programs.

The percentage of the students who attended this institution in 2013/ 2014, who received federal student loans to help pay for their cost of education at the school was 0%.

This fact sheet is filled with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law. Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at P.O. Box 980818 West Sacramento, CA 95798-0818, (888) 370-7589 or (916) 431-6959, fax (916) 263-1897.

I have read and understand this School Performance Fact Sheet. The School Performance Fact Sheet was reviewed and discussed with a school official prior to signing an enrollment agreement.

DEFINITIONS

¹ "number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year, and includes all the students who remained enrolled after their cancellation period.

² "Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.

³ "Graduates" is the number of students who completed the program within 100% of the published program length.

⁴ "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation

5. "150% Graduates" is the number of students who completed within the 101-150% of the program length.
6. "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the program length divided by the number of students available for graduation in the published program length period.
7. "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means the graduates who after graduation die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau approved postsecondary institution.
8. "Graduates employed in the field" means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment must begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program. The students are not required to report employment information to our institution.
9. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
10. "Number of Students Taking Exam" is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time. The school does not offer courses that require licensing exams.
11. "Exam Date" is the date for the first available exam after the students completed the program.
12. "Passage Rate" is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.
13. "Number Who Passed First Exam Taken" is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt. The school does not offer courses that require licensing exams.
14. "Salary" is as reported by the student. Not all graduates report salary.

Student Loan Information

The Cohort Default Rate (CDR) represents the percentage of this institution's students that failed to make required payments on their federal loans within three years of when they were required to begin repayment of the loan. The most three year cohort default rate reported by the U.S. Department of Education for this institution is 0%. Instituto Hispano Americano does not participate in federal financial aid programs.

The percentage of the students who attended this institution in 2013/2014, who received federal student loans to help pay for their cost of education at the school was 0%.

This fact sheet is filled with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law. Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at P.O. Box 980818 West Sacramento, CA 95798-0818, (888) 370-7589 or (916) 431-6959, fax (916) 263-1897.

DEFINITIONS

¹ "number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year, and includes all the students who remained enrolled after their cancellation period.

² "Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.

³ "Graduates" is the number of students who completed the program within 100% of the published program length.

⁴ "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation

⁵ "150% Graduates" is the number of students who completed within the 101-150% of the program length.

6. "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the program length divided by the number of students available for graduation in the published program length period.
7. "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means the graduates who after graduation die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau approved postsecondary institution.
8. "Graduates employed in the field" means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment must begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program. The students are not required to report employment information to our institution.
9. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
10. "Number of Students Taking Exam" is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time. The school does not offer courses that require licensing exams.
11. "Exam Date" is the date for the first available exam after the students completed the program.
12. "Passage Rate" is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.
13. "Number Who Passed First Exam Taken" is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt. The school does not offer courses who require licensing exams.
14. "Salary" is as reported by the student. Not all graduates report salary.

Student Loan Information

The Cohort Default Rate (CDR) represents the percentage of this institution's students that failed to make required payments on their federal loans within three years of when they were required to begin repayment of the loan. The most three year cohort default rate reported by the U.S. Department of Education for this institution is 0%. Instituto Hispano Americano does not participate in federal financial aid programs.

The percentage of the students who attended this institution in 2013/ 2014, who received federal student loans to help pay for their cost of education at the school was 0%.

5. "150% Graduates" is the number of students who completed within the 101-150% of the program length.
6. "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the program length divided by the number of students available for graduation in the published program length period.
7. "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means the graduates who after graduation die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau approved postsecondary institution.
- 8 "Graduates employed in the field" means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment must begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program. The students are not required to report employment information to our institution.
- 9 "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- 10 "Number of Students Taking Exam" is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time. The school does not offer courses that require licensing exams.
- 11 "Exam Date" is the date for the first available exam after the students completed the program.
- 12 "Passage Rate" is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.
- 13 "Number Who Passed First Exam Taken" is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt. The school does not offer courses that require licensing exams.
- 14 "Salary" is as reported by the student. Not all graduates report salary.
