NOTE: Information is derived from the school’s most recent Annual Report to the Bureau for Private Postsecondary Education. Which may be accessed for review on the school website: <http://firstacademyofbeauty.com/> under the Information tab:

NOTES: 1"Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year. 2 "Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty. 3"Graduates" is the number of students who completed the program within 100% of the published program length. 4"Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation. 5 "150% Graduates" is the number of students who completed the program within 101-150% of the published program length. 6"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period. 7 Number of Students Who Began Program' means the number of students who began the program who are scheduled to complete the program within the reporting calendar year. 8 Number of Graduates' is the number of students who have completed the program within 100% of the published program length. 9 Graduates available for employment' means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment' means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution. 10 Graduates employed in the field' means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position. 11 Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment. 12 Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time. 13 Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt. 14 Passage Rate is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program. 15 Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution. 16 "Graduates employed in the field" means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position. 17 Salary is as reported by the student. Not all graduates reported salary.

The Following may be obtained upon request from the School Director as required by subdivision (b): * A list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates. *A list of the objective sources of information used to substantiate the salary disclosure
