Mission and Objectives

Green Valley Truck School: Is a private institution and that is approved to operate by the Bureau for Private Post Secondary Education. CEC 4909(a)(2)

Green Valley Truck School also known as **GVTS** is dedicated to helping people gain success by providing the necessary tools to prepare students to drive commercial vehicles and obtain a class **A or B** license to better their future. An important component of our courses are traffic rules and public safety, which not only asset the student driver, but are also a great benefit to the general public.

Green Valley Truck School provides the knowledge and techniques to its students in order to achieve the skills required to perform the driver's job.

Green Valley Truck School will be the solution for the need in qualified drivers demanded by the market. According to the California Projections of Employment, Published by the Labor Market Information Division of the EDD, it is estimated that there will be 50,000 job openings through 2015 **(These figures do not include self-employment or openings due to (turnovers)).**

Spanish Courses: Green Valley Truck School is currently offering courses in Spanish. All materials offered will be provided in Spanish upon request, including any handbook or textbooks required by the course.

Theoretical and Practical Course

If the students accomplish each of their responsibilities and pass the written and the road test given by the DMV, then the student will get its **DMV license** and also will become a **Graduate** student in Green Valley Truck School.

*If a student does not pass the **Theoretical written DMV exam** at the DMV, after their 3 chances, which is required to go on to the Practical part of the course, he/she will have the following options:

The student can retake the **Theoretical** class and have another 3 tries at passing the DMV written exam at no extra cost with GVTS but the student will pay again the DMV fee.

*If a student does not pass the **Practical DMV exam** at the DMV, after their 3 chances, which is required to get its license at the DMV, he/she will have the following options:

The student can retake another 3 tries at passing the DMV practical exam at no extra cost with GVTS but the student will pay again the DMV fee.

Endorsement Electives

The student must pass the DMV endorsement test in order to receive the endorsement on His/her license. They are given three chances to pass each endorsement test. In case the student fails, he/she has the option of retaking the endorsement class at no extra cost with GVTS but the student will pay again the DMV fee.

Description of the Instruction

Teachers prepare instructional materials and instructional tools. Such teaching tools that are crucial to the hands-on training students receive. Instructors will provide the student's **Theoretical** instruction, in order to pass the written exams that are essential to receiving the license permit from the DMV. There are three written exams the DMV requires the student to pass in order for them to have the permit: **General Knowledge, Combinations, and Air Brakes**. There are another three **optional** written exams that could be taken at any time, even after the student receives the Professional License. **The three optional exams are: Doubles / Triples, Tanks, and Hazardous Materials**.

Instructors will also give the students, **Practical** instruction, in which the instructor shows the student how to operate the vehicles. The instructor lets the students practice to achieve the necessary skills to pass the final operational test to get the **Professional class 'A' or 'B'** license from the DMV. Three **Practical** basic skills are required and must be passed by the student. These skills include: **Pre-Trip Inspection, Reverse or Backing, and Driving on the road**.

Instructors, sometimes known as “teachers”, educate truck drivers. Some specialize in single subjects, like **Theoretical** instruction or the **Practical** Instruction, while others specialize in both parts. They choose their own instructional methods, which vary from formal lecture to open, spirited discussion. Teachers use a variety of media and demonstration materials to get students involved in the educational process. Instructional content and textbooks are usually determined by state government board standards and Green Valley Truck School curriculum guidelines approved by the DMV or the Board of Education.

Faculty: The Instructors will be required to have the following: A GED or a High School Diploma, class “A” Driver’s license with hazardous material endorsements, a minimum of five years experience as a truck driver or a certificate of instruction from this school or any other truck driving schools, no record of any violations of the Act. **CEC 94909 (a)(7)**.

Minimum level of education:

GVTS requires that all their students pass a simple English (or Spanish) and Arithmetic test prior to taking any courses offered at GVTS.

**Example of TOTAL Cost value of the Professional class A
Course of 180 instruction hours.**

The TOTAL Cost is as follow:

Expenses.	\$ <u>400.00</u>
Tuition.	\$ <u>5790.00</u>
Pre-Tuition Fees	\$ <u>310.00</u>
Student Tuition Recovery Fund. (non-refundable) (Only for California residents)	\$ _____
TOTAL =	\$ <u>6500.00</u>

- ⓐ The Pre-Tuition Fees + STRF. (It Makes a total of \$ **310.00.00** dollars)
This portion will be refund according to the policies 9, 10 and 11 shown in the contract.
- ⓐ The Theoretical and Practical course, which are the **Expenses + Tuition**
(It Makes a total of \$ **5790.00** dollars) divided in 180 hours, it is equal to:
\$ 32.16 per hour.
- ⓐ If the customer attends 96 hours, which is 53% of 180 hours, then deduct of 180 the 96 hours attended and the leftover balance will be 84 hours, times 84 per \$ 32.16 (which correspond to the price per hour) and will be \$ **2701.44 Dollars**
This portion will be refund according to the policies 9, 10 and 11 shown in the contract.

◆The seller shall pay or credit the **refund** due on the **30 days** following the date upon which the Student's withdrawal has been determined.

VISA:

The GVTS institution does not admit students from other countries, (unless those students were permanent residents or American citizen, other wise DMV won issue a DMV license) Because DMV provide the CDL hand books in English and Spanish, the Spanish people can make the written test in Spanish, so all of the following disclosures won be needed:

Whether English language services, including instruction, are provided and, if so, the nature of the service and its cost.

Whether the visa services are provided or whether the institution will vouch for student status, and any associated charges. CCR 71810(b) (3)

The level of English language proficiency required of students and the kind of documentation of proficiency, such as the Test of English as a Foreign Language (TOEFL) that will be accepted. CCR 71810(b) (4)

Whether any instruction will occur in a language other than English and, if so, the level of proficiency required and the kind of documentation of proficiencies, such as the Unites States Foreign Service Language Rating System, that will be accepted. CCR 71810(b) (5)

Experiential Credit:

The GVTS institution's policies and procedures for the award of credit for prior experiential learning, including assessment policies and procedures, provisions for appeal, and all charges that a student may be required to pay, are described on the refresher course choice offered in those Programs (Pages 4 & 5), also are as follow:
The customer or student should give prove of previous experience and must be able to pass a GVTS practical test. CCR 71810(b)(7)

Financial Aid:

The GVTS institution's policies and practices regarding any form of financial aid, including all consumer information which the institution is required to disclose to the student under any state or federal financial aid program are not needed at this point since GVTS currently is not participating in any state or federal financial aid program.
CCR 71810(b) (6)

Distance Education:

The GVTS institution is not yet offering distance education, the approximate number of days that will elapse between the institution's receipt of student lessons, projects, or dissertations and the institution's mailing of its response or evaluation, do not apply at this moment. CCR 71810(b) (11)

Online Disclosure:

The GVTS institution is not offering Distance Educational Programs at this time- Specific Provisions for Instruction Not in Real Time is not applicable at this moment, CCR 71716.

Housing

“The institution has no responsibility to find or assist a student in finding housing”, the program is ‘non- residential “does not satisfy this subparagraph. CCR 71810913)(C)

Job placement: Without commitment or obligation to Green Valley Truck School to find a job for the customer, there will be one day (8 hours) available to the students towards the end of the course, to have one student at a time per hour learn how, through the Internet, they can get in contact with the jobs available on the market. This task will be made available by Jorge Cobian. The computers available to the students for this day are located in the classroom area. An example of the web pages they can access will be provided to the students upon request. There will also be a bulletin board containing a printout of the current jobs available on the market, and could be checked by all the graduated customers at any time.

Record Retention:

Student records will be started by the marketing department to gather all the necessary forms and materials from the student. Then they will be transferred to the personnel department to be maintained in a locked file cabinet. A back-up copy will be maintained in a USB separate storage facility for safety reasons. Every student will be assigned a student ID number. Green Valley Truck School will use this, along with the student's name, to keep all of the student information organized. After a student has graduated, his or her file will be maintained at the storage site for a minimum of five years. A student's file will be maintained for a minimum of five years even if a student does not complete the course. The Transcripts are to be kept permanently at the storage site, Included in the file will be all of the following information separated by sections within the files:

1. Contract with school, instruments of indebtedness.
2. Copies of all Legal requirements (mentioned in section 9.2) such as DMV print out, Pull Notice Program enrollment, current Medical Card, etc.
3. Completion of English and Arithmetic exam.
4. Records of the dates of enrollment (stated in the Contract), records of withdrawal, leaves of absence, and graduation.
5. Financial Information (proof of payment, etc.)
6. Any refund records (when applicable), including the amount refunded for tuition and the amount for equipment, the method of calculating the refund, the date the refund was made, the check number of the refund, and the name and address of the person or entity to which the refund was sent.
7. Written records and transcripts of any formal education or training relevant to the student's qualifications for admission to the institution.
8. Student's Class Attendance and Grades.
9. Certificate of Completion.
10. Copies of all policies or notices and disclosures issued to the student.
11. Miscellaneous Section (complaints, special requests, Instructor Evaluation, etc).

File Maintenance: During the course, any forms turned in from the Instructors, Finance Dept., or others, that will need to be added to the student's file, will be turned in to the personnel department for filing. The Personnel department will scan those documents and will send a USB back-up copy of the file to a separate storage facility.

File Storage: Files will be stored in a locked and confidential file cabinet not accessible to the public. The file cabinet will be kept at the administrative office site and a USB back-up copy of the files will be kept at a separate storage facility. There will also be some files, like financial files, that will also be kept on computer hard disks. These USB flash drive and computers will also be located at the administrative office site. The disks will be backed up every month and the USB back-up copies will be maintained at a separate storage facility. Once the student has completed the course and their file is considered closed, the file will be also transferred to a safe and separate storage facility. The file will be kept in storage for five years in case it is required, After that, the file will be properly shredded.

The Transcripts are to be kept permanently in case it is required. CCR 71810(b)(15)

Safekeeping: The student's records will be kept in a locked file cabinet. A set of back-up scan files will be kept into a USB flash drive at a safe storage facility separate from the office location. The storage facility is located at 908 Changason Way Modesto CA 95354. Some information, like financial records, will also be kept on computer USB flash drive. The information that is imputed into computer USB flash drive will be backed up on a monthly base. The back-up USB will be kept at the same storage place as the back-up files. Once the student has completed the course and their file is considered closed the file will be transferred to a safe storage location within the administrative office. The file will be kept in storage for five years in case it is required. After that the file will be properly discard or shredded.

The Transcripts are to be kept permanently in case it is required. CCR 71810(b)(15)
