¹ "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² "Number of Graduates" is the number of students who have completed the program within 100% of the published program length.

³ "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴ "Graduates employed in the field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵ Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

94910. Minimum Requirements for School Performance Fact Sheet

Prior to enrollment, an institution shall provide a prospective student with a School Performance Fact Sheet containing, at a minimum, the following information, as it relates to the educational program:

- (a) Completion rates, as calculated pursuant to Article 16 (commencing with Section 94928).
- (b) Placement rates, as calculated pursuant to Article 16 (commencing with Section 94928), if the educational program is designed to lead to, or the institution makes any express or implied claim related to preparing students for, a particular career, occupation, vocation, job, or job title.
- (c) License examination passage rates for programs leading to employment for which passage of a state licensing examination is required, as calculated pursuant to Article 16 (commencing with Section 94928).
- (d)
 - (1) Salary or wage information, as calculated pursuant to Article 16 (commencing with Section 94928), if the institution or a representative of the institution makes any express or implied claim about the salary that may be earned after completing the educational program.

(2) Additionally, each institution that offers an educational program designed to lead to a particular career, occupation, vocation, trade, job, or job title shall disclose the wage and salary data for the particular career, occupation, trade, job, or job title, as provided by the Employment Development Department's Occupational Employment Statistics, if that data is available.

(e) If a program is too new to provide data for any of the categories listed in this subdivision, the institution shall state on its fact sheet: "This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data."

(f) All of the following:

(1) A description of the manner in which the figures described in subdivisions (a) to (d), inclusive, are calculated or a statement informing the reader of where he or she may obtain a description of the manner in which the figures described in subdivisions (a) to (d), inclusive, are calculated.

(2) A statement informing the reader of where he or she may obtain from the institution a list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates as required by subdivision (b).

(3) A statement informing the reader of where he or she may obtain from the institution a list of the objective sources of information used to substantiate the salary disclosure as required by subdivision (d).

(g) The following statements:

(1) "This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law."

(2) "Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education, P.O. Box 980818, West Sacramento, CA 95798-0818, Phone: (888)370-7589 Web site: www.bppe.ca.gov"

I certify that I have received the catalog, School Performance Fact Sheet, and information regarding completion rates, placement rates, license examination passage rates, and salary or wage information included in the School Performance Fact sheet, and have signed, initialed, and dated the information provided in the School Performance Fact Sheet.
