Students are also required to adhere to certain other general institutional policies relating to attendance and tardiness. These policies are outlined elsewhere in this catalog.

3. Complete the course within a maximum time frame of one and one-half (1-½) times the length of the course as stated in the enrollment agreement. For example, if the student has contracted to complete the course within 40 weeks (100% full-time) (including grace time for absences), he or she must complete within 60 weeks (150% part-time).

4. Students meeting the minimum requirements for attendance and academic progress at any evaluation point will be considered to be making satisfactory progress until the next evaluation. Students must meet minimum academic and attendance requirements for at least one evaluation prior to the midpoint (50%) of academic year of the course to be considered as making satisfactory progress at the end of an evaluation period will be considered to be making satisfactory progress until the next evaluation.

5. Warning: Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If the student is receiving financial aid, at the end of the warning period the student has still not met both the attendance and academic requirements, he/she will be deemed ineligible for Federal Student Aid. A student may appeal this decision and if approved, be placed on Probation for the next payment period.

6. Probation: Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be deemed ineligible for Federal Aid and are not considered to be making satisfactory academic progress. The student can appeal the decision. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

In the event a student is terminated due to not making Satisfactory Academic Progress, all policies regarding the institution’s refund policy will apply.

Probationary students who meet SAP by the conclusion of the probationary period will be removed from academic probation.

7. Re-establishment of SAP: A student that prevails upon the appeal process will be determined as making satisfactory progress. Financial aid eligibility for funds will be reinstated to the student only for that payment period under the probation status.

This information should include what has changed about the student’s situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

Grading System:

- Superior Performance: 100% - 90% = A
- Above Average: 89% - 80% = B
- Minimum Academic Status (Average): 79% - 70% = C
- Unsatisfactory: 69% - 60% = D
- Fail: 59% - Below = F

9. Evaluation points and Payment Periods: Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements. Evaluations are conducted at the end of each payment period at the evaluation point indicated below. Student’s compliance with the satisfactory academic progress is evaluated as follows:

Waynes College of Beauty allows for these unique circumstances by allowing a Leave of Absence (LOA) from the program. However, LOAs can only be granted under special circumstances and if the request is formally made in writing by the student. Approval may be granted by a Waynes College of Beauty supervisor.

Whether the circumstances are for personal or unforeseen events LOAs are granted for 30 days. In rare cases, such as a serious medical condition an LOA may be granted for up to 6 (six) months providing there is a written request from the student’s physician.

Waynes College of Beauty recommends that unless there is a serious need, do not request an LOA. LOA’s can only be granted once every 12 months. Students returning from authorized LOAs will retain all credit for clocked hours and projects completed prior to their departure. Additionally, students returning from authorized LOAs will also resume their academic progress status held prior to their LOA departure. Once you return from a LOA the school will extend the student’s maximum time frame and the contract period by the same number of days taken in the LOA.

PLEASE NOTE: Any student who fails to return from their authorized LOA will be considered dismissed (FROM THE LAST DAY OF ATTENDANCE, PRIOR TO THE START OF THEIR GRANTED LOA).

ATTENDANCE

Full Time students are required to attend a minimum of 30 hours per week.

Half Time students are required to attend a minimum of 12 hours per week. This only applies to High School students.

Part Time students are those students who must attend 25 hours, but less than 35 hours per week.

GRADING SYSTEM

Students are evaluated on a regular basis on THEORY, PRACTICAL, and CLINICAL work. The evaluations are measured on a standard grading system based on a percentage point grade. Evaluation forms are issued to students at the following intervals of their program (450 HOURS, 900 HOURS AND 1250 HOURS). The evaluation forms reflect the overall attendance and the academic progress of each student.

PLEASE NOTE: Each student MUST maintain a (70%) or “C” average to maintain a satisfactory academic status. (See page 9-11 for the grading system.)

ENGLISH AS A SECOND LANGUAGE

This institution does not offer English as a Second Language (ESL) course. All prospective students that are accepted for enrollment must be proficient in the English language.

GRADUATION DOCUMENTATION

When a student has completed the required theory hours and practical operations with a GPA (Grade Point Average) of “C” (70%) or better and a simulated (mock) board, he/she is awarded a certificate of completion certifying his/her course completion. Students are assisted in completing the necessary documents to file for the appropriate State Board of Barbering and Cosmetology Examination.

PROGRESS POLICY

Considering the carried capabilities of individual students, some may progress from one phase of training to another at a more rapid pace. However, all students must satisfactorily complete all subject matter prior to graduation unless credit has been allowed for previous training or experience in a particular subject area. Successful graduates will be awarded an appropriate certificate upon completion of their training program.

PLACEMENT

Job placement assistance is provided to graduates and students at no additional charge. Upon graduation, student’s name is recorded in an Annual Report and the process of follow-up begins. When students take the State Board examination, it is recorded as a pass or fail. Students are encouraged to return for placement assistance. Mrs. Bertha Estrada assists students in placements as often as need; however, the school does not guarantee placement to any student. The school places job positions on the bulletin board that can be accessed by all the students.
CAREER COUNSELING

Students are counseled individually, approximately every six weeks to review the student’s progress and adjustment. Successful Salon Owners and Stylists are scheduled into the school regularly to give demonstrations and discuss career goals, etc. with the students. This activity supplements the daily counseling carried out by the instructors and supervisor. Students may request additional counseling sessions at any time.

PERSONAL ATTENTION

Students are given personal attention assistance at every stage of training from the first day of enrollment to the day of graduation. Particular attention is given to preparation for the California State Board Examination.

VACCINATION POLICY

At this time, Waynes College of Beauty, does not have requirements regarding vaccinations. You may seek vaccinations at our local health department.

TIME ACCRUAL POLICY

The State Board of Cosmetology only recognizes clocked-time punched hours of attendance. As a result of this requirement, Waynes College of Beauty can only allow clock hours for credit to students who record their time and attendance using the provided punch-in and punch-out clock at the beginning and ending of each day, including their lunch period.

The grace period for clocking-in is seven (7) minutes at the beginning of each class in order to receive credit for (1/4) of an hour at the beginning of the day and at the beginning of a student’s lunch period.

Please note: once a theory class has began, no one is allowed to enter and disrupt the classroom under any circumstances.

At the conclusion of each week a new timecard is prepared based on the previous accruals of the previous timecard. Weekly time accruals are carried forward in the new timecard as an accumulative total reflected in the cumulative column and as such time is carried forward with each time card. All timecards MUST be signed weekly by the student and the instructor.

Time cards reflect the student’s weekly record of hours and operational tasks. It is of the utmost importance for hour and operational tasks are accurately reflected in time cards. All timecards need to be legible to ensure accurate credit and proper transfer of time and operational tasks to the roster of official file.

Timecards are Waynes College of Beauty property and as such, they are to remain in the school premises at all times. Upon arrival to school premises and clocking-in each student is expected to be properly groomed in required and mandate uniform. All non-Wayne’s College of Beauty academic material or activity is not permitted, nor is it tolerated.

There is a zero tolerance policy in engaging in non-school activities, reviewing or focusing on materials which are not directly related to a student’s course, assignment, or training. A student who engages in these activities will be required to immediately cease such activity and/or clock-out for the remainder of his/her day. Continuous activities of such nature can result in termination and or suspension.
TIMECARD CREDIT GUIDE

The following is used by instructors in order to issue credit accordingly.

- Each Theory must be initialed in the correct category. If the category is completed, the instructor may issue credit according to his/her discretion.
- The portion of the timecard titled “Theory Hours Earned” reflects hours earned through class attendance and instructor demonstrations.
- The portion of the timecard titled “Operations” reflects the hours a student has applied in performing the practical subjects.
- Some practical operations may take longer to perform according to the student’s ability to acquire new skills.

**Note:** The following are timed allowances imposed by the California State Board of Cosmetology for each specific operation.

- Shampoo/set = 1 ½ hours (90 Minutes)
- Permanent Wave = 2 to 2 ½ hours (120 to 150 minutes)
- Manicure = ½ hour (30 Minutes)
- Scalp Treatment = ½ to 1 hour (30 to 60 Minutes)
- Facial = 1 ½ to 2 hours (90 to 120 minutes)
- Haircut = ½ to 1 hours (30 to 60 minutes)

The above guide is used by the State Board of Cosmetology to evaluate the training and preparedness of each student. As such, the State Board of Cosmetology does not expect a student to perform three permanent waves per day.

DISCLOSURE OF EDUCATIONAL RECORDS

The Family Educational Rights and Privacy Act (FERPA)

Adult Students and parents of an adult (18 years or above) with a written consent from student have the right to inspect, review, and challenge information contained in their education records. Parents/Guardians of dependent minor students have the right to inspect, review and challenge the information contained in their education records or those of their minor or tax dependent child. However, a staff member must be present while the review of the record is being done. Education records are defined as files, material, and documents which contain information directly related to the student and are maintained by the institution. School will maintain files for five (5) years. Students are not entitled to inspect the financial records of their parents. Written consent is required before education records may be disclosed to third parties with the exception of accrediting commissions or governmental agencies so authorized by law.

TEXTBOOKS, EQUIPMENT & SUPPLIES

Textbooks and Doll head will be issued at the beginning of the freshman class. All needed supplies and equipment will be maintained in the freshman classroom. At the beginning of mid-point Freshman training (approx. 100 hours), each student will be issued a complete kit of equipment with carrying case. The kit contains the equipment necessary for satisfactory completion of the course. Students are expected maintain the kit by replacing lost or broken articles. The college is not responsible for a student’s equipment, either lost or stolen. Students must learn to be responsible for the tools of their trade.

HEALTH AND PHYSICAL CONSIDERATIONS

Generally, the professional in the beauty field must be in good physical health for he/she will be working in direct contact with clients. In most aspects of the beauty culture field there is a great deal of standing, walking, pushing, bending and stretching, and sometimes for long periods of time. A person must consider his/her physical limitations in terms of making a career choice that involves extensive training. We promote the acceptance of students with physical limitations or disabilities if these students believe they can fulfill training demands.

REFUND POLICY

A. An applicant not accepted for training by the school shall be entitled to a refund of all monies paid.

B. If a student (or in case of a student under legal age, his parent or guardian) cancels his/her contract and requests his/her money back in writing by producing a signed and dated copy of the Cancellation Notice, within (7) seven calendar days (by midnight) of the first day of classes, all monies collected by the school shall be refunded. The cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the school administrator/owner in person. This policy applies regardless of whether or not the student has actually started training.

C. If the student cancels his/her enrollment after the seventh assessed calendar day of classes without the student starting classes, he shall be entitled to a refund of all monies paid to the school less a withdrawal fee of $75.00. The cost of the kit and supplies are not refundable due to sanitary reasons.

D. Even if you withdraw more than seven calendar days after the start of class, you may be entitled to a partial refund. You have a right to withdraw from school at any time and receive a refund for the part of the course not taken. The amount of the refunds shall be “pro-rated” according to the incomplete portion of the course, less the cost of an administrative fee of $75.00. The amount the school would be allowed to retain would be calculated in the following manner:

Hypothetical Example (Clock Hour Program) State Pro-rata Policy: Assume that a student, upon enrollment in a 1600 hour course, pays $6,800.00 for tuition, $75.00 for registration, and $525.00, (documented cost to the school) for equipment as specified in the enrollment agreement and withdraws after completing 600 hours without returning (due to sanitary reasons) the equipment he/she obtained. The pro-rata refund to the student would be $4,250.00 based on the calculation stated below. If the student returns the equipment (if it was returnable) in good condition within 30 days following his/her withdrawal, the school would refund the charge for the equipment returned and paid by the student.
