26 **FIRST CAUSE FOR DENIAL OF APPLICATION**

27 **(Failure to Meet Minimum Operating Standards – Description of Educational Program 28 Fails to Provide Acceptable Course Content)**

29 26. Respondent's application is subject to denial under Education Code section 94891,
30 subdivision (b) and California Code of Regulations, title 5, section 71710, subdivisions (c)(4) and
31 (6), in that Respondent's syllabi and or course content do not provide sequence and frequency of
32 lessons or class sessions, or a sequential and detailed outline of subject matter to be addressed or
33 a list of skills to be learned and how those skills are to be measured. The course descriptions in
34 the catalog do not appear to be related to the course or the description is unclear and does not
35 explain what will be taught, as follows:

36 a. On November 23, 2015, the Bureau reviewed Respondent's online learning platform.

1 The platform contained one program, which was Masters of Business Administration in Global
2 Leadership. The syllabi posted online for the program did not correspond with the syllabi
3 submitted for review on October 2, 2105, and December 15, 2015.

4 **SECOND CAUSE FOR DENIAL OF APPLICATION**

5 **(Failure to Meet Minimum Operating Standards – Description of Educational Program**
6 **Fails to Determine Length of Educational Programs)**

7 27. Respondent's application is subject to denial under Education Code section 94891,
8 subdivision (b) and California Code of Regulations, title 5, section 71710, subdivisions (c)(3) and
9 (4), in that Respondent's syllabi and or course content do not provide the length of the
10 educational program, or the sequence and frequency of lessons or class sessions. The Bureau is
11 unable to determine the length of the educational programs, as follows:

12 a. The syllabi Respondent submitted to the Bureau lists total program hours and two
13 sets of class times. However, the syllabi do not specify if both class sessions are designated for
14 one course or if a different course will be taken during each session. Additionally, the beginning
15 and end date for each class is not listed.

16 **THIRD CAUSE FOR DENIAL OF APPLICATION**

17 **(Failure to Meet Minimum Operating Standards – Description of Educational Program**
18 **Fails to Provide Clear Learning Objectives)**

19 28. Respondent's application is subject to denial under Education Code section 94891,
20 subdivision (b) and California Code of Regulations, title 5, section 71710, subdivisions (c)(2) and
21 (e), and section 71715, in that Respondent's syllabi and or course content do not provide a
22 statement of educational objectives; specific learning outcomes tied to the sequence of the
23 presentation of the material to measure the students' learning of the material; or, document that
24 the instruction offered leads to the achievement of the learning objectives of each course. The
25 course description, objectives and outcomes do not correspond and the Bureau is unable to
26 determine specific and measurable outcomes for numerous class offerings.

31. Respondent's application is subject to denial under Education Code sections 94891, subdivision (b), 94913, subdivision (a)(2), and 74117, in that Respondent failed to maintain an Internet Web site that provided the School Performance Fact Sheet for each educational program offered by the institution. The Bureau notified Respondent that the link for the most recent School Performance Fact Sheet was not active in the sixth deficiency letter mailed on August 5, 2015. Respondent failed to correct the violation.
