On May 25, 2018, an informal telephone conference was held in the matter of Citation: Assessment of Fine and Order of Abatement No. 1718020 (Citation) against Carlos Gonzalez de Villaumbrosia, Owner of Product School. In attendance were Yvette Johnson, Enforcement Chief; Karlygash Burkithayeva, Joelle Golda and Keith Zakarin, Attorney.

Pursuant to Business and Professions Code, section 148; California Education Code (CEC), section 94944; and Title 5 of California Code of Regulations (5, CCR), section 75020 and section 75040, the Bureau for Private Postsecondary Education (Bureau) renders the following decision relative to your appeal of the Citation No. 1718020.

It is the decision of the Enforcement Chief that on June 14, 2018, Citation No. 1718020 is <u>modified</u> and makes the following change(s):

VIOLATION CODE SECTIONS

CEC 94868. To Offer to the Public

"To offer to the public" means to advertise, publicize, solicit, or recruit."

CEC 94869. To Operate

"To operate" means to establish, keep, or maintain any facility or location in this state where, or from which, or through which, postsecondary educational programs are provided."

CEC 94902. General Enrollment Requirements

(a) A student shall enroll solely by means of executing an enrollment agreement. The enrollment agreement shall be signed by the student and by an authorized employee of the institution.

(b) An enrollment agreement is not enforceable unless all of the following requirements are met:

(1) The student has received the institution's catalog and School Performance Fact Sheet prior to signing the enrollment agreement.

(2) At the time of the execution of the enrollment agreement, the institution held a valid approval to operate.

(3) Prior to the execution of the enrollment agreement, the student and the institution have signed and dated the information required to be disclosed in the Student Performance Fact Sheet pursuant to subdivisions (a) to (d), inclusive, of Section 94910. Each of these items in the Student Performance Fact Sheet shall include a line for the student to initial and shall be initialed and dated by the student.

(c) A student shall receive a copy of the signed enrollment agreement, in writing or electronically, regardless of whether total charges are paid by the student.

On May 2, 2016, the Bureau received an Enforcement Referral from CRP. The referral alleges that P.S. is operating without approval in violation of CEC section 94886.

During the Bureau's investigation, Bureau staff found evidence from P.S.'s website, and through electronic mail correspondence with P.S. employees that P.S. is charging \$3,500 in tuition for its Product Manager course which is not exempt under any of the qualifications of CEC section 94874. Bureau staff found evidence that P.S. may have been operating without approval since incorporating on January 26, 2015. On June 13, 2016, Bureau staff sent P.S. a letter ordering it to cease operating within 14 days.

On November 11, 2016, P.S. submitted an Application for Approval to Operate to the Bureau, however that application has not been approved. Therefore, P.S. is operating without approval and is in violation of CEC section 94886. As of March 28, 2018, P.S. has an active website at www.productschool.com, advertising multiple locations in California including San Francisco, Silicon Valley, Santa Monica, Los Angeles and Orange County. P.S. is advertising and offering one educational course for \$3,995 or \$8,995.00 for 3 courses to become a Full Stack Product Manager.

Order of Abatement:

The Bureau orders that P.S. cease to operate as a private postsecondary educational institution. PS must discontinue recruiting and enrolling students and cease all instructional services and advertising in any form or type of media (including the Internet web site https://www.productschool.com/), until such time as an approval to operate is

obtained from the Bureau. P.S. must disconnect all telephone service numbers associated with P.S. (including phone number (844) 438-2765) until such time as an approval to operate is obtained from the Bureau. P.S. must provide a refund to all students enrolled at the school prior to the receiving an approval to operate from the Bureau as the enrollment agreements signed by the students are not enforceable since the school does not have a valid approval to operate. To comply with the Order of Abatement P.S. must cease operating and submit a school closure plan to the Bureau pursuant to California Education Code Section 94926. The Institution must provide a roster of each student currently enrolled at P.S. The roster must include the name of the student, their contact information (including phone number, email address, and physical address), the program in which they were enrolled, date of enrollment, the amount paid for the program, and the amount the student was refunded.
