Once approved, the auditor shall submit to the Bureau or its designee a plan by which Respondent’s operations shall be audited. Auditing shall consist of at least one hour per month of face to face meetings with Respondent and shall continue during the entire probationary period.

While such face to face meetings may include a director or employee of the institution not listed as having ownership or control, at least one person listed as having ownership or control shall participate in each such meeting. The Respondent shall provide the auditor with a copy of this Decision and access to Respondent’s fiscal and/or student records. Respondent shall obtain any necessary student releases to enable the auditor to review records and to make direct contact with students. Respondent shall execute a release authorizing the auditor to divulge any information that the Bureau may request. It shall be Respondent’s responsibility to assure that the auditor submits written reports to the Bureau on a quarterly basis verifying that auditing has taken place and providing an evaluation of Respondent’s performance.

Respondent shall notify all current and potential students of any term or condition of probation that will affect the confidentiality of their records (such as this condition, which requires an operations auditor/billing auditor). Such notifications shall be signed by each student prior to continuing or beginning enrollment.

If the auditor quits or is otherwise no longer available, Respondent shall notify the Bureau within 10 days and get approval from the Bureau for a new auditor within 30 days. If no new auditor is approved within 30 days, Respondent shall not operate until a new auditor has been approved by the Bureau. During this period of non-operation, probation will be tolled and will not commence again until the period of non-operation is completed. Respondent shall pay all costs associated with this auditing requirement. Failure to pay these costs shall be considered a violation of probation.
