12 Except as exempted in Article 4 (commencing with section 94874) or in compliance with  
13 the transition provisions in Article 2 (commencing with Section 94802), a person shall not open,

16 5. Education Code Section 94887 states:

17 An approval to operate shall be granted only after an applicant has presented sufficient  
18 evidence to the bureau, and the bureau has independently verified the information provided by the  
19 applicant through site visits or other methods deemed appropriate by the bureau, that the applicant  
20 has the capacity to satisfy the minimum operating standards. The bureau shall deny an application

4 continue to operate during the appeal process, but must disclose in a written statement, approved  
5 by the bureau, to all current and prospective students, that the institution's application for renewal  
6 of approval to operate was denied by the bureau because the bureau determined the application  
7 did not satisfy the requirements to operate in California, that the institution is appealing the  
8 bureau's decision, and that the loss of the appeal may result in the institution's closure.

9 (3) If the bureau determines that the continued operation of the institution during the  
10 appeal process poses a significant risk of harm to students, the bureau shall make an emergency  
11 decision pursuant to its authority provided in Section 94938.

5 71800 and 76215 in that Respondent failed to provide a compliant Student Enrollment Agreement  
6 as follows:

7 30. Respondent failed to provide a copy of its policy relative to providing the student

5 payable prior to the beginning of class unless other arrangements are made.” This is incorrect as  
6 the program is 24 weeks long and Respondent may not require more than one term or four months  
7 of advance payment of tuition. This is a violation of California Education Code section 94899.5.

15           39. By its Student Enrollment Agreement, Respondent failed to include in the enrollment  
16 agreement the required statement including a line for the student to initial to certify receipt of  
17 certain materials prior to signing the enrollment agreement. This is a violation of California
