- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

To cancel this *Enrollment Agreement* and obtain a refund, the student must provide written notice to: Records Office, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or academicrecords@meridianuniversity.edu. If the student is entitled to a refund, the refund will be mailed within 45 days. However, if the student owes monies, the refund amount will first be applied towards any outstanding financial aid debts following the Return of Title IV Funds policy or Meridian University, whichever is applicable. For the purpose of determining a refund under this section, students shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the University, in writing, of the student's withdrawal. (See *Refundable Tuition Policy* below)
- The University terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the
 rules and regulations of the University; absences in excess of maximum set forth by the University; and/or failure to
 meet financial obligations to the University. (See the Student Handbook for a full description of Administrative
 Withdrawal.)
- The student fails to return from a Leave of Absence.

Refundable Tuition Policy

The student has a right to a full refund of all charges for instruction less the amount of \$250 for application or deposit if the student cancels this *Enrollment Agreement* prior to the first day of class or the seventh day after enrollment, whichever is later. In addition, the student may withdraw or take an approved Leave of Absence from the program after instruction has started and receive a prorated/partial refund for the unused portion of the tuition and other refundable charges (through 60% of class of each quarter).

Tuition Refund Calculation

**Note: Refund calculations from day 2 to day 29 of class of the quarter are calculated as follows: The number of days of class of the quarter that the student was enrolled is divided by the total number of scheduled days of class per quarter, in accordance with Meridian academic policy. This calculation produces the percentage of tuition that the student owes, and therefore their refund amount is the complementary percentage.

Residential Accommodations Fee Refund Policy

Students who plan to miss a week-long residency who have signed up for the Residential Accommodations Plan for the quarter will be eligible for a partial refund of the Residential Accommodations Fee if written notification is submitted to academicrecords@meridianuniversity.edu by the deadline established for refunds for the specific residency in the Residential Accommodations Plan for the quarter. The prorated refund will not include the non-refundable portion of

www.meridianuniversity.edu

STUDENT'S RIGHT TO CANCEL (CONTINUED)

the fee, which is \$400. If a student attends any portion of a residency and then withdraws, takes a Leave of Absence, or misses a portion of the residency, a refund will only apply to future residencies and not the residency during which the student withdrew, missed classes, or took a Leave of Absence.

<u>Doctoral Project Refund Policy</u>

Students who withdraw while inside a doctoral project clock must submit a written request to: Records Office, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or academicrecords@meridianuniversity.edu. The date of withdrawal will be determined by the date written notification is received by the Records Office. If a continuation student withdraws after the first day of a quarter, the student will be charged based on the quarterly breakdown of their doctoral project fee, including charges applicable to the current quarter. Any excess payment will be refunded within forty five (45) days of notification of withdrawal, or as required by state and federal regulations. Students are not approved to take a leave of absence during the doctoral clock enrollment period. However the student does have the option to withdraw from their degree program. For example, if a student withdraws in the middle of their second quarter of their eight quarter dissertation clock, they would be refunded all but two-quarters worth of their dissertation fee, which covers eight-quarters. Any financial aid would be canceled, and a Return of Title IV Aid calculation would be completed.

Continuation Fee Refund Policy

Continuation students who complete all graduation requirements or withdraw from Meridian University will receive a refund of the Continuation Fee, prorated on a *quarterly* basis, based on their date of degree conferral or effective date of withdrawal. Continuation students who complete their program or withdraw on or after June 1 of an academic year will not receive a prorated Continuation Fee refund.

ONLINE LEARNING PLATFORM AND REFUND POLICY

At Meridian, courses are either fully online or they are onsite with an online component. Once login credentials are provided to the student, it is the student's responsibility to engage course materials on a timely basis.

Students have the right to cancel the *Enrollment Agreement* and receive a full refund as long as the student cancels prior to receiving the online credentials and the launch of the courses in the Online Learning Platform where lessons and materials are found. Cancellation is effective on the date that written notice of cancellation is received.

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

To cancel this *Enrollment Agreement* and obtain a refund, the student must provide written notice to: Records Office, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or academicrecords@meridianuniversity.edu. If the student is entitled to a refund, the refund will be mailed within 45 days. However, if the student owes monies, the refund amount will first be applied towards any outstanding financial aid debts following the Return of Title IV Funds policy or Meridian University, whichever is applicable. For the purpose of determining a refund under this section, students shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the University, in writing, of the student's withdrawal. (See Refundable Tuition Policy below)
- The University terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the
 rules and regulations of the University; absences in excess of maximum set forth by the University; and/or failure to
 meet financial obligations to the University. (See the Student Handbook for a full description of Administrative
 Withdrawal.)
- The student fails to return from a Leave of Absence.

Refundable Tuition Policy

The student has a right to a full refund of all charges for instruction less the amount of \$250 for application or deposit if the student cancels this *Enrollment Agreement* prior to the first day of class or the seventh day after enrollment, whichever is later. In addition, the student may withdraw or take an approved Leave of Absence from the program after instruction has started and receive a prorated/partial refund for the unused portion of the tuition and other refundable charges (through 60% of class of each quarter).

Tuition Refund Calculation

**Note: Refund calculations from day 2 to day 29 of class of the quarter are calculated as follows: The number of days of class of the quarter that the student was enrolled is divided by the total number of scheduled days of class per quarter, in accordance with Meridian academic policy. This calculation produces the percentage of tuition that the student owes, and therefore their refund amount is the complementary percentage.

Residential Accommodations Fee Refund Policy

Students who plan to miss a week-long residency who have signed up for the Residential Accommodations Plan for the quarter will be eligible for a partial refund of the Residential Accommodations Fee if written notification is submitted to academicrecords@meridianuniversity.edu by the deadline established for refunds for the specific residency in the Residential Accommodations Plan for the quarter. The prorated refund will not include the non-refundable portion of

Telephone: 707-765-1836 Fax: 707-765-2351

the fee, which is \$400. If a student attends any portion of a residency and then withdraws, takes a Leave of Absence, or misses a portion of the residency, a refund will only apply to future residencies and not the residency during which the student withdrew, missed classes, or took a Leave of Absence.

<u>Doctoral Project Refund Policy</u>

Students who withdraw while inside a doctoral project clock must submit a written request to: Records Office, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or academicrecords@meridianuniversity.edu. The date of withdrawal will be determined by the date written notification is received by the Records Office. If a continuation student withdraws after the first day of a quarter, the student will be charged based on the quarterly breakdown of their doctoral project fee, including charges applicable to the current quarter. Any excess payment will be refunded within forty five (45) days of notification of withdrawal, or as required by state and federal regulations. Students are not approved to take a leave of absence during the doctoral clock enrollment period. However the student does have the option to withdraw from their degree program. For example, if a student withdraws in the middle of their second quarter of their eight quarter dissertation clock, they would be refunded all but two-quarters worth of their dissertation fee, which covers eight-quarters. Any financial aid would be canceled, and a Return of Title IV Aid calculation would be completed.

Continuation Fee Refund Policy

Continuation students who complete all graduation requirements or withdraw from Meridian University will receive a refund of the Continuation Fee, prorated on a *quarterly* basis, based on their date of degree conferral or effective date of withdrawal. Continuation students who complete their program or withdraw on or after June 1 of an academic year will not receive a prorated Continuation Fee refund.

ONLINE LEARNING PLATFORM AND REFUND POLICY

At Meridian, courses are either fully online or they are onsite with an online component. Once login credentials are provided to the student, it is the student's responsibility to engage course materials on a timely basis.

Students have the right to cancel the *Enrollment Agreement* and receive a full refund as long as the student cancels prior to receiving the online credentials and the launch of the courses in the Online Learning Platform where lessons and materials are found. Cancellation is effective on the date that written notice of cancellation is received.

STUDENT'S RIGHT TO CANCEL

To cancel this *Enrollment Agreement* and obtain a refund, the student must provide written notice to: Records Office, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or academicrecords@meridianuniversity.edu. If the student is entitled to a refund, the refund will be mailed within 45 days. However, if the student owes monies, the refund amount will first be applied towards any outstanding financial aid debts following the Return of Title IV Funds policy or Meridian University, whichever is applicable. For the purpose of determining a refund under this section, students shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the University, in writing, of the student's withdrawal. (See *Refundable Tuition Policy* below)
- The University terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the
 rules and regulations of the University; absences in excess of maximum set forth by the University; and/or failure to
 meet financial obligations to the University. (See the Student Handbook for a full description of Administrative
 Withdrawal.)
- The student fails to return from a Leave of Absence.

Refundable Tuition Policy

The student has a right to a full refund of all charges for instruction less the amount of \$250 for application or deposit if the student cancels this *Enrollment Agreement* prior to the first day of class or the seventh day after enrollment, whichever is later. In addition, the student may withdraw or take an approved Leave of Absence from the program after instruction has started and receive a prorated/partial refund for the unused portion of the tuition and other refundable charges (through 60% of class of each quarter).

Tuition Refund Calculation

**Note: Refund calculations from day 2 to day 29 of class of the quarter are calculated as follows: The number of days of class of the quarter that the student was enrolled is divided by the total number of scheduled days of class per quarter, in accordance with Meridian academic policy. This calculation produces the percentage of tuition that the student owes, and therefore their refund amount is the complementary percentage.

Residential Accommodations Fee Refund Policy

Students who plan to miss a week-long residency who have signed up for the Residential Accommodations Plan for the quarter will be eligible for a partial refund of the Residential Accommodations Fee if written notification is submitted to academicrecords@meridianuniversity.edu by the deadline established for refunds for the specific residency in the Residential Accommodations Plan for the quarter. The prorated refund will not include the non-refundable portion of

STUDENT'S RIGHT TO CANCEL (CONTINUED)

the fee, which is \$400. If a student attends any portion of a residency and then withdraws, takes a Leave of Absence, or misses a portion of the residency, a refund will only apply to future residencies and not the residency during which the student withdrew, missed classes, or took a Leave of Absence.

Doctoral Project Refund Policy

Students who withdraw while inside a doctoral project clock must submit a written request to: Records Office, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or academicrecords@meridianuniversity.edu. The date of withdrawal will be determined by the date written notification is received by the Records Office. If a continuation student withdraws after the first day of a quarter, the student will be charged based on the quarterly breakdown of their doctoral project fee, including charges applicable to the current quarter. Any excess payment will be refunded within forty five (45) days of notification of withdrawal, or as required by state and federal regulations. Students are not approved to take a leave of absence during the doctoral clock enrollment period. However the student does have the option to withdraw from their degree program. For example, if a student withdraws in the middle of their second quarter of their eight quarter dissertation clock, they would be refunded all but two-quarters worth of their dissertation fee, which covers eight-quarters. Any financial aid would be canceled, and a Return of Title IV Aid calculation would be completed.

Continuation Fee Refund Policy

Continuation students who complete all graduation requirements or withdraw from Meridian University will receive a refund of the Continuation Fee, prorated on a *quarterly* basis, based on their date of degree conferral or effective date of withdrawal. Continuation students who complete their program or withdraw on or after June 1 of an academic year will not receive a prorated Continuation Fee refund.

ONLINE LEARNING PLATFORM AND REFUND POLICY

At Meridian, courses are either fully online or they are onsite with an online component. Once login credentials are provided to the student, it is the student's responsibility to engage course materials on a timely basis.

Students have the right to cancel the *Enrollment Agreement* and receive a full refund as long as the student cancels prior to receiving the online credentials and the launch of the courses in the Online Learning Platform where lessons and materials are found. Cancellation is effective on the date that written notice of cancellation is received.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

To cancel this *Enrollment Agreement* and obtain a refund, the student must provide written notice to: Records Office, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or academicrecords@meridianuniversity.edu. If the student is entitled to a refund, the refund will be mailed within 45 days. However, if the student owes monies, the refund amount will first be applied towards any outstanding financial aid debts following the Return of Title IV Funds policy or Meridian University, whichever is applicable. For the purpose of determining a refund under this section, students shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the University, in writing, of the student's withdrawal. (See *Refundable Tuition Policy* below)
- The University terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the
 rules and regulations of the University; absences in excess of maximum set forth by the University; and/or failure to
 meet financial obligations to the University. (See the Student Handbook for a full description of Administrative
 Withdrawal.)
- The student fails to return from a Leave of Absence.

Refundable Tuition Policy

The student has a right to a full refund of all charges for instruction less the amount of \$250 for application or deposit if the student cancels this *Enrollment Agreement* prior to the first day of class or the seventh day after enrollment, whichever is later. In addition, the student may withdraw or take an approved Leave of Absence from the program after instruction has started and receive a prorated/partial refund for the unused portion of the tuition and other refundable charges (through 60% of class of each quarter).

Tuition Refund Calculation

**Note: Refund calculations from day 2 to day 29 of class of the quarter are calculated as follows: The number of days of class of the quarter that the student was enrolled is divided by the total number of scheduled days of class per quarter, in accordance with Meridian academic policy. This calculation produces the percentage of tuition that the student owes, and therefore their refund amount is the complementary percentage.

Residential Accommodations Fee Refund Policy

Students who plan to miss a week-long residency who have signed up for the Residential Accommodations Plan for the quarter will be eligible for a partial refund of the Residential Accommodations Fee if written notification is submitted to academicrecords@meridianuniversity.edu by the deadline established for refunds for the specific residency in the Residential Accommodations Plan for the guarter. The prorated refund will not include the non-refundable portion of

STUDENT'S RIGHT TO CANCEL (CONTINUED)

the fee, which is \$400. If a student attends any portion of a residency and then withdraws, takes a Leave of Absence, or misses a portion of the residency, a refund will only apply to future residencies and not the residency during which the student withdrew, missed classes, or took a Leave of Absence.

<u>Doctoral Project Refund Policy</u>

Students who withdraw while inside a doctoral project clock must submit a written request to: Records Office, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or academicrecords@meridianuniversity.edu. The date of withdrawal will be determined by the date written notification is received by the Records Office. If a continuation student withdraws after the first day of a quarter, the student will be charged based on the quarterly breakdown of their doctoral project fee, including charges applicable to the current quarter. Any excess payment will be refunded within forty five (45) days of notification of withdrawal, or as required by state and federal regulations. Students are not approved to take a leave of absence during the doctoral clock enrollment period. However the student does have the option to withdraw from their degree program. For example, if a student withdraws in the middle of their second quarter of their eight quarter dissertation clock, they would be refunded all but two-quarters worth of their dissertation fee, which covers eight-quarters. Any financial aid would be canceled, and a Return of Title IV Aid calculation would be completed.

Continuation Fee Refund Policy

Continuation students who complete all graduation requirements or withdraw from Meridian University will receive a refund of the Continuation Fee, prorated on a *quarterly* basis, based on their date of degree conferral or effective date of withdrawal. Continuation students who complete their program or withdraw on or after June 1 of an academic year will not receive a prorated Continuation Fee refund.

ONLINE LEARNING PLATFORM AND REFUND POLICY

At Meridian, courses are either fully online or they are onsite with an online component. Once login credentials are provided to the student, it is the student's responsibility to engage course materials on a timely basis.

Students have the right to cancel the *Enrollment Agreement* and receive a full refund as long as the student cancels prior to receiving the online credentials and the launch of the courses in the Online Learning Platform where lessons and materials are found. Cancellation is effective on the date that written notice of cancellation is received.
