STUDENT'S RIGHT TO CANCEL

The latest day for you to exercise your right to cancel is

A student may cancel an Enrollment Agreement or withdraw from the University at any time. A student who intends to cancel or withdraw must notify the University in writing following the directions outlined in the University catalog. Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due After Completing:	
	8 weeks	1st week
2nd week		75%
3rd week		65%
4th week		50%
5th week		0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

STUDENT'S RIGHT TO CANCEL

The latest day for you to exercise your right to cancel is

A student may cancel an Enrollment Agreement or withdraw from the University at any time. A student who intends to cancel or withdraw must notify the University in writing following the directions outlined in the University catalog. Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due After Completing:	
8 weeks	1st week	90%
	2nd week	75%
	3rd week	65%
	4th week	50%
	5th week	0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 ($\$750 \times 50\%$).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

STUDENT'S RIGHT TO CANCEL

The latest day for you to exercise your right to cancel is

A student may cancel an Enrollment Agreement or withdraw from the University at any time. A student who intends to cancel or withdraw must notify the University in writing following the directions outlined in the University catalog. Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due After Completing:	
8 weeks	1st week	90%
	2nd week	75%
	3rd week	65%
	4th week	50%
	5th week	0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Federal Student Loan Debt

Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2017 receiving federal student loans to pay for this program.	The average amount of federal student loan debt of 2017 graduates who took out federal student loans at this institution.	The percentage of graduates in 2017 who took out federal student loans to pay for this program.

It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Abraham Lincoln University received its eligibility to participate in federal student aid programs beginning January 2016. The Cohort Default Rate or the percentage of graduates in 2017 with federal student loans is unknown at this time since ALU is new to the federal student loan program. **Although the institution is approved to participate in federal student aid programs, this program is *not* approved, therefore, students who attend this program do not have federal student loans.**

STUDENT'S RIGHT TO CANCEL

The latest day for you to exercise your right to cancel is

A student may cancel an Enrollment Agreement or withdraw from the University at any time. A student who intends to cancel or withdraw must notify the University in writing following the directions outlined in the University catalog. Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due After Completing:	
	8 weeks	1st week
2nd week		75%
3rd week		65%
4th week		50%
5th week		0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 ($\$750 \times 50\%$).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Abraham Lincoln University received its eligibility to participate in federal student aid programs beginning January 2016. The Cohort Default Rate or the percentage of graduates in 2017 with federal student loans is unknown at this time since ALU is new to the federal student loan program. **Although the institution is approved to participate in federal student aid programs, this program is *not* approved, therefore, students who attend this program do not have federal student loans.**

STUDENT'S RIGHT TO CANCEL

The latest day for you to exercise your right to cancel is

A student may cancel an Enrollment Agreement or withdraw from the University at any time. A student who intends to cancel or withdraw must notify the University in writing following the directions outlined in the University catalog. Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due After Completing:	
8 weeks	1st week	90%
	2nd week	75%
	3rd week	65%
	4th week	50%
	5th week	0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student’s return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due	
	After Completing:	
8 weeks	1st week	90%
	2nd week	75%
	3rd week	65%
	4th week	50%
	5th week	0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Federal Student Loan Debt

Most recent three year cohort default rate, as reported by the United State Department of Education.¹	The percentage of enrolled students in 2017 receiving federal student loans to pay for this program.	The average amount of federal student loan debt of 2017 graduates who took out federal student loans at this institution.	The percentage of graduates in 2017 who took out federal student loans to pay for this program.

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school’s students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Abraham Lincoln University received its eligibility to participate in federal student aid programs beginning January 2016. The Cohort Default Rate or the percentage of graduates in 2017 with federal student loans is unknown at this time since ALU is new to the federal student loan program. **Although the institution is approved to participate in federal student aid programs, this program is *not* approved, therefore, students who attend this program do not have federal student loans.**

STUDENT’S RIGHT TO CANCEL

The latest day for you to exercise your right to cancel is

A student may cancel an Enrollment Agreement or withdraw from the University at any time. A student who intends to cancel or withdraw must notify the University in writing following the directions outlined in the University catalog. Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due After Completing:	
	8 weeks	1st week
2nd week		75%
3rd week		65%
4th week		50%
5th week		0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

STUDENT'S RIGHT TO CANCEL

The latest day for you to exercise your right to cancel is

A student may cancel an Enrollment Agreement or withdraw from the University at any time. A student who intends to cancel or withdraw must notify the University in writing following the directions outlined in the University catalog. Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

	8 weeks	1st week
2nd week		75%
3rd week		65%
4th week		50%
5th week		0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 ($\$750 \times 50\%$).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

Federal Student Loan Debt

Most recent three year cohort default rate, as reported by the United State Department of Education.¹	The percentage of enrolled students in 2017 receiving federal student loans to pay for this program.	The average amount of federal student loan debt of 2017 graduates who took out federal student loans at this institution.	The percentage of graduates in 2017 who took out federal student loans to pay for this program.
0	0	0	0

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Abraham Lincoln University received its eligibility to participate in federal student aid programs beginning January 2016. The Cohort Default Rate or the percentage of graduates in 2017 with federal student loans is unknown at this time since ALU is new to the federal student loan program. **Although the institution is approved to participate in federal student aid programs, this program is *not* approved, therefore, students who attend this program do not have federal student loans.**

STUDENT’S RIGHT TO CANCEL

The latest day for you to exercise your right to cancel is

A student may cancel an Enrollment Agreement or withdraw from the University at any time. A student who intends to cancel or withdraw must notify the University in writing following the directions outlined in the University catalog. Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student’s return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due	
	After Completing:	
8 weeks	1st week	90%
	2nd week	75%
	3rd week	65%
	4th week	50%
	5th week	0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

STUDENT'S RIGHT TO CANCEL

The latest day for you to exercise your right to cancel is

A student may cancel an Enrollment Agreement or withdraw from the University at any time. A student who intends to cancel or withdraw must notify the University in writing following the directions outlined in the University catalog. Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due After Completion:	
8 weeks	1st week	90%
	2nd week	75%
	3rd week	65%
	4th week	50%
	5th week	0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

STUDENT'S RIGHT TO CANCEL

The latest day for you to exercise your right to cancel is

A student may cancel an Enrollment Agreement or withdraw from the University at any time. A student who intends to cancel or withdraw must notify the University in writing following the directions outlined in the University catalog. Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due After Completing:	
	8 weeks	1st week
2nd week		75%
3rd week		65%
4th week		50%
5th week		0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

STUDENT'S RIGHT TO CANCEL

The latest day for you to exercise your right to cancel is

A student may cancel an Enrollment Agreement or withdraw from the University at any time. A student who intends to cancel or withdraw must notify the University in writing following the directions outlined in the University catalog. Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due After Completing:	
	8 weeks	1st week
2nd week		75%
3rd week		65%
4th week		50%
5th week		0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

STUDENT'S RIGHT TO CANCEL

The latest day for you to exercise your right to cancel is

A student may cancel an Enrollment Agreement or withdraw from the University at any time. A student who intends to cancel or withdraw must notify the University in writing following the directions outlined in the University catalog. Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due After Completing:	
	8 weeks	1st week
2nd week		75%
3rd week		65%
4th week		50%
5th week		0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

STUDENT'S RIGHT TO CANCEL

The latest day for you to exercise your right to cancel is

A student may cancel an Enrollment Agreement or withdraw from the University at any time. A student who intends to cancel or withdraw must notify the University in writing following the directions outlined in the University catalog. Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due After Completing:	
	8 weeks	1st week
2nd week		75%
3rd week		65%
4th week		50%
5th week		0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due After Completing:	
	8 weeks	1st week
2nd week		75%
3rd week		65%
4th week		50%
5th week		0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

STUDENT'S RIGHT TO CANCEL

The latest day for you to exercise your right to cancel is

A student may cancel an Enrollment Agreement or withdraw from the University at any time. A student who intends to cancel or withdraw must notify the University in writing following the directions outlined in the University catalog. Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due After Completing:	
	8 weeks	1st week
2nd week		75%
3rd week		65%
4th week		50%
5th week		0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due After Completing:	
	8 weeks	1st week
2nd week		75%
3rd week		65%
4th week		50%
5th week		0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

STUDENT'S RIGHT TO CANCEL

The latest day for you to exercise your right to cancel is

A student may cancel an Enrollment Agreement or withdraw from the University at any time. A student who intends to cancel or withdraw must notify the University in writing following the directions outlined in the University catalog. Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

	8 weeks	1st week
2nd week		75%
3rd week		65%
4th week		50%
5th week		0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Federal Student Loan Debt

Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2017 receiving federal student loans to pay for this program. The percentage of graduates in 2017 who took out federal student loans to pay for this program.

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school’s students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Abraham Lincoln University received its eligibility to participate in federal student aid programs beginning January 2016. The Cohort Default Rate or the percentage of graduates in 2017 with federal student loans is unknown at this time since ALU is new to the federal student loan program. **Although the institution is approved to participate in federal student aid programs, this program is *not* approved, therefore, students who attend this program do not have federal student loans.**

STUDENT'S RIGHT TO CANCEL

The latest day for you to exercise your right to cancel is

A student may cancel an Enrollment Agreement or withdraw from the University at any time. A student who intends to cancel or withdraw must notify the University in writing following the directions outlined in the University catalog. Any money due to the student will be refunded within 30 days. If the student cancels within five (5) calendar days after signing the Enrollment Agreement, the student has the right to a full refund of all monies paid to the institution. After five (5) calendar days upon signing the Enrollment Agreement through attendance at the first class session or seventh day of enrollment, whichever is later, the student has the right to cancel the enrollment agreement and obtain a full (100%) refund of all tuition paid less the non-refundable fees.

A student may withdraw from a course or program and receive a refund by providing a written notice to the Registrar at the ALU postal mailing address (3530 Wilshire Blvd. Suite 1430, Los Angeles, CA 90010) or via email to registrar@alu.edu.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of materials.

The student will receive a full refund for paid courses that were not started at the time of withdrawal. If the student received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial program funds. If you are a California resident, the amount of assessment for the Student Tuition Recovery Fund is nonrefundable and will not be returned to students who are California residents.

The remaining tuition will be refunded based on the following table(s):

Length of Course	Refundable Tuition Due After Completing:	
	8 weeks	1st week
2nd week		75%
3rd week		65%
4th week		50%
5th week		0%

An example of the refund policy: A student paid the total price of \$750 for an 8 week course and then withdrew *during* the 5th week. Since the student did not complete a full 5th week, ALU will refund the tuition based on the completion of the 4th week. This student will receive a refund of \$375 (\$750 x 50%).

For service members, reservists, and family members who stop attending due to service obligations, the University will return any unearned benefits administered by the institution to the source of the funds on a pro-rata basis through at least the 60 percent portion of the period for which the funds were provided

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.
