STUDENT'S RIGHT TO CANCEL

Students have the right to cancel the Enrollment Agreement for educational service, any equipment or other goods and services if notice of cancellation is made through attendance of the first 7 days of the first-class session, or the seventh day after enrollment, whichever is later. Cancellation occurs when the student notifies the University administration. Students can notify by mail, e-mail, FAX, or in any other reasonable manner or conduct, including nonattendance. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state that the student wishes to cancel the Enrollment Agreement. If a student cancels this Enrollment Agreement, the University will refund any money paid, less an application/registration fee not to exceed \$200, within 30 days after the notice is received. If the student is rejected for any reason or if a course is canceled, the student will receive a refund of all monies paid minus the non-refundable fees.
